Vol. 37, p. 1704.

Area affected.
Post, p. 2464.

Part of Nezperce transferred to Bitterroot National Forest.

Changes restricted.

WHEREAS it appears that a modification of a portion of the inter-forest boundary between the Nezperce and the Selway, Bitterroot, Salmon, and Idaho National Forests, in the State of Idaho, and the transfer of certain national-forest lands from the Nezperce to the Bitterroot National Forest would be in the public interest;

Code, title 16, sec. 473), do proclaim that a portion of the boundary of the Nezperce National Forest as defined in proclamation of June 30, 1911 (37 Stat. 1704), is hereby changed so that the eastern boundary of said national forest will hereafter pass through unsurveyed Tps. 1 S. and 1, 2, and 3 N., R. 12 E., Boise meridian, more particularly as shown on a map prepared by the United States Forest Service, dated March 28, 1931, a copy of which is on file in the United States Department of State, Washington, D. C., and that certain lands of the United States hitherto forming a part of the Nezperce National Forest are hereby transferred to and made a part of the Bitterroot National Forest, the location of which is shown on said map filed in the Department of State. It is not intended by this proclamation to exclude any lands from the Nezperce National Forest, nor to add any lands to the Bitterroot National Forest, other than the lands shown on the said map as being transferred from one national forest to the other.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.
