

[CHAPTER 12.]

AN ACT

To amend the United States mining laws applicable to the city of Prescott municipal watershed in the Prescott National Forest within the State of Arizona.

January 19, 1933.

[S. 4791.]

[Public, No. 312.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That hereafter mining locations made under the United States mining laws upon lands within the municipal watershed of the city of Prescott, within the Prescott National Forest in the State of Arizona, specifically described as the west half southwest quarter section 13; south half section 14; southeast quarter, and east half southwest quarter section 15; east half, and south half southwest quarter section 22; all of section 23; west half section 24; all of sections 26 and 27; north half north half section 34; and north half north half section 35, township 13 north, range 2 west, Gila and Salt River base and meridian, an area of three thousand six hundred acres, more or less, shall confer on the locator the right to occupy and use so much of the surface of the land covered by the location as may be reasonably necessary to carry on prospecting and mining, including the taking of mineral deposits and timber required by or in the mining operations, and no permit shall be required or charge made for such use or occupancy: *Provided, however,* That the cutting and removal of timber, except where clearing is necessary in connection with mining operations or to provide space for buildings or structures used in connection with mining operations, shall be conducted in accordance with the rules for timber cutting on adjoining national-forest land, and no use of the surface of the claim or the resources therefrom not reasonably required for carrying on mining and prospecting shall be allowed except under the national-forest rules and regulations, nor shall the locator prevent or obstruct other occupancy of the surface or use of surface resources under authority of national-forest regulations, or permits issued thereunder, if such occupancy or use is not in conflict with mineral development.

Prescott, Ariz., municipal watershed.
Modification of mineral land laws as to certain lands within, authorized.
Description.

Proviso.
Cutting, etc., of timber.

SEC. 2. That hereafter all patents issued under the United States mining laws affecting lands within the municipal watershed of the city of Prescott, within the Prescott National Forest, in the State of Arizona, shall convey title to the mineral deposits within the claim, together with the right to cut and remove so much of the mature timber therefrom as may be needed in extracting and removing the mineral deposits, if the timber is cut under sound principles of forest management as defined by the national-forest rules and regulations, but each patent shall reserve to the United States all title in or to the surface of the lands and products thereof, and no use of the surface of the claim or the resources therefrom not reasonably required for carrying on mining or prospecting shall be allowed except under the rules and regulations of the Department of Agriculture.

Patents to convey title to minerals, etc.

Surface rights reserved.

SEC. 3. That valid mining claims within the municipal watershed of the city of Prescott, within the Prescott National Forest in the State of Arizona, existing on the date of the enactment of this Act, and thereafter maintained in compliance with the law under which they were initiated and the laws of the State of Arizona, may be perfected under this Act, or under the laws under which they were initiated, as the claimant may desire.

Existing mining claims may be perfected.

Approved, January 19, 1933.
