\$1,500,000 shall be available immediately: *Provided*, That specifications for motor vehicles, which shall be so drawn as to admit of competition, shall to the extent otherwise practicable conform with the requirements of the National Guard as determined by the Chief of the National Guard Bureau: *Provided further*, That the value of issues made to any State, Territory, or the District of Columbia to replace property surveyed in accordance with section 87, National Defense Act of June 3, 1916, as amended, shall not be charged to the apportionments required by section 67 of that Act, but no such replacement issue shall be made in excess of receipts theretofore collected and covered into the Treasury as miscellaneous receipts pursuant to said section 87, as amended, and section 4 (a) and (b) (22) of the Permanent Appropriation Repeal Act of June 26, 1934: *Provided further*, That the Secretary of War is hereby authorized to issue surplus or reserve stores and material on hand and purchased for the United States Army such articles of clothing and equipment and Field Artillery, Engineer, and Signal material and ammunition as may be needed by the National Guard organized under the provision of the Act entitled "An Act for making further and more effectual provision for the national defense, and for other purposes", approved June 3, 1916 (U. S. C., title 32, sec. 21), as amended. This issue shall be made without charge against militia appropriations except for actual expenses incident to such issue.

No appropriation contained in this Act shall be available for any expense for or on account of a larger number of mounted units and wagon and service companies of the National Guard than were in existence on June 30, 1932: *Provided*, That officers, warrant officers, and enlisted men of the National Guard and Organized Reserves, who, under regulations prescribed by the Secretary of War, volunteer to participate without pay as competitors in the National Rifle Matches to be held during the fiscal year 1936, may attend such matches without pay, notwithstanding any provision of law to the contrary, but shall be entitled to travel and subsistence allowances at the same rates as are provided for civilians who attend and participate in said matches.

ORGANIZED RESERVES

For pay and allowances of members of the Officers' Reserve Corps on active duty in accordance with law; mileage, reimbursement of actual traveling expenses, or per diem allowances in lieu thereof, as authorized by law: *Provided*, That the mileage allowance to members of the Officers' Reserve Corps when called into active service for training for fifteen days or less shall not exceed 4 cents per mile; pay, transportation, subsistence, clothing, and medical and hospital treatment of members of the Enlisted Reserve Corps; conducting correspondence or extension courses for instruction of members of the Reserve Corps, including necessary supplies, procurement of maps and textbooks, and transportation and traveling expenses of employees; purchase of training manuals, including Government publications and blank forms, subscriptions to magazines and periodicals of a professional or technical nature; establishment, maintenance, and operation of divisional and regimental headquarters and of camps for training of the Organized Reserves; for miscellaneous expenses incident to the administration of the Organized Reserves, including the maintenance and operation of motor-propelled passenger-carrying vehicles; for the actual and necessary expenses, or per diem in lieu thereof, at rates authorized by law, incurred by officers and enlisted men of the Regular Army traveling on duty in connection with the Organized Reserves, and

for travel of dependents, and packing and transportation of baggage of such personnel; for expenses incident to the use, including upkeep and depreciation costs, of supplies, equipment, and matériel furnished in accordance with law from stocks under the control of the War Department, except that not to exceed \$845,725 of this appropriation shall be available for expenditure by the Chief of the Air Corps for the production and purchase of new airplanes and their equipment, spare parts, and accessories; for transportation of baggage, including packing and crating, of reserve officers ordered to active duty for not less than six months; for the medical and hospital treatment of members of the Officers' Reserve Corps and of the Enlisted Reserve Corps, who suffer personal injury or contract disease in line of duty, as provided by the Act of April 26, 1928 (U. S. C., Supp. VII, title 10, secs. 451, 455), and for such other purposes in connection therewith as are authorized by the said Act, including pay and allowances, subsistence, transportation, and burial expenses; in all, \$6,372,178; and no part of such total sum shall be available for any expense incident to giving flight training to any officer of the Officers' Reserve Corps unless he shall be found physically and professionally qualified to perform aviation service as an aviation pilot, by such agency as the Secretary of War may designate: *Provided*, That not to exceed \$100,000 of this appropriation may be used for establishment and maintenance of divisional and regimental headquarters.

None of the funds appropriated elsewhere in this Act, except for printing and binding, field exercises, and for pay and allowances of officers and enlisted men of the Regular Army, and for mileage, reimbursement of actual traveling expenses, or per diem allowances in lieu thereof, as authorized by law, to Air Corps reserve officers on extended active duty, shall be used for expenses in connection with the Organized Reserves, but available supplies and existing facilities at military posts shall be utilized to the fullest extent possible.

No appropriation made in this Act shall be available for pay, allowances, or traveling or other expenses of any officer of the Organized Reserves who may be drawing a pension, disability allowance, disability compensation, or retired pay from the Government of the United States: *Provided*, That nothing in this provision shall be so construed as to prevent the application of funds herein contained to the pay, allowances, or traveling expenses of any officer or enlisted man of the Reserve Corps who may surrender said pension, disability allowance, disability compensation, or retired pay for the period of his active duty in the Reserve Corps.

No appropriation made in this Act shall be expended for the pay of a reserve officer on active duty for a longer period than fifteen days, except such as may be detailed for duty with the War Department General Staff under section 3a and section 5 (b) of the Army Reorganization Act approved June 4, 1920 (U. S. C., title 10, secs. 26, 37), or who may be detailed for courses of instruction at the general or special service schools of the Army, or who may be detailed for duty as instructors at civilian military training camps, appropriated for in this Act, or who may be detailed for duty with tactical units of the Air Corps, as provided in section 37a of the Army Reorganization Act approved June 4, 1920 (U. S. C., title 10, sec. 369): *Provided*, That the pay and allowances of such additional officers and nurses of the Medical Reserve Corps as are required to supplement the like officers and nurses of the Regular Army in the care of beneficiaries of the United States Veterans' Administration treated in Army hospitals may be paid from the funds allotted to the War Department by that administration under existing law.
