

"The total number of commissioned officers in the Coast Guard is hereby increased by one hundred and fifty-four line officers (exclusive of commissioned warrant officers) and two district commanders. Such additional line officers shall be distributed in grades in the same proportion as prescribed by the foregoing provisions of this section: *Provided*, That the total number of vacancies created hereby in each of the grades of captain, commander, lieutenant commander, and lieutenant shall be filled at a rate not exceeding, in any one year following the enactment hereof, 20 per centum of such total number."

SEC. 2. Section 2 of the Act entitled "An Act to distribute the commissioned line and engineer officers of the Coast Guard in grades, and for other purposes", approved January 12, 1923 (42 Stat. 1130; U. S. C., title 14, sec. 12), is hereby amended by changing the second proviso thereof to read as follows: "*Provided further*, That the engineer in chief, while so serving, shall have the rank of a rear admiral and the pay and allowances of a rear admiral (lower half), and hereafter the engineer in chief shall be selected from the active list of engineer officers not below the grade of commander (engineering)."

SEC. 3. Section 1 of the Act entitled "An Act to increase the efficiency of the personnel of the Revenue Cutter Service", approved April 16, 1908 (35 Stat. 61, as amended; U. S. C., title 14, sec. 11), is hereby amended by adding at the end thereof the following paragraph:

"The President is authorized to appoint in the Coast Guard, by and with the advice and consent of the Senate, one Assistant Commandant who shall serve for a term of four years unless sooner relieved by the President. The Assistant Commandant shall be selected from the active list of line officers not below the grade of commander, and such appointment shall not create a vacancy; and the Commandant of the Coast Guard shall make recommendations for the appointment of the Assistant Commandant. The Assistant Commandant shall have the rank of a rear admiral and the pay and allowances of a rear admiral (lower half): *Provided*, That an officer whose term of service as Assistant Commandant has expired shall take his place on the lineal list in the grade that he would have attained had he not served as Assistant Commandant."

Approved, May 24, 1939.

Armor, armament, and ammunition: Toward the armor, armament, and ammunition for vessels hereinbefore described under the head of "Construction and machinery", \$46,011,000, to remain available until expended: *Provided*, That the sum to be paid out of the amount available for expenditure under this head for the fiscal year 1940 for employees in the field service assigned to group IV (b) and those performing similar services carried under native and alien schedules in the Schedule of Wages for Civil Employees in the Field Service of the Navy Department shall not exceed 5 per centum of the aggregate amount available under this heading on July 1, 1939.

Neither the appropriation "Replacement of naval vessels, construction and machinery", nor the appropriation "Replacement of naval vessels, armor, armament, and ammunition", shall be available for obligation for any purpose as to ships commissioned prior to July 1, 1938, nor as to any ship commissioned subsequent to such date after twelve months shall have elapsed from commissioning date.

GENERAL PROVISIONS

The appropriations made in this Act for the purchase or manufacture of equipment or material or of a particular class of equipment or material shall be available for the purchase of letters patent, applications for letters patent, licenses under letters patent, and applications for letters patent that pertain to such equipment or material for which the appropriations are made.

No part of any appropriation made for the Navy shall be expended for any of the purposes herein provided for on account of the Navy Department in the District of Columbia, including personal services of civilians and of enlisted men of the Navy, except as herein expressly authorized: *Provided*, That there may be detailed to the Bureau of Navigation not to exceed at any one time seven enlisted men of the Navy: *Provided further*, That enlisted men detailed to the Naval Dispensary and the Radio Communication Service shall not be regarded as detailed to the Navy Department in the District of Columbia.

No part of the appropriations made in this Act shall be available for the salary or pay of any officer, manager, superintendent, foreman, or other person or persons having charge of the work of any employee of the United States Government while making or causing to be made with a stop watch or other time-measuring device a time study of any job of any such employee between the starting and completion thereof, or of the movements of any such employee while engaged upon such work; nor shall any part of the appropriations made in this Act be available to pay any premiums or bonus or cash reward to any employee in addition to his regular wages, except for suggestions resulting in improvements or economy in the operation of any Government plant; and no part of the moneys herein appropriated for the Naval Establishment or herein made available therefor shall be used or expended under contracts hereafter made for the repair, purchase, or acquirement, by or from any private contractor, of any naval vessel, machinery, article, or articles that at the time of the proposed repair, purchase, or acquirement can be repaired, manufactured, or produced in each or any of the Government navy yards or arsenals of the United States, when time and facilities permit, and when, in the judgment of the Secretary of the Navy, such repair, purchase, acquirement, or production would not involve an appreciable increase in cost to the Government, except when the repair, purchase, or acquirement, by or from any private contractor, would, in the opinion of the Secretary of the Navy, be advantageous to the national defense: *Provided*, That nothing herein shall be construed as altering or repealing the provisos contained in the Acts to authorize the construction of certain naval vessels, approved February 13, 1929, and March 27, 1934, which provide that the first and succeeding alternate vessels in each category, except the fifteen-thousand-ton aircraft carrier, upon which work is undertaken, together with the main engines, armor, and armament, shall be constructed or manufactured in the Government navy yards, naval gun factories, naval ordnance plants, or arsenals of the United States, except such material or parts as are not customarily manufactured in such Government plants.

No part of the funds herein appropriated shall be available to pay a contractor upon any contract for a naval vessel entered into under authority of this Act unless, at the time of filing his bid, he shall also file the estimates upon which such bid was based.
