*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That this Act may be cited as the "Armed Forces Voluntary Recruitment Act of 1945".

SEC. 2. The Secretary of War and the Secretary of the Navy are authorized and directed to initiate and carry forward intensive recruiting campaigns to obtain volunteer enlistments and reenlistments in the Regular Military and Naval Establishments.

SEC. 3. (a) The Act entitled "An Act to provide for enlistments in the Regular Army during the period of the war, and for other purposes", approved June 1, 1945 (Public Law 72, Seventy-ninth Congress), is hereby amended to read as follows:

"That notwithstanding the limitations contained in any other provision of law, the Secretary of War is authorized and directed to accept original enlistments and reenlistments in the Regular Army for periods of eighteen months or two or three years, at the option of the person so enlisted, from among qualified male persons not less than seventeen years of age, including persons in active service in the Army of the United States or any component thereof: *Provided*, That upon the presentation of satisfactory evidence as to his age and upon written application for discharge by his parent or guardian presented to the Secretary of War within six months after the date of his enlistment, any man enlisted under the provisions of this Act who is under twenty-one years of age and who has enlisted without the written consent of his parent or guardian, if any, shall be discharged from that portion of his contract of enlistment as extends beyond the duration of the present wars and six months thereafter: *Provided further*, That such person, when discharged from the service, shall receive the form of discharge and the travel and other allowances to which his service after enlistment shall entitle him: *Provided further*, That no person under the age of eighteen years shall be enlisted without the written consent of his parents or guardians, and the Secretary of War shall, upon the application of the parents or guardians of any such person enlisted without their written consent, discharge such person from the military service with pay and with the form of discharge certificate to which the service of such person, after enlistment, shall entitle him. Nothing contained in this Act shall be construed to deprive any person of any right to reenlistment in the Regular Army under any other provision of law. Any qualified and acceptable member of the Army of the United States, or of any component thereof, who has performed active service therein for a period of not less than six months, shall, upon his application, be accepted for an enlistment period of one

year plus the period of any furlough granted at the beginning of such enlistment. No person who is serving under an enlistment contracted on or after June 1, 1945, shall be entitled, before the expiration of the period of such enlistment, to enlist for an enlistment period which will expire before the expiration of the enlistment period for which he is so serving.

"SEC. 2. The Secretary of War is authorized to promulgate such regulations as may be necessary to effectuate the purposes of this Act.

"SEC. 3. The Secretary of War shall report to the Congress quarterly, the first such report to be made as of December 31, 1945, the number of enlisted men on active duty in the Regular Army who have been enlisted or reenlisted on or after June 1, 1945. The authority conferred by section 1 to accept original enlistments and reenlistments in the Regular Army shall terminate on June 30, 1947.

"SEC. 4. Any person who enlists or reenlists in the Regular Military Establishment on or after June 1, 1945, in the seventh grade, upon the completion of six months' active service, shall unless sooner promoted, be promoted to the sixth grade, providing he meets such qualifications as may be prescribed in regulations promulgated by the Secretary of War."

(b) The amendment made by this section shall be effective as if it had been part of such Act of June 1, 1945, when such Act was originally enacted.

SEC. 4. Whenever any enlisted man of the Regular Army shall have completed not less than twenty or more than twenty-nine years of active service, he may upon his own request be transferred to the Enlisted Reserve Corps (to remain a member thereof until his active service plus the period of his membership in such Corps equals thirty years) and at the same time be retired from the Regular Army. An enlisted man so transferred and retired shall receive, except with respect to periods of active duty he may be required to perform, until his death, annual pay equal to  $2\frac{1}{2}$  per centum of the average annual enlisted pay (including longevity pay) he was receiving for the six months immediately preceding his retirement multiplied by a sum equal to the sum of the number of years of his active service performed not in excess of twenty-nine years. The number of years of service to be credited in computing the right to retirement and retirement pay authorized by this section, or any other provision of law providing for the retirement of an enlisted man of the Regular Army, shall include all active Federal military service performed in the Army of the United States, the Navy, the Marine Corps or the Coast Guard, or any component thereof, any fractional part of a year amounting to six months or more to be counted as a complete year.

SEC. 5. Notwithstanding any other provisions of law, persons enlisted or reenlisted in the Regular Military or Naval Establishment shall be enlisted or reenlisted in such grades or ratings as may be prescribed by the Secretary of War and the Secretary of the Navy, respectively: *Provided*, That any person enlisted or reenlisted prior to February 1, 1946, in the Regular Military or Naval Establishment within twenty days after discharge from such establishment shall be enlisted or reenlisted in a grade or rating at least as high as the highest grade or rating, permanent or temporary, held by him at the time of such discharge.

SEC. 6. Every person discharged or released from the military or naval forces on or after June 1, 1945, who enlists or reenlists in the Regular Military or Naval Establishment (irrespective of the service from which discharged or released), and who is granted a reenlistment furlough or leave, shall be paid in advance at his option, at

the time such furlough or leave becomes effective, a furlough travel allowance at the rate of 5 cents a mile for the distance between his home or such other place as, subject to regulations prescribed by the Secretary of the Department concerned, he may select, and the place at which he is stationed when the furlough or leave becomes effective, and for the distance between his home, or other place so selected, and the place at which he is ordered to report for duty at the termination of the furlough or leave. If, in order to reach his home, or other place so selected, or to reach the place at which he is ordered to report for duty at the termination of the furlough or leave, sea travel is necessary, he shall be furnished for such sea travel transportation in kind and subsistence en route, and the distance thereof shall be excluded in computing the monetary allowance under the preceding sentence. No monetary allowance shall be paid under this section if travel allowance at least as great has been paid under section 126 of the National Defense Act upon the discharge or release immediately preceding the enlistment or reenlistment, and if travel allowance in a lesser amount has been so paid under section 126 of the National Defense Act, the monetary allowance provided for in this section shall be reduced by that so paid under such section 126. “(b) Each person eligible to receive mustering-out payment under subsection (a) (1) shall receive one-third of the stipulated amount at the time of final discharge or ultimate relief from active service or, at the option of the person so eligible, at the time of discharge or release for the purpose of enlistment, reenlistment, or appointment in the Regular Military or Naval Establishment; and the remaining amount of such payment shall be paid in two equal installments—one month and two months, respectively, from the date of the original payment. Each person eligible to receive mustering-out payment under subsection (a) (2) shall receive one-half of the stipulated amount at the time of final discharge or ultimate relief from active service or, at the option of the person so eligible, at the time of discharge or release for the purpose of enlistment, reenlistment, or appointment in the Regular Military or Naval Establishment; and the remaining amount of such payment shall be paid one month from the date of the original payment. Each person eligible to receive mustering-out payment under subsection (a) (3) shall receive the stipulated amount at the time of such discharge or relief from active service or, at the option of the person so eligible, at the time of discharge or release for the purpose of enlistment, reenlistment, or appointment in the Regular Military or Naval Establishment. A person entitled to receive the first installment of the mustering-out payment at the time of discharge or release for the purpose of enlistment, reenlistment, or appointment in the Regular Military or Naval Establishment shall, at his election, receive the whole of such payment in one lump sum, rather than in installments.”

(b) Section 3 of such Act is amended by inserting before the period at the end thereof the following: “, or, at the option of such member, for the purpose of enlistment, reenlistment, or appointment in the Regular Military or Naval Establishment”.

(c) The amendments made by this section shall be applicable, in the case of the Naval Establishment, with respect to enlistments, reenlistments, and appointments on or after February 1, 1945, and

For the purpose of determining the eligibility of any person enlisted or reenlisted in the Regular Military Establishment on or after June 1, 1945, or in the Regular Naval Establishment on or after February 1, 1945, to receive the enlistment allowance, and in computing the amount thereof, all continuous active Federal service in the Army of the United States, or any component thereof (if enlisted or reenlisted in the Regular Military Establishment), or in the Navy, Marine Corps, or Coast Guard, or any reserve component thereof (if enlisted or reenlisted in the Regular Naval Establishment), whether in enlisted grades or in commissioned, commissioned warrant, or warrant officer grades, shall, if honorably performed subsequent to the payment of the last previous enlistment allowance, be credited as a period of active enlisted service. In determining whether active Federal service is continuous, any interruptions, of not more than ninety days each, between periods of such service shall be disregarded."

SEC. 9. (a) Section 101 of the Servicemen's Dependents Allowance Act of 1942, as amended, is amended to read as follows:

"Sec. 101. The dependent or dependents of any enlisted man in the Army of the United States, the United States Navy, the Marine Corps, or the Coast Guard, including any and all retired and reserve components of such services, shall be entitled to receive a monthly family allowance for any period during which such enlisted man is in the active military or naval service of the United States on or after June 1, 1942, (1) during the existence of any war declared by Congress and the six months immediately following the termination of any such war or (2) during a period of enlistment or reenlistment contracted by such enlisted man prior to July 1, 1946."

An enlisted man of the first, second, or third grade may at his option receive either the monetary allowance in lieu of quarters for dependents or have his dependents become entitled to receive family allowance, except that payment of the monetary allowance shall be made only for such periods, from the effective date of this Act, as the enlisted man has in effect an allotment of pay, in an amount not less than the amount of such monetary allowance, for the support of the dependents on whose account the allowance is claimed. No dependents of any enlisted man shall be entitled to family allowance for any period for which such monetary allowance is paid to the enlisted man. The Secretary of the Department concerned is authorized to exercise the option on behalf of the enlisted man in any case in which he deems it desirable and finds it impracticable for the enlisted man to exercise his option, subject to termination at a later date upon specific request of the
