[CHAPTER 94]

AN ACT

To amend sections 4, 7, and 17 of the Reclamation Project Act of 1939 (53 Stat. 1187) for the purpose of extending the time in which amendatory contracts may be made, and for other related purposes.

April 24, 1945  
[S. 37]  
[Public Law 39]

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That section 4 (d) of the Reclamation Project Act of 1939 is hereby amended to read as follows:

Reclamation Project Act of 1939, amendments.  
53 Stat. 1190.  
43 U. S. C. § 485c (d).  
Variable repayment contracts.

"(d) For each project contract unit where a repayment contract is entered into pursuant to this section, each year the percentage of the normal returns for said year by which the annual returns of said year exceed or are less than said normal returns shall be determined by the Secretary. For each unit or major fraction of a unit of said percentage of said increase or decrease there shall be an increase or decrease, respectively, of 2 per centum in the amount or amounts of the installment or installments for said year under the organization's obligation or obligations as determined under subsections (b) and (e) of this section. Said latter amount or amounts as thus increased or decreased shall be the payment or payments of construction charges due and payable for said year, except that in no event shall the amount of the said payment or payments due and payable for any year be less than 15 per centum nor, as determined by the Secretary, more than from 150 to 200 per centum, inclusive, of the amount or

Determination of amount of installment.

Conformity of contract amendments.	amounts of the installment or installments for said year under the organization's obligation or obligations as determined under subsections (b) and (e) of this section. The Secretary is hereby authorized to amend any repayment contracts heretofore or hereafter entered into pursuant to the provisions of this section to conform to the provisions of this amendment."
53 Stat. 1192. 43 U. S. C. § 485f (e).	SEC. 2. Section 7 (c) of the Reclamation Project Act of 1939 is hereby amended to read as follows:
Execution of contract only after approval of Congress.	“(c) The Secretary from time to time shall report to the Congress on any proposed contracts negotiated pursuant to the authority of subsection (a) or (b) (1) of this section, and he may execute any such contract on behalf of the United States only after approval thereof has been given by Act of Congress. Contracts, so approved, however, may be amended from time to time by mutual agreement and without further approval by Congress if such amendments are within the scope of authority heretofore or hereafter granted to the Secretary under any Act, except that amendments providing for repayment of construction charges in a period of years longer than authorized by this Act, as it may be amended, shall be effective only when approved by Congress.”
Amendments by mutual agreement.	SEC. 3. Section 17 of the Reclamation Project Act of 1939 is hereby amended to read as follows:
Exception.	“(a) The authority granted in sections 3 and 4 of this Act for modification of existing repayment contracts or other forms of obligations to pay construction charges shall continue through December 31, 1950, or December 31 of the fifth full calendar year after the cessation of hostilities in the present war, as determined by proclamation of the President or concurrent resolution of the Congress, whichever period is the longer.
53 Stat. 1198. 43 U. S. C. § 485b note.	“(b) The Secretary is hereby authorized, subject to the provisions of this subsection, to defer the time for the payment of such part of any installments of construction charges under any repayment contract or other form of obligation (exclusive of contracts entered into under this Act) that are due and unpaid as of the date of this amendment or which will become due prior to the expiration of the authority under subsection (a) of this section as he deems necessary to adjust such installments to amounts within the probable ability of the water users to pay. Any such deferment shall be effected only after findings by the Secretary that the installments under consideration probably cannot be paid on their due dates without undue burden on the water users, considering the various factors which in the Secretary's judgment bear on the ability of the water users so to pay.
Duration of authority. 53 Stat. 1188, 1189. 43 U. S. C. §§ 485b, 485c. <i>Ante</i> , p. 75.	“The Secretary may effect the deferments hereunder subject to such conditions and provisions relating to the operation and maintenance of the project involved as he deems to be in the interest of the United States. If, however, any deferments would affect installments to accrue more than twelve months after the action of deferment, they shall be effected only by a formal supplemental contract. Such a contract shall provide by its terms that, it being only an interim solution of the repayment problems dealt with therein, its terms are not, in themselves, to be construed as a criterion of the terms of any amendatory contract that may be negotiated pursuant to sections 3, 4, or 7 of this Act.”
Deferred installments.	Approved April 24, 1945.
