

of patients in the Veterans' Administration hospital to be erected on land adjacent to the forty-two-acre tract referred to in section 1 of this Act, not precluding, however, the following activities: (1) The construction of National Guard facilities; (2) the operation of motor vehicles; (3) the assembling, moving, or passage of uniformed personnel: *Provided*, That such grant shall not be effective until the Governor of the State of California shall certify in writing to the Secretary of Defense that such land is needed by the State of California for the purpose of a site for a National Guard armory and for training the National Guard or for other related military purposes and that such land is suitable for such purposes.

c. That there shall be reserved to the United States the existing water lines running through the property for so long as the use thereof may be required.

d. That there shall be reserved to the United States, for use by the Veterans' Administration, a twenty-five-foot easement along the easterly portion of the property, the exact location of which to be determined by the city and county of San Francisco, the Department of the Army, and the Veterans' Administration.

e. That there shall be reserved to the United States such additional easements, of whatsoever nature, as may be determined necessary by the Secretary of the Army.

f. That there shall be reserved to the United States all interest in and to any oil, mineral, or fissionable material in said land.

g. For such other terms, conditions, restrictions, and reservations as the Secretary of the Army shall deem necessary to protect the interests of the United States.

SEC. 3. In the event of breach by the grantee of any of the terms, conditions, restrictions, and reservations contained in said deed, or if the property authorized for conveyance by section 1 of this Act is used for any purpose other than mentioned in this Act, then title to the property shall revert to the United States and, in addition, all improvements made by the city and county of San Francisco or the State of California shall vest in the United States without payment of compensation therefor.

Approved October 13, 1949.

[CHAPTER 688]

AN ACT

Making appropriations for civil functions administered by the Department of the Army for the fiscal year ending June 30, 1950, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the fiscal year ending June 30, 1950, for civil functions administered by the Department of the Army and for other purposes, namely:

CIVIL FUNCTIONS, DEPARTMENT OF THE ARMY

QUARTERMASTER CORPS

CEMETERIAL EXPENSES

Cemeterial expenses: For maintaining and improving national cemeteries, including personal services and fuel for superintendents; purchase of grave sites; maintenance of the Arlington Memorial Amphitheater, chapel, and grounds in the Arlington National Cemetery, and that portion of Congressional Cemetery to which the United

Certification by Governor.

Water lines reserved to U. S.

Easement to U. S.

Additional easements to U. S.

Mineral, etc., rights reserved to U. S.

Reversion of title, etc., to U. S.

October 13, 1949
[H. R. 3734]
[Public Law 355]

Civil Functions Appropriation Act, 1950.

Headstones.

62 Stat. 1215.
24 U. S. C., Supp.
II, §§ 279a-279c.

Confederate cemeteries.

Commercial cemeteries.

Encroachment by railroad.

Roadway repairs.

States has title and the graves of those buried therein, including Confederate graves, and the burial site of Pushmataha, a Choctaw Indian chief; repair to roadways but not to more than a single approach road to any national cemetery; for headstones or markers for unmarked graves of soldiers, sailors, and marines under the Act of July 1, 1948 (Public Law 871), and civilians interred in post cemeteries; for maintenance of monuments, tablets, roads, fences, and so forth, made and constructed by the United States in Cuba and China to mark the places where American soldiers fell; maintenance of the Confederate Mound in Oakwood Cemetery at Chicago, the Confederate Stockade Cemetery at Johnstons Island, the Confederate burial plats owned by the United States in Confederate Cemetery at North Alton, the Confederate Cemetery, Camp Chase, at Columbus, the Confederate Cemetery at Point Lookout, and the Confederate Cemetery at Rock Island; and for maintenance of graves used by the Army for burials in commercial cemeteries; \$4,500,000: *Provided*, That no railroad shall be permitted upon any right-of-way which may have been acquired by the United States leading to a national cemetery, or to encroach upon any roads or walks constructed thereon and maintained by the United States: *Provided further*, That no part of this appropriation shall be used for repairing any roadway not owned by the United States within the corporate limits of any city, town, or village.

SIGNAL CORPS

ALASKA COMMUNICATION SYSTEM

Alaska Communication System: For expenses necessary for the operation, maintenance, and improvement of the Alaska Communication System, including purchase (not to exceed one) and hire of passenger motor vehicles, \$3,000,000, to remain available until the close of the fiscal year 1951, and in addition not to exceed 15 per centum of the current fiscal year receipts of the Alaska Communication System may be merged with and used for the purposes of this appropriation.

CORPS OF ENGINEERS

RIVERS AND HARBORS AND FLOOD CONTROL

Additional personnel.

Limitation on expenditures.
Report to Congress.

Purchase of motor vehicles, motorboats, and aircraft.

To be immediately available and to be expended under the direction of the Secretary of the Army and the supervision of the Chief of Engineers, and to remain available until expended: *Provided*, That the services of such additional technical and clerical personnel as the Secretary of the Army may deem necessary may be employed only in the Office of the Chief of Engineers, to carry into effect the various appropriations for rivers and harbors and flood control, surveys, and preparation for and the consideration of river and harbor and flood-control estimates and bills, to be paid from such appropriations: *Provided further*, That the expenditures on this account for the current fiscal year shall not exceed \$1,450,000, and the Secretary of the Army shall each year, in the Budget, report to Congress the number of persons so employed, their duties, and the amount paid to each: *Provided further*, That the various appropriations for rivers and harbors and flood control may be used for the purchase (for replacement only) in the current fiscal year of five hundred passenger motor vehicles and ten motorboats (to be acquired from surplus stock where practicable) and the purchase (not to exceed five, to be acquired from surplus stocks), maintenance, repair, and operation of aircraft.

RIVERS AND HARBORS

Maintenance and improvement of existing river and harbor works: For the preservation and maintenance of existing river and harbor works, and for the prosecution of such projects heretofore authorized as may be most desirable in the interests of commerce and navigation; for surveys of northern and northwestern lakes and other boundary and connecting waters as heretofore authorized, including the preparation, correction, printing, and issuing of charts and bulletins, and the investigation of lake levels; for prevention of obstructive and injurious deposits within the harbor and adjacent waters of New York City; for expenses of the California Débris Commission in carrying on the work authorized by the Act approved March 1, 1893, as amended (33 U. S. C. 661, 678, and 683); for removing sunken vessels or craft obstructing or endangering navigation as authorized by law; for operating and maintaining, keeping in repair, and continuing in use without interruption any lock, canal (except the Panama Canal), canalized river, or other public works for the use and benefit of navigation belonging to the United States; for payment annually of tuition fees of not to exceed one hundred student officers of the Corps of Engineers at civil technical institutions under the provisions of section 127a of the National Defense Act, as amended (10 U. S. C. 535); for examinations, surveys, and contingencies of rivers and harbors; for the execution of detailed investigations and the preparation of plans and specifications for projects heretofore or hereafter authorized; for examination of estimates of appropriations in the field; for printing and binding and office supplies and equipment required in the Office of the Chief of Engineers to carry out the purposes of this appropriation, including such printing, either during a recess or session of Congress, of surveys authorized by law, and such surveys as may be printed during a recess of Congress shall be printed, with illustrations, as documents of the next succeeding session of Congress: *Provided*, That no part of this appropriation shall be expended for any preliminary examination, survey, project, or estimate not authorized by law; \$197,489,690, of which sum the amount of \$34,270 shall be expended for a small boat harbor at Hastings, Minnesota: *Provided further*, That of the amount herein appropriated, \$478,520 shall be for repayments of advances made under the provisions of section 11, Act of March 3, 1925 (Public Law 585, Sixty-eighth Congress, 43 Stat. 1197): *Provided further*, That from this appropriation the Secretary of the Army may, in his discretion and on the recommendation of the Chief of Engineers based on the recommendation by the Board of Rivers and Harbors in the review of a report or reports authorized by law, expend such sums as may be necessary for the maintenance of harbor channels provided by a State, municipality, or other public agency, outside of harbor lines and serving essential needs of general commerce and navigation, such work to be subject to the conditions recommended by the Chief of Engineers in his report or reports thereon: *Provided further*, That not to exceed \$5,000 of the amount herein appropriated shall be available for the support and maintenance of the Permanent International Commission of the Congresses of Navigation and for the payment of the expenses of the properly accredited delegates of the United States to the meeting of the Congresses and of the Commission: *Provided further*, That from this appropriation not to exceed \$1,200,000 shall be available for transfer to the Secretary of the Interior for expenditure for the purposes of and in accordance with the provisions of the Act of August 8, 1946 (60 Stat. 932), and the Act of August 14, 1946 (60 Stat. 1080): *Provided further*, That the maintenance funds appropriated herein

under this heading may be used for realignment of the authorized channel of the Hudson River in the vicinity of Kingston, New York, at an estimated cost of \$400,000: *Provided further*, That all land owned by the United States described as parcels 10, 16, 17, and 36 on the War Assets Administration tract map of Marinship yard containing approximately 60 acres, together with the buildings, improvements, and facilities thereon, which comprise part of the Marinship facilities, Marin County, California, and now under the control and jurisdiction of the War Assets Administration, is hereby transferred, without reimbursement of funds, to the jurisdiction of the Department of the Army for use by the Corps of Engineers of that Department.

Gulfport Harbor, Mississippi: For the prosecution of the works of improvement with respect to the Gulfport, Mississippi, Harbor and Channel heretofore authorized by law (Public Law 858, Eightieth Congress), \$496,000.

Alteration of bridges over navigable waters: For payment of the share of the United States of the cost of alteration of bridges over navigable waters in accordance with the provisions of the Act of June 21, 1940 (Public Law 647), \$100.

FLOOD CONTROL

Flood control, general: For the construction and maintenance of certain public works on rivers and harbors for flood control, and for other purposes, in accordance with the provisions of the Flood Control Act, approved June 22, 1936, as amended and supplemented, including printing and binding, and office supplies and equipment required in the Office of the Chief of Engineers to carry out the purposes of this appropriation, and for preliminary examinations, surveys, and contingencies in connection with the flood control, \$366,330,400: *Provided*, That of the amount herein appropriated, \$650,000 shall be for repayments of advances made under the provisions of the Act of October 15, 1940 (Public Law 857, Seventy-sixth Congress): *Provided further*, That funds appropriated herein may be used for flood-control work on the Salmon River, Alaska, as authorized by law: *Provided further*, That funds appropriated herein may be used to execute detailed surveys, and prepare plans and specifications, necessary for the construction of flood-control projects heretofore or hereafter authorized or for flood-control projects considered for selection in accordance with the provisions of section 4 of the Flood Control Act approved June 28, 1938, and section 3 of the Flood Control Act approved August 18, 1941 (55 Stat. 638): *Provided further*, That the expenditure of funds for completing the necessary surveys shall not be construed as a commitment of the Government to the construction of any project: *Provided further*, That of the amount herein appropriated \$500,000 shall be used for the Red Run (Clinton River) Michigan project: *Provided further*, That funds allocated to the Garrison Reservoir project may be expended for acquisition of any property within the incorporated village of Van Hook, and the adjacent area known as Legion Park, North Dakota.

Flood control, Mississippi River and tributaries: For prosecuting work of flood control in accordance with the provisions of the Flood Control Act approved May 15, 1928, as amended (33 U. S. C. 702a), including printing and binding and office supplies and equipment required in the Office of the Chief of Engineers to carry out the purposes of this appropriation, \$67,000,000.

Emergency fund for flood control on tributaries of Mississippi River: For rescue work and for repair or maintenance of any flood-

control work on any tributaries of the Mississippi River threatened or destroyed by flood, in accordance with section 9 of the Flood Control Act, approved June 15, 1936 (49 Stat. 1508), \$500,000.

Flood control, Sacramento River, California: For prosecuting work of flood control, Sacramento River, California, in accordance with the provisions of the Act approved March 1, 1917, as amended (33 U. S. C. 703, 704; 50 Stat. 849; 55 Stat. 638-651), \$3,600,000.

49 Stat. 1511.
33 U. S. C. § 702g-1.

39 Stat. 949.

MISCELLANEOUS CIVIL WORKS

Maintenance and operation, Certain Federal Water Mains Outside the District of Columbia: For the maintenance, operation, improvement, extension, and protection of Federal water lines located outside the District of Columbia required to serve nearby Government establishments and facilities with water from the water supply system of the District of Columbia, including interconnections with other water systems for emergency use wherever located, to be immediately available and to be expended under the direction of the Secretary of the Army and the supervision of the Chief of Engineers, \$12,000.

Federal water mains
outside D. C.

UNITED STATES SOLDIERS' HOME

For maintenance and operation of the United States Soldiers' Home, to be paid from the Soldiers' Home permanent fund, \$2,428,000: *Provided*, That this appropriation shall not be available for the payment of hospitalization of members of the Home in United States Army hospitals at rates in excess of those prescribed by the Secretary of the Army, upon the recommendation of the Board of Commissioners of the Home and the Surgeon General of the Army.

Hospitalization of
members.

THE PANAMA CANAL

For every expenditure requisite for and incident to the maintenance and operation, sanitation, and civil government of the Panama Canal and Canal Zone, and construction of additional facilities, including printing and binding; personal services in the District of Columbia, purchase (not to exceed twenty-four in the current fiscal year for replacement only), and hire of passenger motor vehicles; claims for damages to vessels, cargo, crew, or passengers, as authorized by section 10 of title 2, Canal Zone Code, as amended (54 Stat. 387); claims for losses of or damages to property arising from the conduct of authorized business operations; claims for damages to property arising from the maintenance and operation, sanitation, and civil government of the Panama Canal, and construction of additional facilities; payment of claims pursuant to section 403 of the Federal Tort Claims Act (28 U. S. C. 2672); acquisition of land and land under water, as authorized in the Panama Canal Act; expenses incurred in assembling, assorting, storing, repairing, and selling material, machinery, and equipment heretofore or hereafter purchased or acquired for the construction of the Panama Canal which are unserviceable or no longer needed, to be reimbursed from the proceeds of such sale; expenses incident to conducting hearings and examining estimates for appropriations on the Isthmus; expenses of attendance (not to exceed \$10,000), when authorized by the Governor, at meetings of organizations concerned with activities pertaining to the Panama Canal; expenses incident to any emergency arising because of calamity by flood, fire, pestilence, or like character not foreseen or otherwise provided for herein; not to exceed \$2,000 for travel and subsistence expenses of members of the police and fire forces of the Panama

Damage claims.

Buildings and improvements.

Canal incident to their special training in the United States; purchase, construction, repair, replacement, alteration, or enlargement of buildings, structures, equipment, and other improvements, to be available until expended, as follows:

Alien cripples.

39 Stat. 750.

Relief payments.

48 U. S. C. § 1372.

Maintenance and operation of the Panama Canal: For salary of the Governor, as authorized by law; contingencies of the Governor, including entertainment, to be expended in his discretion, not exceeding \$3,000; purchase, inspection, delivery, handling, and storing of materials, supplies, and equipment for issue to all departments of the Panama Canal, the Panama Railroad, other branches of the United States Government, and for authorized sales; payment in lump sums of not exceeding the amounts authorized by the Injury Compensation Act approved September 7, 1916 (5 U. S. C. 793), to alien cripples who are now a charge upon the Panama Canal by reason of injuries sustained while employed in the construction of the Panama Canal; and relief payments authorized by the Act approved July 8, 1937 (50 Stat. 478); \$14,500,000, together with all moneys arising from the conduct of business operations authorized by the Panama Canal Act.

Blood transfusions.

Sanitation: For sanitation, quarantine, hospitals, and medical aid and support of the insane and of lepers and aid and support of indigent persons legally within the Canal Zone, including expenses of their deportation when practicable, the purchase of artificial limbs or other appliances for persons who were injured in the service of the Isthmian Canal Commission or the Panama Canal prior to September 7, 1916, additional compensation to any officer of the United States Public Health Service detailed with the Panama Canal as chief quarantine officer, and payments of not to exceed \$50 in any one case to persons within the Government service who shall furnish blood from their veins for transfusion to the veins of patients in Panama Canal Hospitals, \$3,300,000.

Additional sums.

Civil government: For civil government of the Panama Canal and Canal Zone, including gratuities and necessary clothing for indigent discharged prisoners, \$3,450,000.

Net profits.

In addition to the foregoing sums there is hereby made available for the current fiscal year for expenditures and reinvestment under the several heads of appropriation aforesaid, without being covered into the Treasury of the United States, and to remain available until expended, all moneys received by the Panama Canal during the current fiscal year from services rendered or materials and supplies furnished to the United States, the Panama Railroad Company, the Canal Zone government, or to their employees, respectively, or to the Panama Government, from hotel and hospital supplies and services; from rentals, wharfage, and like service; from labor, materials, and supplies and other services furnished to vessels other than those passing through the Canal, and to others unable to obtain the same elsewhere; from the sale of scrap and other byproducts of manufacturing and shop operations; from the sale of obsolete and unserviceable materials, supplies, and equipment purchased or acquired for the operation, maintenance, protection, sanitation, and government of the Canal and Canal Zone; and any net profits accruing from such business to the Panama Canal shall annually be covered into the Treasury of the United States.

Waterworks, etc., Panama and Colon.

There is also made available for the current fiscal year for the operation, maintenance, and extension of waterworks, sewers, and pavements in the cities of Panama and Colon, to remain available until expended, the necessary portions of such sums as shall be paid during that fiscal year as water rentals or directly by the Government of Panama for such expenses.

PANAMA RAILROAD COMPANY

The following corporation is hereby authorized to make such expenditures, within the limits of funds and borrowing authority available to it in accord with law, and to make such contracts and commitments without regard to fiscal year limitations as provided by section 104 of the Government Corporation Control Act, as may be necessary in carrying out the programs set forth in the Budget for the fiscal year 1950 for each such corporation, except as hereinafter provided:

Panama Railroad Company: Not to exceed \$815,000 (to be computed on an accrual basis) of the funds of the company shall be available during the current fiscal year for its administrative expenses, including administrative services performed for the company by other Government agencies, which shall be determined in accordance with the company's prescribed accounting system in effect on July 1, 1946, and shall be exclusive of depreciation, payment of claims, expenses of the commissary coupon audit, commissary contraband inspection, expenditures which the company's prescribed accounting system requires to be capitalized or charged to cost of commodities acquired, and expenses in connection with acquisition, construction, operation, maintenance, improvement, protection, and disposition of facilities and other property belonging to the company or in which it has an interest.

GENERAL PROVISIONS

SEC. 2. No part of any appropriation contained in this Act shall be used directly or indirectly, except for temporary employment in case of emergency, for the payment of any civilian for services rendered by him on the Canal Zone while occupying a skilled, technical, clerical, administrative, executive, or supervisory position unless such person is a citizen of the United States of America or of the Republic of Panama: *Provided, however*, (1) That, notwithstanding the provision in the Act approved August 11, 1939 (53 Stat. 1409), limiting employment in the above-mentioned positions to citizens of the United States from and after the date of approval of said Act, citizens of Panama may be employed in such positions; (2) that at no time shall the number of Panamanian citizens employed in the above-mentioned positions exceed the number of citizens of the United States so employed, if United States citizens are available in continental United States or on the Canal Zone; (3) that nothing in this Act shall prohibit the continued employment of any person who shall have rendered fifteen or more years of faithful and honorable service on the Canal Zone; (4) that in the selection of personnel for skilled, technical, administrative, clerical, supervisory, or executive positions, the controlling factors in filling these positions shall be efficiency, experience, training, and education; (5) that all citizens of Panama and the United States rendering skilled, technical, clerical, administrative, executive, or supervisory service on the Canal Zone under the terms of this Act (a) shall normally be employed not more than forty hours per week, (b) may receive as compensation equal rates of pay based upon rates paid for similar employment in continental United States plus 25 per centum; (6) this entire section shall apply only to persons employed in skilled, technical, clerical, administrative, executive, or supervisory positions on the Canal Zone directly or indirectly by any branch of the United States Government or by any corporation or company whose stock is owned wholly or in part by the United States Government: *Provided further*, That the President

may suspend from time to time in whole or in part compliance with this section if he should deem such course to be in the public interest.

SEC. 3. No part of any appropriation contained in this Act, or of the funds made available for expenditure by any corporation included in this Act, shall be used to pay the salary or wages of any person who engages in a strike against the Government of the United States or who is a member of an organization of Government employees that asserts the right to strike against the Government of the United States, or who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence: *Provided*, That for the purposes hereof an affidavit shall be considered prima facie evidence that the person making the affidavit has not contrary to the provisions of this section engaged in a strike against the Government of the United States, is not a member of an organization of Government employees that asserts the right to strike against the Government of the United States or that such person does not advocate, and is not a member of an organization that advocates, the overthrow of the Government of the United States by force or violence: *Provided further*, That any person who engages in a strike against the Government of the United States or who is a member of an organization of Government employees that asserts the right to strike against the Government of the United States, or who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence and accepts employment the salary or wages for which are paid from any appropriation or fund contained in this Act shall be guilty of a felony and, upon conviction, shall be fined not more than \$1,000 or imprisoned for not more than one year, or both: *Provided further*, That the above penalty clause shall be in addition to, and not in substitution for, any other provisions of existing law.

SEC. 4. The Governor of the Panama Canal and the Chief of Engineers, Department of the Army, are authorized to employ services as authorized by section 15 of the Act of August 2, 1946 (5 U. S. C. 55a), in amounts not exceeding \$6,000 for the Panama Canal and not exceeding \$150,000 for the Corps of Engineers, Department of the Army: *Provided*, That the rates for individuals shall not exceed \$100 per diem.

SEC. 5. Appropriations for civil functions of the Department of the Army may be used for the payment of claims under the Act of July 3, 1943, and section 403 of the Federal Tort Claims Act (28 U. S. C. 2672); examination of estimates of appropriations in the field; and for health programs as authorized by law (5 U. S. C. 150).

SEC. 6. This Act may be cited as the "Civil Functions Appropriation Act, 1950".

Approved October 13, 1949.

[CHAPTER 690]

AN ACT

To authorize the American River Basin development, California, for irrigation and reclamation, and for other purposes.

American River
Basin development,
Calif.

Folsom Dam and
Reservoir.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Central Valley project, California, authorized by section 2 of the Act of Congress of August 26, 1937 (50 Stat. 850), is hereby reauthorized to include the American River development as hereinafter described, which development is declared to be for the same purposes as described and set forth in the Act of Congress of August 26, 1937 (50 Stat. 850).

SEC. 2. The American River development shall consist of: Folsom
