CHAPTER 597

AN ACT

Making appropriations for the Department of the Interior for the fiscal year ending June 30, 1953, and for other purposes.

July 9, 1952
[H. R. 7176]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Interior Department
Appropriation
Act, 1953.

TITLE I—DEPARTMENT OF THE INTERIOR

That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of the Interior for the fiscal year ending June 30, 1953, namely:

OFFICE OF THE SECRETARY

ENFORCEMENT OF CONNALLY HOT OIL ACT

For expenses necessary for controlling the interstate shipment of contraband oil as required by law (15 U. S. C. 715), including purchase of not to exceed one passenger motor vehicle for replacement only, \$187,000.

49 Stat. 30.

CONSTRUCTION, SOUTHEASTERN POWER ADMINISTRATION

For construction and acquisition of transmission lines, substations, and appurtenant facilities, and for administrative expenses connected therewith, in carrying out the provisions of section 5 of the Flood Control Act of 1944 (16 U. S. C. 825s), as applied to the southeastern power area, to remain available until expended, \$959,500: *Provided*, That no part of the funds appropriated by this paragraph or any part of the unobligated balance appropriated under this heading in the Interior Department Appropriation Act for 1952 shall be available for the construction of transmission lines and related facilities in the Southeastern power area until (1) a contract with the affected power companies in the area of substantially the type which has heretofore been executed in other power areas for system wide transmission of electric power and energy from Government owned projects to preferred customers has been executed, or the said companies have refused to execute such contracts, and (2) the Secretary of the Interior has so informed the Congress.

58 Stat. 890.

65 Stat. 249.

OPERATION AND MAINTENANCE, SOUTHEASTERN POWER ADMINISTRATION

For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy pursuant to the provisions of section 5 of the Flood Control Act of 1944 (16 U. S. C. 825s), as applied to the southeastern power area, \$760,000.

58 Stat. 890.

ADMINISTRATIVE PROVISIONS

Appropriations of the Southeastern Power Administration shall be available for purchase of not to exceed four passenger motor vehicles. Appropriations made herein to the Southeastern Power Administration shall be available in one fund, except that the appropriation herein made for operation and maintenance shall be available only for the service of the current fiscal year.

CONSTRUCTION, SOUTHWESTERN POWER ADMINISTRATION

58 Stat. 890.

For construction and acquisition of transmission lines, substations, and appurtenant facilities, and for administrative expenses connected therewith, in carrying out the provisions of section 5 of the Flood Control Act of 1944 (16 U. S. C. 825s), as applied to the southwestern power area, to remain available until expended, \$4,150,000, of which \$1,130,000 is for liquidation of obligations incurred pursuant to authority previously granted.

OPERATION AND MAINTENANCE, SOUTHWESTERN POWER ADMINISTRATION

For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy pursuant to the provisions of section 5 of the Flood Control Act of 1944 (16 U. S. C. 825s), as applied to the southwestern power area, \$1,450,000.

ADMINISTRATIVE PROVISIONS

Appropriations of the Southwestern Power Administration shall be available for purchase of not to exceed fifteen passenger motor vehicles for replacement only. Appropriations made herein to the Southwestern Power Administration shall be available in one fund, except that the appropriation herein made for operation and maintenance shall be available only for the service of the current fiscal year.

CONTINUING FUND, SOUTHWESTERN POWER ADMINISTRATION

Not to exceed \$1,000,000 shall be available during the current fiscal year from the continuing fund for all costs in connection with the purchase of electric power and energy and rentals for the use of transmission facilities.

COMMISSION OF FINE ARTS

SALARIES AND EXPENSES

36 Stat. 371.

For expenses made necessary by the Act establishing a Commission of Fine Arts (40 U. S. C. 104), including payment of actual traveling expenses of the members and secretary of the Commission in attending meetings and committee meetings of the Commission either within or outside the District of Columbia, to be disbursed on vouchers approved by the Commission, \$21,200.

BONNEVILLE POWER ADMINISTRATION

CONSTRUCTION

For construction and acquisition of transmission lines, substations, and appurtenant facilities, as authorized by law, to remain available until expended, \$66,523,400, of which \$4,096,400 is for liquidation of obligations incurred pursuant to authority previously granted.

OPERATION AND MAINTENANCE

For necessary expenses of operation and maintenance of the Bonneville transmission system and of marketing electric power and energy, \$6,600,000.

ADMINISTRATIVE PROVISIONS

Appropriations of the Bonneville Power Administration shall be available to carry out all the duties imposed upon the Administrator pursuant to law, including not to exceed \$75,000 for services as authorized by Section 15 of the Act of August 2, 1946 (5 U. S. C. 55a), including such services at rates not to exceed \$100 per diem for individuals; purchase of not to exceed twenty passenger motor vehicles (of which ten shall be for replacement only); and purchase (not to exceed one) of aircraft. Appropriations made herein to the Bonneville Power Administration shall be available in one fund, except that the appropriation herein made for operation and maintenance shall be available only for the service of the current fiscal year.

60 Stat. 810.

Not to exceed 12 per centum of the appropriation for construction herein made for the Bonneville Power Administration shall be available for construction work by force account or on a hired-labor basis, except in case of emergencies, local in character, so declared by the Bonneville Power Administrator.

Construction appropriations.

"The Bonneville Power Administrator", is hereby added after "the Commissioner of Reclamation", in subsection (a) of section 6 of the Act of October 15, 1949 (Public Law 359, Eighty-first Congress), as amended.

of a recreational director for the Menominee Reservation and a curator for the Osage Museum, each of whom shall be appointed with the approval of the respective tribal councils and without regard to the classification laws: *Provided*, That in addition to the amount appropriated herein, tribal funds may be advanced to Indian tribes during the current fiscal year for such purposes as may be designated by the governing body of the particular tribe involved and approved by the Secretary: *Provided, however*, That no part of this appropriation or other tribal funds shall be used for the acquisition of land or water rights within the States of Nevada, Oregon, Washington, and Wyoming, either inside or outside the boundaries of existing Indian reservations.

BUREAU OF RECLAMATION

43 USC 372 et
seq.

For carrying out the functions of the Bureau of Reclamation as provided in the Federal reclamation laws (Act of June 17, 1902, 32 Stat. 388, and Acts amendatory thereof or supplementary thereto) and other Acts applicable to that Bureau, as follows:

GENERAL INVESTIGATIONS

Reports.

For engineering and economic investigations of proposed Federal reclamation projects and studies of water conservation and development plans; engineering and economic investigations, as a basis for legislation, and for reports thereon to Congress, relating to projects for the development and utilization of the water resources of Alaska; formulating plans and preparing designs and specifications for authorized Federal reclamation projects or parts thereof prior to initial allocation of appropriations for construction of such projects or parts; and activities preliminary to the reconstruction, rehabilitation and betterment, financial adjustment, or extension of existing projects; to remain available until expended; \$4,000,000, of which \$3,200,000 shall be derived from the reclamation fund and \$500,000 shall be derived from the Colorado River development fund: *Provided*, That the expenditure of any sums from this appropriation for investigations of any nature requested by States, municipalities, or other interests shall be upon the basis of the State, municipality, or other interest advancing at least 50 per centum of the estimated cost of such investigations: *Provided further*, That, except as herein expressly provided with respect to investigations in Alaska, no part of this appropriation shall be expended in the conduct of activities which are not authorized by law.

CONSTRUCTION AND REHABILITATION

Restrictions.

For construction and rehabilitation of authorized reclamation projects or parts thereof (including power transmission facilities) and for other related activities, as authorized by law, to remain available until expended, \$177,797,991, of which \$49,155,000 shall be derived from the reclamation fund: *Provided*, That no part of this appropriation shall be available for other than the completion of field engineering, survey work, and preliminary designs of the Southwest Contra Costa County Water District System and no repayment contract shall be executed or construction begun until plans have been submitted to and approved by the Congress through its legislative and appropriation procedures, after submission of a report to the Congress by the Secretary of the Interior (1) on the cost and feasibility of said project, including the necessary distribution system and (2) on the rates required to be charged to the ultimate consumers:

Provided further, That no part of this appropriation shall be used to initiate the construction of transmission facilities within those areas covered by power wheeling service contracts which include provision for service to Federal establishments and preferred customers, except those transmission facilities for which construction funds have been heretofore appropriated, those facilities which are necessary to carry out the terms of such contracts or those facilities for which the Secretary of the Interior finds the wheeling agency is unable or unwilling to provide for the integration of Federal projects or for service to a Federal establishment or preferred customer:

Provided further, That in order to promote agreement among the States of Nebraska, Wyoming, and Colorado, and to avoid any possible alteration of existing vested water rights, no part of this or of any prior appropriation shall be used for construction or for further commitment for construction of the Glendo unit or any feature thereof, until a definite plan report thereon has been completed, reviewed by the States of Nebraska, Wyoming, and Colorado, and approved by Congress:

Provided further, That not to exceed \$1,419,000 of the appropriation herein made for "Construction and rehabilitation, Bureau of Reclamation" shall be expended for completion of construction of the Coachella division of the All-American Canal System, Boulder Canyon project in accordance with the terms and conditions of the appropriation for the same purpose contained in the Interior Department Appropriation Act, 1952:

Provided further, That not to exceed \$700,000 shall be available toward emergency rehabilitation of the Savage Rapids Dam to be repaid in full under conditions satisfactory to the Secretary of the Interior:

Provided further, That no part of this or any other appropriation shall be available for the initiation of construction under the terms of reclamation law of any dam or reservoir or water supply, or any tunnel, canal or conduit for water, or water distribution system related to such dam or reservoir until the Secretary shall certify to the Congress that an adequate soil survey and land classification has been made and that the lands to be irrigated are susceptible to the production of agricultural crops by means of irrigation: *Provided further*, That no part of this or prior appropriations shall be used for construction, nor for further commitments to construction of Moorhead Dam and Reservoir, Montana, or any feature thereof until a definite plan report thereon has been completed, reviewed by the States of Wyoming and Montana, and approved by the Congress.

65 Stat. 258.

OPERATION AND MAINTENANCE

For operation and maintenance of reclamation projects or parts thereof and of other facilities, as authorized by law; and for a soil and moisture conservation program on lands under the jurisdiction of the Bureau of Reclamation, pursuant to law, \$19,000,000, of which \$14,940,450 shall be derived from the reclamation fund and \$2,143,000 shall be derived from the Colorado River dam fund, including (notwithstanding the provisions of the First Deficiency Appropriation Act, 1944, relating thereto) operation and maintenance of Palo Verde Weir: *Provided*, That funds advanced for operation and maintenance of reclamation projects or parts thereof shall be deposited to the credit of this appropriation and may be expended for the same objects and in the same manner as sums appropriated herein may be expended, and the unexpended balances of such advances shall be credited to the appropriation for the next succeeding fiscal year.

58 Stat. 157.

GENERAL ADMINISTRATIVE EXPENSES

59 Stat. 54. For necessary expenses of general administration and related functions in the offices of the Commissioner of Reclamation and in the regional offices of the Bureau of Reclamation, \$5,250,000, to be derived from the reclamation fund and to be nonreimbursable pursuant to the Act of April 19, 1945 (43 U. S. C. 377): *Provided*, That no part of any other appropriation in this Act shall be available for activities or functions budgeted for the current fiscal year as general administrative expenses: *Provided further*, That not exceeding \$150,000 of funds available for expenditure under this appropriation shall be used for salaries and expenses in connection with information work.

EMERGENCY FUND

62 Stat. 1052. For an additional amount for the emergency fund as authorized by the Act of June 26, 1948 (43 U. S. C. 502), \$400,000, to be derived from the reclamation fund, special fund, and to remain available until expended for the purposes specified in said Act.

SPECIAL FUNDS

32 Stat. 388.
45 Stat. 1057.
54 Stat. 774. Sums herein referred to as being derived from the reclamation fund, the Colorado River dam fund, or the Colorado River development fund, are appropriated from the special funds in the Treasury created by the Act of June 17, 1902 (43 U. S. C. 391), the Act of December 21, 1928 (43 U. S. C. 617a), and the Act of July 19, 1940 (43 U. S. C. 618a), respectively. Such sums shall be transferred, upon request of the Secretary, to be merged with and expended under the heads herein specified; and the unexpended balances of sums transferred for expenditure under the heads "Operation and Maintenance" and "General Administrative Expenses" shall revert and be credited to the special fund from which derived.

ADMINISTRATIVE PROVISIONS

60 Stat. 810. Appropriations to the Bureau of Reclamation shall be available for purchase of not to exceed one hundred and fifty passenger motor vehicles for replacement only; not to exceed \$50,000 for services as authorized by section 15 of the Act of August 2, 1946 (5 U. S. C. 55a), including such services at rates for individuals not to exceed \$100 per day, when authorized by the Secretary; payment of claims for damage to or loss of property, personal injury, or death arising out of activities of the Bureau of Reclamation; payment, except as otherwise provided for, of compensation and expense of persons on the rolls of the Bureau of Reclamation appointed as authorized by law to represent the United States in the negotiation and administration of interstate compacts without reimbursement or return under the reclamation laws; rewards for information or evidence concerning violations of law involving property under the jurisdiction of the Bureau of Reclamation; performance of the functions specified under the head "Operation and Maintenance Administration", Bureau of Reclamation, in the Interior Department Appropriation Act, 1945; preparation and dissemination of useful information including recordings, photographs, and photographic prints; and studies of recreational uses of reservoir areas, and investigation and recovery of archeological and paleontological remains in such areas in the same manner as provided for in the Act of August 21, 1935 (16 U. S. C. 461-467): *Provided*, That no part of any appropriation made herein shall be available pursuant to the Act of April 19, 1945 (43 U. S. C. 377), for expenses other than those

incurred on behalf of specific reclamation projects except "General Administrative Expenses" and amounts provided for reconnaissance, basin surveys, and general engineering and research under the head "General Investigations."

Allotments to the Missouri River Basin project from the appropriation under the head "Construction and Rehabilitation" shall be available additionally for said project for those functions of the Bureau of Reclamation provided for under the head "General Investigations" (but this authorization shall not preclude use of the appropriation under said head within that area), and for the continuation of investigations by agencies of the Department on a general plan for the development of the Missouri River Basin. Such allotments may be expended through or in cooperation with State and other Federal agencies, and advances to such agencies are hereby authorized.

Missouri River
Basin project.

Sums appropriated herein which are expended in the performance of reimbursable functions of the Bureau of Reclamation shall be returnable to the extent and in the manner provided by law.

Any agency of the United States Government having title thereto is authorized to transfer to the Bureau of Reclamation, without reimbursement, parts, equipment and supplies for aircraft excess to its needs.

Transfer of air-
craft parts, etc.

No part of any appropriation for the Bureau of Reclamation, contained in this Act or in any prior Act, which represents amounts earned under the terms of a contract but remaining unpaid, shall be obligated for any other purpose, regardless of when such amounts are to be paid: *Provided*, That the incurring of any obligation prohibited by this paragraph shall be deemed a violation of section 665 of title 31 of the United States Code.

No funds appropriated to the Bureau of Reclamation for operation and maintenance, except those derived from advances by water users, shall be used for the particular benefit of lands (a) within the boundaries of an irrigation district, (b) of any member of a water users' organization, or (c) of any individual, when such district, organization, or individual is in arrears for more than twelve months in the payment of charges due under a contract entered into with the United States pursuant to laws administered by the Bureau of Reclamation.

Restrictions.

Not to exceed 12 per centum of the construction allotment made by the Bureau of Reclamation for any project from the appropriation "Construction and Rehabilitation" contained in this Act shall be available for construction work by force account or on a hired-labor basis; except that not to exceed \$225,000 may on approval of the Commissioner be expended for construction work by force account on any one project or Missouri Basin unit when the work is unsuitable for contract or when excessive bids are received; and except in cases of emergencies local in character, so declared by the Commissioner.

BUREAU OF MINES

CONSERVATION AND DEVELOPMENT OF MINERAL RESOURCES

For expenses necessary for promoting the conservation, exploration, development, production, and utilization of mineral resources, including fuels, in the United States, its Territories, and possessions; developing synthetics and substitutes; producing and distributing helium; and controlling fires in inactive coal deposits on public lands, and on private lands, with the consent of the owner; \$18,657,000: *Provided*, That the Secretary is hereby authorized and directed to make suitable arrangements with owners of private property or with a State or its subdivisions for payment of a sum equal to not less than one-half the amount of expenditure to be made for control or extinguishment of fires in inactive coal deposits from funds provided under the authorization of this Act except that expenditure of Federal funds for this purpose in any privately owned operating coal mine shall be limited to investigation and supervision.

Fire control.

HEALTH AND SAFETY

For expenses necessary for promotion of health and safety in mines and in the minerals industries, as authorized by law, \$4,080,000.

CONSTRUCTION

For construction and improvement of facilities under the jurisdiction of the Bureau of Mines, to remain available until expended, \$3,600,000, of which \$2,600,000 is for liquidation of obligations incurred pursuant to authority previously granted.

GENERAL ADMINISTRATIVE EXPENSES

For expenses necessary for general administration of the Bureau of Mines, including such expenses in the regional offices, \$1,278,000.

ADMINISTRATIVE PROVISIONS

Appropriations and funds available to the Bureau of Mines may be expended for purchase of not to exceed seventy-five passenger motor vehicles for replacement only; providing transportation services in isolated areas for employees, student dependents of employees, and other pupils, and such activities may be financed under cooperative arrangements; temporary and emergency contracts for personal services and employment of persons without regard to civil-service regulations as required in the conduct of programs for the control of fires in inactive coal deposits and flood prevention in anthracite mines; purchase and bestowal of certificates and trophies in connection with mine rescue and first-aid work: *Provided*, That the Secretary is authorized to accept lands, buildings, equipment and other contributions from public and private sources and to prosecute projects in cooperation with other agencies, Federal, State, or private: *Provided further*, That power produced in the operation of the power plant of the Bureau of Mines at Louisiana, Missouri, in excess of the Bureau's needs may be sold to non-Federal purchasers, but the expenses of the Bureau in the production and sale of such excess power shall not exceed the total amount of such sales, and expenditures for the production of excess power shall not be deemed a charge against the total appropriations authorized by the Synthetic Liquid Fuels Act, as amended: *Provided further*, That the sums made available for the current fiscal year to the Departments of the Army, Navy, and Air Force for the acquisition of helium from the Bureau of Mines shall be transferred to the Bureau of Mines, and said sums, together with all other payments to the Bureau of Mines for helium, shall be credited to the special helium production fund, established pursuant to the Act of March 3, 1925, as amended (50 U. S. C. 164 (c)): *Provided further*, That the Bureau of Mines is authorized, during the current fiscal year, to sell directly or through any Government agency, including corporations, any metal or mineral product that may be manufactured in pilot plants operated by the Bureau of Mines, and the proceeds of such sales shall be covered into the Treasury as miscellaneous receipts.

Informational and editorial functions.

SEC. 402. (a) No part of the money appropriated by this Act to any department, agency, or corporation or made available for expenditure by any department, agency, or corporation which is in excess of 90 per centum of the amount required to pay the compensation of all persons the budget estimates for personal services heretofore submitted to the Congress for the fiscal year 1953 contemplated would be employed by such department, agency, or corporation during such fiscal year in the performance of—

(1) function performed by a person designated as an information specialist, information and editorial specialist, publications and information coordinator, press relations officer or counsel, photographer, radio expert, television expert, motion picture expert, or publicity expert, or designated by any similar title, or

(2) functions performed by persons who assist persons performing the functions described in (1) in drafting, preparing, editing, typing, duplicating or disseminating public information, publications or releases, radio or television scripts, magazine articles, photographs, motion picture and similar material, shall be available to pay the compensation of persons performing the functions described in (1) or (2).

Exceptions.

(b) This section shall not apply to the preparation for publication of reports and maps resulting from authorized scientific and engineering investigations and surveys, to photography incident to the compilation and reproduction of maps and reports, or publications of the National Park Service, or to photocopying of permanent records for preservation.

Restriction on appointments.

SEC. 403. No part of any appropriation or authorization contained in this Act shall be used to pay the compensation of any incumbent appointed to any civil office or position which may become vacant during the fiscal year beginning on July 1, 1952: *Provided*, That this inhibition shall not apply to—

Nonapplicability.

- (a) not to exceed 25 per centum of all vacancies;
- (b) positions filled from within the department;
- (c) offices or positions required by law to be filled by appointment of the President and with the advice and consent of the Senate;

(d) positions the personnel of which are engaged in health and safety, law enforcement, soil and moisture, and activities in the field, exclusive of administrative personnel not directly connected with such activities;

(e) seasonal and casual workers;

(f) employees of the Bureau of Mines;

(g) employees of the Geological Survey;

(h) employees in grades CPC 1, 2, and 3;

(i) salaries and expenses, Office of the Secretary;

(j) employees paid wholly from trust funds, or funds derived by transfer from trust accounts, or to employees paid from appropriation of, or measured by, receipts:

Provided further, That when the total number of personnel subject to this section has been reduced to 90 per centum of the total provided for in the budget estimates, such limitation may cease to apply and said 90 per centum shall become a ceiling for employment during the fiscal year 1953, and if exceeded at any time during fiscal year 1953 this provision shall again become operative.

Ceiling for employment.

SEC. 404. (a) No appropriation or authorization contained in this Act shall be available to pay—

Restriction.

(1) for travel of personnel,

(2) for personal services of personnel above basic rates, or

(3) for transportation of things (other than mail), more than 90 per centum of the amount which the budget estimates heretofore submitted in connection with such appropriation or authorization contemplated would be expended therefrom for such purposes, respectively; and the total amount of each appropriation, any part of which is available for any such purpose, is hereby reduced by an amount equal to 10 per centum of the amount requested in such budget estimates for such purpose, less an amount representing the reduction, if any, between the amount requested for personal services in budget estimates and the amount appropriated herein for such services.

(b) This section shall not apply to appropriations for—

Nonapplicability.

(1) activities for health and safety, law enforcement, soil and moisture, and activities in the field, exclusive of administrative employees not directly connected with such activities;

(2) seasonal and casual workers;

(3) the Bureau of Mines;

(4) the Geological Survey;

(5) employees in grades CPC 1, 2, and 3;

(6) salaries and expenses, Office of the Secretary; and

(7) activities paid wholly from trust funds, or funds derived by transfer from trust accounts, or to activities paid from appropriations of, or measured by, receipts.

This Act may be cited as the "Interior Department Appropriation Act, 1953".
