

General, the Director of Central Intelligence, and of one member of the Atomic Energy Commission designated by that Commission, shall determine whether any person furnishing information to the United States is entitled to any award and the amount thereof to be paid pursuant to section 2. In determining whether any person furnishing information to the United States is entitled to an award and the amount of such award, the Board shall take into consideration—

(a) whether or not the information is of the type specified in section 2, and

(b) whether the person furnishing the information was an officer or employee of the United States and, if so, whether the furnishing of such information was in the line of duty of that person.

Any reward of \$50,000 or more shall be approved by the President.

SEC. 4. If the information leading to an award under section 3 is furnished by an alien, the Secretary of State, the Attorney General, and the Director of Central Intelligence, acting jointly, may determine that the entry of such alien into the United States is in the public interest and, in that event, such alien and the members of his immediate family may receive immigrant visas and may be admitted to the United States for permanent residence, notwithstanding the requirements of the Immigration and Nationality Act.

SEC. 5. The Board established under section 3 is authorized to hold such hearings and make, promulgate, issue, rescind, and amend such rules and regulations as may be necessary to carry out the purposes of this Act.

SEC. 6. Any awards granted under section 3 of this Act shall be certified by the Awards Board and, together with the approval of the President in those cases where such approval is required, transmitted to the Director of Central Intelligence for payment out of funds appropriated or available for the administration of the National Security Act of 1947, as amended.

SEC. 7. As used in this Act—

(a) The term "atomic energy" means all forms of energy released in the course of nuclear fission or nuclear transformation.

(b) The term "atomic weapon" means any device utilizing atomic energy, exclusive of the means for transporting or propelling the device (where such means is a separable and divisible part of the device), the principal purpose of which is for use as, or for development of, a weapon, a weapon prototype, or a weapon test device.

(c) The term "special nuclear material" means plutonium, or uranium enriched in the isotope 233 or in the isotope 235, or any other material which is found to be special nuclear material pursuant to the provisions of the Atomic Energy Act of 1954.

(d) The term "United States," when used in a geographical sense, includes Puerto Rico, all Territories and possessions of the United States and the Canal Zone; except that in section 4, the term "United States" when so used shall have the meaning given to it in the Immigration and Nationality Act.

Approved July 15, 1955.

CHAPTER 375

AN ACT

To amend the Act of July 31, 1947 (61 Stat. 681) and the mining laws to provide for multiple use of the surface of the same tracts of the public lands, and for other purposes.

July 23, 1955
[H. R. 5891]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 1 of the Act of July 31, 1947 (61 Stat. 681), is amended to read as follows:

Public lands.
43 USC 1185.

"SECTION 1. The Secretary, under such rules and regulations as he may prescribe, may dispose of mineral materials (including but not limited to common varieties of the following: sand, stone, gravel, pumice, pumicite, cinders, and clay) and vegetative materials (including but not limited to yucca, manzanita, mesquite, cactus, and timber or other forest products) on public lands of the United States, including, for the purposes of this Act, land described in the Acts of August 28, 1937 (50 Stat. 874), and of June 24, 1954 (68 Stat. 270), if the disposal of such mineral or vegetative materials (1) is not otherwise expressly authorized by law, including, but not limited to, the Act of June 28, 1934 (48 Stat. 1269), as amended, and the United States mining laws, and (2) is not expressly prohibited by laws of the United States, and (3) would not be detrimental to the public interest. Such materials may be disposed of only in accordance with the provisions of this Act and upon the payment of adequate compensation therefor, to be determined by the Secretary: *Provided, however,* That, to the extent not otherwise authorized by law, the Secretary is authorized in his discretion to permit any Federal, State, or Territorial agency, unit or subdivision, including municipalities, or any association or corporation not organized for profit, to take and remove, without charge, materials and resources subject to this Act, for use other than for commercial or industrial purposes or resale. Where the lands have been withdrawn in aid of a function of a Federal department or agency other than the department headed by the Secretary or of a State, Territory, county, municipality, water district or other local governmental subdivision or agency, the Secretary may make disposals under this Act only with the consent of such other Federal department or agency or of such State, Territory, or local governmental unit. Nothing in this Act shall be construed to apply to lands in any national park, or national monument or to any Indian lands, or lands set aside or held for the use or benefit of Indians, including lands over which jurisdiction has been transferred to the Department of the Interior by Executive order for the use of Indians. As used in this Act, the word "Secretary" means the Secretary of the Interior except that it means the Secretary of Agriculture where the lands involved are administered by him for national forest purposes or for the purposes of title III of the Bankhead-Jones Farm Tenant Act or where withdrawn for the purpose of any other function of the Department of Agriculture."
