42 USC 1973b.

SEC. 203. Section 4 of the Voting Rights Act of 1965 is amended by adding the following new subsection:

Language minorities.

"(f) (1) The Congress finds that voting discrimination against citizens of language minorities is pervasive and national in scope. Such minority citizens are from environments in which the dominant language is other than English. In addition they have been denied equal educational opportunities by State and local governments, resulting in severe disabilities and continuing illiteracy in the English language. The Congress further finds that, where State and local officials conduct elections only in English, language minority citizens are excluded from participating in the electoral process. In many areas of the country, this exclusion is aggravated by acts of physical, economic, and political intimidation. The Congress declares that, in order to enforce the guarantees of the fourteenth and fifteenth amendments to the United States Constitution, it is necessary to eliminate such discrimination by prohibiting English-only elections, and by prescribing other remedial devices.

42 USC 1973b.

"(2) No voting qualification or prerequisite to voting, or standard, practice, or procedure shall be imposed or applied by any State or political subdivision to deny or abridge the right of any citizen of the United States to vote because he is a member of a language minority group.

USC prec. title 1.

"(3) In addition to the meaning given the term under section 4(c), the term 'test or device' shall also mean any practice or requirement by which any State or political subdivision provided any registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots, only in the English language, where the Director of the Census determines that more than five per centum of the citizens of voting age residing

42 USC 1973b. in such State or political subdivision are members of a single language minority. With respect to section 4(b), the term 'test or device', as defined in this subsection, shall be employed only in making the determinations under the third sentence of that subsection.

"(4) Whenever any State or political subdivision subject to the prohibitions of the second sentence of section 4(a) provides any registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots, it shall provide them in the language of the applicable language minority group as well as in the English language: *Provided*, That where the language of the applicable minority group is oral or unwritten, the State or political subdivision is only required to furnish oral instructions, assistance, or other information relating to registration and voting."

42 USC 1973c. SEC. 204. Section 5 of the Voting Rights Act of 1965 is amended by inserting after "November 1, 1968," the following: "or whenever a State or political subdivision with respect to which the prohibitions set forth in section 4(a) based upon determinations made under the third sentence of section 4(b) are in effect shall enact or seek to administer any voting qualification or prerequisite to voting, or standard, practice, or procedure with respect to voting different from that in force or effect on November 1, 1972,".

42 USC 1973a, 1973d. SEC. 205. Sections 3 and 6 of the Voting Rights Act of 1965 are each amended by striking out "fifteenth amendment" each time it appears and inserting in lieu thereof "fourteenth or fifteenth amendment".

42 USC 1973-1973d, 1973k. SEC. 206. Sections 2, 3, the second paragraph of section 4(a), and sections 4(d), 5, 6, and 13 of the Voting Rights Act of 1965 are each amended by adding immediately after "on account of race or color" each time it appears the following: "or in contravention of the guarantees set forth in section 4(f) (2)".

"(3) The term 'language minorities' or 'language minority group' means persons who are American Indian, Asian American, Alaskan Natives or of Spanish heritage."

Severability. 42 USC 1973 note. SEC. 208. If any amendments made by this Act or the application of any provision thereof to any person or circumstance is judicially determined to be invalid, the remainder of the Voting Rights Act of 1965, or the application of such provision to other persons or circumstances shall not be affected by such determination.

TITLE III

42 USC 1973aa-1. SEC. 301. The Voting Rights Act of 1965 is amended by inserting the following new section immediately after section 202:

"BILINGUAL ELECTION REQUIREMENTS"

42 USC 1973aa-1a. "SEC. 203. (a) The Congress finds that, through the use of various practices and procedures, citizens of language minorities have been effectively excluded from participation in the electoral process. Among other factors, the denial of the right to vote of such minority group citizens is ordinarily directly related to the unequal educational

opportunities afforded them, resulting in high illiteracy and low voting participation. The Congress declares that, in order to enforce the guarantees of the fourteenth and fifteenth amendments to the United States Constitution, it is necessary to eliminate such discrimination by prohibiting these practices, and by prescribing other remedial devices.

USC prec. title 1.

“(b) Prior to August 6, 1985, no State or political subdivision shall provide registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots, only in the English language if the Director of the Census determines (i) that more than 5 percent of the citizens of voting age of such State or political subdivision are members of a single language minority and (ii) that the illiteracy rate of such persons as a group is higher than the national illiteracy rate: *Provided*, That the prohibitions of this subsection shall not apply in any political subdivision which has less than five percent voting age citizens of each language minority which comprises over five percent of the statewide population of voting age citizens. For purposes of this subsection, illiteracy means the failure to complete the fifth primary grade. The determinations of the Director of the Census under this subsection shall be effective upon publication in the Federal Register and shall not be subject to review in any court.

“(d) Any State or political subdivision subject to the prohibition of subsection (b) of this section, which seeks to provide English-only registration or voting materials or information, including ballots, may file an action against the United States in the United States District Court for a declaratory judgment permitting such provision. The court shall grant the requested relief if it determines that the illiteracy rate of the applicable language minority group within the State or political subdivision is equal to or less than the national illiteracy rate.
