"The Secretary shall, in making loans under this section, give priority to applications by low- and moderate-income persons who own the property to be rehabilitated and will occupy such property upon completion of the rehabilitation, including applications by condominiums and cooperatives in which the residents are principally of low and moderate income. For the purpose of the preceding sentence, the term 'low and moderate income' means income which does not exceed 95 per centum of the median income for the area.";

For loans to families with adjusted incomes above 80 per centum of the median income for the area, as determined by the Secretary, the Secretary may establish interest rates based on adjusted family income, ranging from above 3 per centum to a rate determined by the Secretary, but in no case may any such rate exceed the current average market yield on outstanding marketable securities of the United States with remaining periods to maturity comparable to the terms of loans made pursuant to this section, adjusted to the nearest one-eighth of 1 per centum. The Secretary may prescribe such other charges adequate in the judgment of the Secretary to cover administrative costs and possible losses under the program.";

(6) by adding at the end of subsection (d) the following: "Of the amounts available for loans under this section during the fiscal year beginning October 1, 1978, the Secretary may utilize not more than \$60,000,000 for rehabilitation loans for multifamily properties."; and

(7) by adding at the end thereof the following new subsection: "(i) The Secretary may not, after 270 days following the date of the enactment of this subsection, make any loan under this section with respect to any property unless the Secretary has determined that the improvements to such property, upon completion of the rehabilitation, will meet cost-effective energy conservation standards prescribed by the Secretary."

"(i) Rehabilitation loans under this section for multifamily properties shall be subject to the following additional limitations and conditions:

"(3) The Secretary shall enter into an agreement with the investor-owner of a multifamily property which is to be rehabilitated with a loan under this section to limit, for a period of at least five years, the increased rent caused by the rehabilitation.

"(4) The Secretary shall minimize involuntary displacement caused by rehabilitation loans under this section with respect to multifamily properties.

"(j) In conjunction with the annual report required under section 113(a) of the Housing and Community Development Act of 1974, the Secretary shall submit to the Congress a report on the rehabilitation loan program under this section. (2) meets such other requirements consistent with the purposes of this section as the Secretary may prescribe.

(d) No assistance may be made available under this section unless the Secretary has determined that—

(1) such assistance, when considered with other resources available to the project, is necessary and, in the determination of the Secretary, will restore or maintain the financial soundness of the project and maintain the low- and moderate-income character of the project;

(2) the assistance which could reasonably be expected to be provided over the useful life of the project will be less costly to the Federal Government than other reasonable alternatives by which the Secretary could maintain the low- and moderate-income character of the project;

(3) the owner of the project, together with the mortgagee in the case of a project not insured under the National Housing Act, has provided or has agreed to provide assistance to the project in such manner as the Secretary may determine;

(A) an amount determined by the Secretary to be necessary to correct deficiencies in the project which exist at the beginning of the first year with respect to which assistance is made available for the project under this section, which were caused by the deferral of regularly scheduled maintenance and repairs or the failure to make necessary and timely replacements of equipment and other components of the project, and for which payment has not previously been made;

(B) an amount determined by the Secretary to be necessary to maintain the low- and moderate-income character of the project by reducing deficiencies, which exist at the beginning of the first year with respect to which assistance is made available for the project under this section and for which payment has not previously been made, in the reserve funds established by the project owner for the purpose of replacing capital items; and

For purposes of computing estimated operating expenses of any such project with respect to any year, the Secretary shall include all estimated operating costs which the Secretary determines to be necessary and consistent with the management-improvement-and-operating plan for the project for such year, including, but not limited to, taxes, utilities, maintenance and repairs (except for maintenance and repairs which should have been performed in previous years), management, insurance, debt service, and payments made by the owner for the purpose of establishing or maintaining a reserve fund for replacement costs. The Secretary may not include in such estimated operating expenses any return on the equity investment of the owner in such project.

(4) Any assistance payments made pursuant to this section with respect to any project shall be made on an annual basis, payable at such intervals, but at least quarterly, as the Secretary may determine, and may be in any amount (which the Secretary determines to be consistent with the purpose of this section), except that the sum of such assistance payments for any year may not exceed the amount computed pursuant to paragraph (1) of this subsection. The Secretary shall review the operations of the project at the time of such payments to determine that such operations are consistent with the management-improvement-and-operating plan.

TENANT PARTICIPATION IN MULTIFAMILY HOUSING PROJECTS

12 USC
1715z-1b.

"Multifamily
housing project."

SEC. 202. (a) The purpose of this section is to recognize the importance and benefits of cooperation and participation of tenants in creating a suitable living environment in multifamily housing projects and in contributing to the successful operation of such projects, including their good physical condition, proper maintenance, security, energy efficiency, and control of operating costs. For the purpose of this section, the term "multifamily housing project" means a project which is eligible for assistance as described in section 201(c) of this Act.

(b) The Secretary shall assure that—

(1) where the Secretary's written approval is required with respect to an owner's action and the Secretary deems it appropriate, tenants have adequate notice of, reasonable access to relevant information about, and an opportunity to comment on such actions (and in the case of a project owned by the Secretary, any proposed disposition of the project) and that such comments are taken into consideration by the Secretary;

(2) project owners not interfere with the efforts of tenants to obtain rent subsidies or other public assistance;

(3) leases approved by the Secretary provide that tenants may not be evicted without good cause or without adequate notice of the reasons therefor and do not contain unreasonable terms and conditions; and

(4) project owners do not impede the reasonable efforts of resident tenant organizations to represent their members or the reasonable efforts of tenants to organize.

Regulations.

(c) The Secretary shall promulgate regulations to carry out the provisions of this section not later than 90 days after the date of enactment of this Act.

MANAGEMENT AND PRESERVATION OF HUD-OWNED MULTIFAMILY HOUSING PROJECTS

12 USC
1701z-11.

12 USC 1701.

SEC. 203. (a) It is the policy of the United States that the Secretary of Housing and Urban Development (hereinafter referred to as the "Secretary") shall manage and dispose of multifamily housing projects which are owned by the Secretary in a manner consistent with the National Housing Act and this section. The purpose of the property management and disposition program of the Department of Housing and Urban Development shall be to manage and dispose of projects in a manner which will protect the financial interests of the Federal Government and be less costly to the Federal Government

than other reasonable alternatives by which the Secretary can further the goals of—

- (1) preserving the housing units so that they can remain available to and affordable by low- and moderate-income families;
- (2) preserving and revitalizing residential neighborhoods;
- (3) maintaining the existing housing stock in a decent, safe, and sanitary condition;
- (4) minimizing the involuntary displacement of tenants; and
- (5) minimizing the need to demolish projects.

The Secretary, in determining the manner by which a project shall be managed or disposed of, may balance competing goals relating to individual projects in a manner which will further the achievement of the overall purpose of this section.

(b) The Secretary is authorized, in carrying out this section—

(1) to dispose of a multifamily housing project owned by the Secretary on a negotiated, competitive bid, or other basis, on such terms as the Secretary deems appropriate considering the low- and moderate-income character of the project and the requirements of subsection (a) of this section, to a purchaser determined by the Secretary to be capable of (A) satisfying the conditions of the disposition; (B) implementing a sound financial and physical management program; (C) responding to the needs of the tenants and working cooperatively with resident organizations; (D) providing adequate organizational, staff and financial resources to the project; and (E) meeting such other requirements as the Secretary may determine; and

(2) to contract for management services for a multifamily housing project, owned by the Secretary, on a negotiated, competitive bid, or other basis at a price determined by the Secretary to be reasonable, with a manager the Secretary has determined is capable of (A) implementing a sound financial and physical management program, (B) responding to the needs of the tenants and working cooperatively with resident organizations, (C) providing adequate organizational, staff, and other resources to implement a management program determined by the Secretary, and (D) meeting such other requirements as the Secretary may determine.

(c) Except where the Secretary has determined on a case-by-case basis that it would be clearly inappropriate, given the manner by which an individual project is to be managed or disposed of pursuant to subsection (a) of this section, the Secretary shall seek to—

(1) maintain all occupied multifamily housing projects owned by the Secretary in a decent, safe, and sanitary condition; and

(2) to the greatest extent possible, maintain full occupancy in all multifamily housing projects owned by the Secretary.

(d) (1) Whenever tenants will be displaced as a result of the disposition of, or repairs to, a multifamily housing project owned by the Secretary, the Secretary shall identify tenants who will be displaced, and shall notify all such tenants of their pending displacement and of any relocation assistance which may be available.

(2) The Secretary shall seek to assure the maximum opportunity for any such tenant—

(A) to return, whenever possible, to a repaired unit;

(B) to occupy a unit in another multifamily housing project owned by the Secretary;

(C) to obtain housing assistance under the United States Housing Act of 1937; or

Tenant
displacement,
notification.

42 USC 1437
note.

(D) to receive any other available relocation assistance as the Secretary determines to be appropriate.

(e) Notwithstanding any other provision of law, whenever the Secretary is requested to accept assignment of a mortgage insured by the Secretary which covers a multifamily housing project, and the Secretary determines that partial payment would be less costly to the Federal Government than other reasonable alternatives for maintaining the low- and moderate-income character of the project, the Secretary may request the mortgagee in lieu of assignment, to accept partial payment of the claim under the mortgage insurance contract and to recast the mortgage, under such terms and conditions as the Secretary may determine. As a condition to a partial claim payment under this section, the mortgagor shall agree to repay to the Secretary the amount of such payment and such obligation shall be secured by a second mortgage on the property on such terms and conditions as the Secretary may determine.

Public Housing
Security
Demonstration
Act of 1978.
12 USC 1701z-6
note.

(b) (1) The Congress finds that—

(A) low-income and elderly public housing residents of the Nation have suffered substantially from rising crime and violence, and are being threatened as a result of inadequate security arrangements for the prevention of physical violence, theft, burglary, and other crimes;

(B) older persons generally regard the fear of crime as the most serious problem in their lives, to the extent that one-fourth of all Americans over 65 voluntarily restrict their mobility because of it;

(C) crime and the fear of crime have led some residents to move from public housing projects;

(D) an integral part of successfully providing decent, safe, and sanitary dwellings for low-income persons is to insure that the housing is secure;

(E) local public housing authorities may have inadequate security arrangements for the prevention of crime and vandalism; and

(F) action is needed to provide for the security of public housing residents and to preserve the Nation's investment in its public housing stock.

(2) It is, therefore, declared to be the policy of the United States to provide for a demonstration and evaluation of effective means of mitigating crime and vandalism in public housing projects, in order to provide a safe living environment for the residents, particularly the elderly residents, of such projects.

(c) (1) The Secretary of Housing and Urban Development shall promptly initiate and carry out during the fiscal year beginning on October 1, 1978, to the extent approved in appropriation Acts, a pro-

gram for the development, demonstration, and evaluation of improved, innovative community anticrime and security methods, concepts and techniques which will mitigate the level of crime in public housing projects and their surrounding neighborhoods.

(2) In selecting public housing projects to receive assistance under this section, the Secretary shall assure that a broad spectrum of project types, locations and tenant populations are represented and shall consider at least the following: the extent of crime and vandalism currently existing in the projects; the extent, nature and quality of community anticrime efforts in the projects and surrounding areas; the extent, nature and quality of police and other protective services available to the projects and their tenants; the demand for public housing units in the locality, the vacancy rate, and extent of abandonment of such units; and the characteristics and needs of the public housing tenants.

(3) In selecting the anticrime and security methods, concepts and techniques to be demonstrated under this section, the Secretary shall consider the improvement of physical security equipment or dwelling units in those projects, social and environmental design improvements, tenant awareness and volunteer programs, tenant participation and employment in providing security services, and such other measures as deemed necessary or appropriate by the Secretary. Particular attention shall be given to comprehensive community anticrime and security plans submitted by public housing authorities which (i) provide for coordination between public housing management and local law enforcement officials, or (ii) coordinate resources available to the community through programs funded by the Law Enforcement Assistance Administration, the Department of Health, Education, and Welfare, the Department of Labor, the Community Services Administration, and ACTION, or other Federal or State agencies.

(4) In carrying out the provisions of this section, the Secretary shall coordinate and jointly target resources with other agencies, particularly the Law Enforcement Assistance Administration, the Department of Health, Education, and Welfare, the Department of Labor, the Community Services Administration, and ACTION.

(d) The Secretary shall initiate and carry out a survey of crime and vandalism existing in the Nation's public housing projects. The survey shall include the nature, extent and impact of crime and vandalism and the nature and extent of resources currently available and employed to alleviate crime and vandalism in public housing.

(e) The Secretary shall report to the Congress not later than eighteen months after the date of enactment of this Act. Such report shall include the results of the survey on crime and vandalism in public housing; findings from the demonstration and evaluation of various methods of reducing the level of crime; and legislative recommendations, if appropriate for (A) a comprehensive program to increase security in public housing projects and (B) increasing the coordination between anticrime programs of other State and Federal agencies that may be used by public housing authorities. Any recommendations shall include estimated costs of such programs.

(f) Of the additional authority approved in appropriation Acts with respect to entering into annual contributions contracts under section 5(c) of the United States Housing Act of 1937 for the fiscal year beginning on October 1, 1978, the Secretary may utilize up to \$12,000,000 of such authority in the fiscal year beginning on October 1, 1978, for the establishment of the public housing security demonstration program authorized by this section.

PAPERWORK REDUCTION

42 USC 3541.

SEC. 905. (a) The Congress finds and declares—

(1) that various departments, agencies, and instrumentalities of the Federal Government with responsibilities involving housing and housing finance programs, require, approve, use or otherwise employ a variety of different forms as residential mortgages (or deeds of trust or similar security instruments) as notes secured by those mortgages, and for applications, appraisals and other purposes, and that such duplication of forms constitutes a paperwork burden that adds to the costs imposed on the Nation's homeowners and home buyers;

(2) that unnecessary paperwork impairs the effectiveness of Federal housing and housing finance programs;

(3) that both single-family and multi-family programs are affected; and

(4) that simplification of paperwork imposed by Federal housing and housing finance programs would contribute to achieving the Nation's housing goals by reducing housing costs.

(b) (1) Insofar as it is practicable and to the extent permitted by law and to the extent that such action would result in a reduction in paperwork and regulatory burden, the Department of Housing and Urban Development and the Veterans' Administration shall employ in their respective programs—

(A) uniform single-family and multi-family note and mortgage forms;

(B) a uniform application form for mortgage approval and commitment for mortgage insurance;

(C) a uniform form for computation of the monthly net effective income of applicants;

(D) a uniform property appraisal form;

(E) a uniform settlement statement which shall satisfy the requirements of the Real Estate Settlement Procedures Act; and

(F) such other consolidated or simplified forms, the consolidation or simplification of which the Secretary of Housing and Urban Development and the Administrator of Veterans' Affairs mutually agree would contribute to a reduction in the paperwork and regulatory burden of housing and housing finance programs administered by the agencies.

(2) Each agency may employ riders, addenda, or similar forms of modification agreements to adapt such uniform forms to its respective programs and policies, consistent with the goals of minimizing the use and extent of such modification agreements and maximizing the suitability of such forms for the use of all participants, public and private.

(3) To the extent permitted by law, the President may require the Farmers Home Administration and the Administrator of the Farmers Home Administration to comply with the requirements of this section

if such compliance will contribute to a reduction in the paperwork and regulatory burden of housing and housing finance programs administered by the agency.

(c) The Director of the Office of Management and Budget shall coordinate and monitor the development and implementation by Federal departments and agencies of the efforts required by subsection (b) and shall report to the Congress on such development and implementation as part of each report required under Public Law 93-556.
