Each purchase of obligations by the Secretary of the Treasury under this subsection shall be on terms and conditions as shall be determined by the Secretary of the Treasury, taking into consideration the objectives that System institutions retain the ability to make credit available to eligible borrowers on reasonable terms and that banks of the System continue to have access to funds in the public financial markets.

31 USC 774.

"(b) The Farm Credit Administration promptly shall submit a copy of any certification made under subsection (a) to Congress, and the Secretary of the Treasury shall, not later than forty-five days after such certification is made, make known to the Congress and the Farm Credit Administration the Secretary's decision as to

"SEC. 4.28L. TAX STATUS OF CONSOLIDATED OBLIGATIONS.—Consolidated notes, bonds, debentures, or other obligations, the issuance of which is joined in by the Capital Corporation pursuant to paragraph (13) of section 4.28G, shall have the same tax status as provided by this Act with respect to such obligations issued by the banks.". preceding calendar year from institutions in the Farm Credit System to persons other than other such institutions.

"(e) The Farm Credit Administration shall require a bank or association to repay in whole or in part a temporary deposit or retire in whole or in part a temporary investment, made in such bank or association under this section, at such time as in the opinion of the Farm Credit Administration such bank or association has resources available therefor and the need for such temporary deposit or temporary investment is reduced or no longer exists.

Supra.

"PART C—ENFORCEMENT POWERS OF FARM CREDIT ADMINISTRATION

12 USC 2261.

"SEC. 5.25. CEASE AND DESIST PROCEEDINGS.—(a) If, in the opinion of the Farm Credit Administration, any institution in the Farm Credit System, or any director, officer, employee, agent, or other person participating in the conduct of the affairs of such an institution is engaging or has engaged, or the Farm Credit Administration has reasonable cause to believe that the institution or any director, officer, employee, agent, or other person participating in the conduct of the affairs of such institution is about to engage, in an unsafe or unsound practice in conducting the business of such institution, or is violating or has violated, or the Farm Credit Administration has reasonable cause to believe that the institution or any director, officer, employee, agent, or other person participating in the conduct of the affairs of such institution is about to violate, a law, rule, or regulation, or any condition imposed in writing by the Farm Credit Administration in connection with the granting of any application or other request by the institution or any written agreement entered into with the Farm Credit Administration, the Farm Credit Administration may issue and serve upon the institution or such director, officer, employee, agent, or other person a notice of charges in respect thereof. The notice shall contain a statement of the facts constituting the alleged violation or violations or the unsafe or unsound practice or practices, and shall fix a time and place at which a hearing will be held to determine whether an order to cease and desist therefrom should issue against the institution or the director, officer, employee, agent, or other person participating in the conduct of the affairs of such institution. Such hearing shall be fixed for a date not earlier than thirty days nor later than sixty days after service of such notice unless an earlier or a later date is set by the Farm Credit Administration at the request of any party so served. Unless the party or parties so served shall appear at the hearing personally or by a duly authorized representative, they shall be deemed to have consented to the issuance of the cease and desist order. In the event of such consent, or if upon the record made at any such hearing, the Farm Credit Administration shall find that any violation or unsafe or unsound practice specified in the notice of charges has been established, the Farm Credit Administration may

issue and serve upon the institution or the director, officer, employee, agent, or other person participating in the conduct of the affairs of such institution an order to cease and desist from any such violation or practice. Such order may, by provisions that may be mandatory or otherwise, require the institution or its directors, officers, employees, agents, and other persons participating in the conduct of the affairs of such institution to cease and desist from the same, and, further, to take affirmative action to correct the conditions resulting from any such violation or practice.

"(b) A cease and desist order shall become effective at the expiration of thirty days after the service of such order upon the institution or other person concerned (except in the case of a cease and desist order issued upon consent, which shall become effective at the time specified therein), and shall remain effective and enforceable as provided therein except to such extent as it is stayed, modified, terminated, or set aside by action of the Farm Credit Administration or a reviewing court. Effective date.

"SEC. 5.26. TEMPORARY CEASE AND DESIST ORDERS.—(a) Whenever the Farm Credit Administration shall determine that the violation or threatened violation or the unsafe or unsound practice or practices, specified in the notice of charges served upon the institution or any director, officer, employee, agent, or other person participating in the conduct of the affairs of such institution under section 5.25, or the continuation thereof, is likely to cause insolvency or substantial dissipation of assets or earnings of the institution, or is likely to seriously weaken the condition of the institution or otherwise seriously prejudice the interests of the investors in Farm Credit System obligations or shareholders in the institution prior to the completion of the proceedings conducted under section 5.25, the Farm Credit Administration may issue a temporary order requiring the institution or such director, officer, employee, agent, or other person to cease and desist from any such violation or practice and to take affirmative action to prevent such insolvency, dissipation, condition, or prejudice pending completion of such proceedings. Such order shall become effective upon service upon the institution or such director, officer, employee, agent, or other person participating in the conduct of the affairs of such institution and, unless set aside, limited, or suspended by a court in proceedings authorized by subsection (b), shall remain effective and enforceable pending the completion of the administrative proceedings pursuant to such notice and until such time as the Farm Credit Administration shall dismiss the charges specified in such notice, or if a cease and desist order is issued against the institution or such director, officer, employee, agent, or other person, until effective date of such order. 12 USC 2262. *Ante*, p. 1694.

"(b) Within ten days after the institution concerned or any director, officer, employee, agent, or other person participating in the conduct of the affairs of such institution has been served with a temporary cease and desist order, the institution or such director, officer, employee, agent, or other person may apply to the United States district court for the judicial district in which the home office of the institution is located, or the United States district court for the District of Columbia, for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of such order pending the completion of the administrative proceedings pursuant to the notice of charges served upon the institution or such director, officer, employee, agent, or other person under section 5.25, and such court shall have jurisdiction to issue such injunction.

12 USC 2263.

"SEC. 5.27. ENFORCEMENT OF TEMPORARY CEASE AND DESIST ORDERS.—In the case of violation or threatened violation of, or failure to obey, a temporary cease and desist order issued under section 5.26, the Farm Credit Administration may apply to the United States district court, or the United States court of any territory, within the jurisdiction of which the home office of the institution is located, for an injunction to enforce such order, and, if the court shall determine that there has been such violation or threatened violation or failure to obey, it shall be the duty of the court to issue such injunction.

Crimes and misdemeanors.
12 USC 2264.

"SEC. 5.28. SUSPENSION OR REMOVAL OF DIRECTOR OR OFFICER.—Whenever, in the opinion of the Farm Credit Administration, any director or officer of any institution in the Farm Credit System has committed any violation of law, rule, or regulation or of a cease and desist order that has become final, or has engaged or participated in any unsafe or unsound practice in connection with the institution, or has committed or engaged in any act, omission, or practice which constitutes a breach of a fiduciary duty as such director or officer, and the Farm Credit Administration determines that the institution has suffered or will probably suffer substantial financial loss or other damage or that the interests of its shareholders or investors in Farm Credit System obligations could be seriously prejudiced by reason of such violation or practice or breach of fiduciary duty, or that the director or officer has received financial gain by reason of such violation or practice or breach of fiduciary duty, and that such violation or practice or breach of fiduciary duty is one involving personal dishonesty on the part of such director or officer, or one that demonstrates a willful or continuing disregard for the safety or soundness of the System institution, the Farm Credit Administration may serve upon such director or officer a written notice of its intention to remove him from office.

"(b) Whenever, in the opinion of the Farm Credit Administration, any director or officer of an institution in the Farm Credit System, by conduct or practice with respect to another institution in the Farm Credit System or other business institution that resulted in substantial financial loss or other damage, has evidenced either his personal dishonesty or a willful or continuing disregard for its safety and soundness and, in addition, has evidenced his unfitness to continue as a director or officer, and whenever, in the opinion of the Farm Credit Administration, any other person participating in the conduct of the affairs of an institution in the Farm Credit System, by the conduct or practice with respect to such institution or other institution in the Farm Credit System or other business institution that resulted in substantial financial loss or other damage, has evidenced either personal dishonesty or a willful or continuing disregard for its safety and soundness and, in addition, has evidenced his unfitness to participate in the conduct of the affairs of such institution, the Farm Credit Administration may serve upon such director, officer, or other person a written notice of its intention to remove that director, officer, or other person from office or to prohibit his further participation in any manner in the conduct of the affairs of the institution.

"(c) In respect to any director or officer of an institution in the Farm Credit System or any other person referred to in subsection (a) or (b) of this section, the Farm Credit Administration may, if it deems it necessary for the protection of the institution or the interests of its shareholders and the investors in the Farm Credit

System obligations, by written notice to such effect served upon such director, officer, or other person, suspend such director, officer, or other person from office or prohibit such director, officer, or other person from further participation in any manner in the conduct of the affairs of the institution. Such suspension or prohibition shall become effective upon service of such notice and, unless stayed by a court in proceedings authorized by subsection (e) of this section, shall remain in effect pending the completion of the administrative proceedings pursuant to the notice served under subsection (a) or (b) and until such time as the Farm Credit Administration shall dismiss the charges specified in such notice, or, if an order of removal or prohibition is issued against the director or officer or other person, until the effective date of any such order. Copies of any such notice shall also be served upon the institution of which the person is a director or officer or in the conduct of whose affairs the person has participated.

"(d) A notice of intention to remove a director, officer, or other person from office or to prohibit such director's, officer's, or other person's participation in the conduct of the affairs of an institution in the Farm Credit System, shall contain a statement of the facts constituting grounds therefor, and shall fix a time and place at which a hearing will be held thereon. Such hearing shall be fixed for a date not earlier than thirty days nor later than sixty days after the date of service of such notice, unless an earlier or a later date is set by the Farm Credit Administration at the request of (1) such director or officer or other person, and for good cause shown, or (2) the Attorney General of the United States. Unless such director, officer, or other person shall appear at the hearing in person or by a duly authorized representative, such director, officer, or other person shall be deemed to have consented to the issuance of an order of such removal or prohibition. In the event of such consent, or if upon the record made at any such hearing the Farm Credit Administration shall find that any of the grounds specified in such notice have been established, the Farm Credit Administration may issue such orders of suspension or removal from office, or prohibition from participation in the conduct of the affairs of the institution, as it may deem appropriate. A copy of an order issued under this subsection shall be served upon the institution concerned. Any such order shall become effective at the expiration of thirty days after service upon such institution and the director, officer, or other person concerned (except in the case of an order issued upon consent, which shall become effective at the time specified therein). Such order shall remain effective and enforceable except to such extent as it is stayed, modified, terminated, or set aside by action of the agency or a reviewing court.

"(e) Within ten days after any director, officer, or other person has been suspended from office or prohibited from participation in the conduct of the affairs of a System institution under subsection (d)(3) of this section, such director, officer, or other person may apply to the United States district court for the judicial district in which the home office of the institution is located, or the United States district court for the District of Columbia, for a stay of either such suspension or prohibition, or both, pending the completion of the administrative proceedings pursuant to the notice served upon such director, officer, or other person under subsection (a) or (b), and such court shall have jurisdiction to stay either such suspension or prohibition, or both.

12 USC 2265.

"SEC. 5.29. SUSPENSION OR REMOVAL OF DIRECTOR OR OFFICER CHARGED WITH FELONY.—(a) Whenever any director or officer of an institution in the Farm Credit System, or other person participating in the conduct of the affairs of such institution, is charged in any information, indictment, or complaint authorized by a United States attorney, with the commission of or participation in a crime involving dishonesty or breach of trust that is punishable by imprisonment for a term exceeding one year under State or Federal law, the Farm Credit Administration may, if continued service or participation by the individual may pose a threat to the interest of the institution's shareholders or the investors in the Farm Credit System obligations or may threaten to impair public confidence in the institution or Farm Credit System, by written notice served upon such director, officer, or other person, suspend such director, officer, or other person from office or prohibit such director, officer, or other person from further participation in any manner in the conduct of the affairs of the institution. A copy of such notice shall also be served upon the institution. Such suspension or prohibition shall remain in effect until such information, indictment, or complaint is finally disposed of or until terminated by the Farm Credit Administration. In the event that a judgment of conviction with respect to such crime is entered against such director, officer, or other person, and at such time as such judgment is not subject to further appellate review, the Farm Credit Administration may, if continued service or participation by the individual may pose a threat to the interests of the institution's shareholders or the investors in Farm Credit System obligations or may threaten to impair public confidence in the institution or the Farm Credit System, issue and serve upon such director, officer, or other person an order removing such director, officer, or other person from office or prohibiting such director, officer, or other person from further participation in any manner in the conduct of the affairs of the institution except with the consent of the Farm Credit Administration. A copy of such order shall also be served upon such institution, whereupon such director or officer shall cease to be a director or officer of such institution. A finding of not guilty or other disposition of the charge shall not preclude the Farm Credit Administration from thereafter instituting proceedings to remove such director, officer, or other person from office or to prohibit further participation in Farm Credit System affairs under section 5.28. Any notice of suspension or order of removal issued under this paragraph shall remain effective and outstanding until the completion of any hearing or appeal authorized under subsection (b) unless terminated by the Farm Credit Administration.

Ante, p. 1696.

"(b) Within thirty days from service of any notice of suspension or order of removal issued under subsection (a), the director, officer, or other person concerned may request in writing an opportunity to appear before the Farm Credit Administration to show that the continued service to or participation in the conduct of the affairs of the institution by such individual does not, or is not likely to, pose a threat to the interest in Farm Credit System obligations. Upon receipt of any such request, the Farm Credit Administration shall fix a time (not more than thirty days after receipt of such request, unless extended at the request of the concerned director, officer, or other person) and place at which the director, officer, or other person may appear, personally or through counsel, before the Chairman of the Farm Credit Administration or designated employees of

the Farm Credit Administration to submit written materials (or, at the discretion of the Farm Credit Administration, oral testimony) and oral argument. Within sixty days of such hearing, the Farm Credit Administration shall notify the director, officer, or other person whether the suspension or prohibition from participation in any manner in the conduct of the affairs of the institution will be continued, terminated, or otherwise modified, or whether the order removing such director, officer, or other person from office or prohibiting such individual from further participation in any manner in the conduct of the affairs of the institution will be rescinded or otherwise modified. Such notification shall contain a statement of the basis for the Farm Credit Administration's decision, if adverse to the director, officer, or other person. The Farm Credit Administration may prescribe such rules as may be necessary to effectuate the purposes of this subsection.

"SEC. 5.30. HEARINGS AND JUDICIAL REVIEW.—(a) Any hearing provided for in this part (other than the hearing provided for in section 5.29) shall be held in the Federal judicial district or in the territory in which the home office of the institution is located unless the party afforded the hearing consents to another place, and shall be conducted in accordance with the provisions of chapter 5 of title 5 of the United States Code. Such hearing shall be private, unless the Farm Credit Administration, in its discretion, after fully considering the views of the party afforded the hearing, determines that a public hearing is necessary to protect the public interest. After such hearing, and within ninety days after the Farm Credit Administration has notified the parties that the case has been submitted to it for final decision, it shall render its decision (which shall include findings of fact upon which its decision is predicated) and shall issue and serve upon each party to the proceeding an order or orders consistent with the provisions of this part. Judicial review of any such order shall be exclusively as provided in this subsection (g). Unless a petition for review is timely filed in a court of appeals of the United States, as hereinafter provided in subsection (b), and thereafter until the record in the proceeding has been filed as so provided, the Farm Credit Administration may at any time, upon such notice and in such manner as it shall deem proper, modify, terminate, or set aside any such order. Upon such filing of the record, the Farm Credit Administration may modify, terminate, or set aside any such order with permission of the court.

A copy of such petition shall be forthwith transmitted by the clerk of the court to the Farm Credit Administration, and thereupon the Farm Credit Administration shall file in the court the record in the proceeding, as provided in section 2112 of title 28 of the United States Code. Upon the filing of such petition, such court shall have jurisdiction, which upon the
