“(3) During annual physical examinations.”

DEFENSE WOMEN'S HEALTH RESEARCH PROGRAM

Pub. L. 103-337, div. A, title II, §241, Oct. 5, 1994, 108 Stat. 2701, provided for the continuance of the Defense Women's Health Research Program established pursuant to the authority in section 251 of the National Defense Authorization Act for Fiscal Year 1994 (Public Law 103-160; 107 Stat. 1606, formerly set out below) and appropriated funds to the program for fiscal year 1995.

Pub. L. 103-160, div. A, title II, §251, Nov. 30, 1993, 107 Stat. 1606, authorized the Secretary of Defense to establish a Defense Women's Health Research Center to serve as the coordinating agent for multidisciplinary and multi-institutional research within the Department of Defense on women's health issues related to service in the Armed Forces and required the Secretary to report to Congress on the decision to establish the Center no later than May 1, 1994.

REPORT ON PROVISION OF PRIMARY AND PREVENTATIVE HEALTH CARE SERVICES FOR WOMEN

Pub. L. 103-160, div. A, title VII, §735, Nov. 30, 1993, 107 Stat. 1698, directed the Secretary of Defense to prepare a report evaluating the provision of primary and preventive health care services through military medical treatment facilities and the Civilian Health and Medical Program of the Uniformed Services to female members of the uniformed services and female covered beneficiaries eligible for health care under this chapter, and directed the Secretary, as part of such report, to conduct a study to determine the health care needs of female members and female covered beneficiaries, and to submit such report to Congress not later than Oct. 1, 1994, and a revised report not later than Oct. 1, 1999.

§ 1074e. Medical care: certain Reserves who served in Southwest Asia during the Persian Gulf Conflict

(a) ENTITLEMENT TO MEDICAL CARE.—A member of the armed forces described in subsection (b) is entitled to medical care for a qualifying Persian Gulf symptom or illness to the same extent and under the same conditions (other than the requirement that the member be on active duty) as a member of a uniformed service who is entitled to such care under section 1074(a) of this title.

(b) COVERED MEMBERS.—Subsection (a) applies to a member of a reserve component who—

- (1) is a Persian Gulf veteran;
- (2) has a qualifying Persian Gulf symptom or illness; and
- (3) is not otherwise entitled to medical care for such symptom or illness under this chapter and is not otherwise eligible for hospital care and medical services for such symptom or illness under section 1710 of title 38.

(c) DEFINITIONS.—In this section:

- (1) The term “Persian Gulf veteran” means a member of the armed forces who served on active duty in the Southwest Asia theater of operations during the Persian Gulf Conflict.
- (2) The term “qualifying Persian Gulf symptom or illness” means, with respect to a member described in subsection (b), a symptom or illness—

(A) that the member registered before September 1, 1997, in the Comprehensive Clinical Evaluation Program of the Department of Defense and that is presumed under section

721(d) of the National Defense Authorization Act for Fiscal Year 1995 (10 U.S.C. 1074 note) to be a result of service in the Southwest Asia theater of operations during the Persian Gulf Conflict; or

(B) that the member registered before September 1, 1997, in the Persian Gulf War Veterans Health Registry maintained by the Department of Veterans Affairs pursuant to section 702 of the Persian Gulf War Veterans' Health Status Act (38 U.S.C. 527 note).

(Added Pub. L. 105-85, div. A, title VII, §764(a), Nov. 18, 1997, 111 Stat. 1825.)

REFERENCES IN TEXT

Section 721(d) of the National Defense Authorization Act for Fiscal Year 1995, referred to in subsec. (c)(2)(A), is section 721(d) of Pub. L. 103-337, which is set out as a note under section 1074 of this title.

Section 702 of the Persian Gulf War Veterans' Health Status Act, referred to in subsec. (c)(2)(B), is section 702 of Pub. L. 102-585, which is set out as a note under section 527 of Title 38, Veterans' Benefits.

§ 1074f. Medical tracking system for members deployed overseas

(a) SYSTEM REQUIRED.—The Secretary of Defense shall establish a system to assess the medical condition of members of the armed forces (including members of the reserve components) who are deployed outside the United States or its territories or possessions as part of a contingency operation (including a humanitarian operation, peacekeeping operation, or similar operation) or combat operation.

(b) ELEMENTS OF SYSTEM.—(1)(A) The system described in subsection (a) shall include the use of predeployment medical examinations and postdeployment medical examinations (including the assessment of mental health and the drawing of blood samples) and postdeployment health reassessments to—

- (i) accurately record the health status of members before their deployment;
- (ii) accurately record any changes in their health status during the course of their deployment;
- (iii) identify health concerns, including mental health concerns, that may become manifest several months following their deployment; and
- (iv) accurately record any exposure to occupational and environmental health risks during the course of their deployment.

(B) The postdeployment medical examination shall be conducted when the member is redeployed or otherwise leaves an area in which the system is in operation (or as soon as possible thereafter).

(C) The postdeployment health reassessment shall be conducted at an appropriate time during the period beginning 90 days after the member is redeployed and ending 180 days after the member is redeployed.

(2) The predeployment medical examination, postdeployment medical examination, and postdeployment health reassessment of a member of the armed forces required under paragraph (1) shall include the following:
