(2) In making a determination described in paragraph (1), the Secretary concerned may utilize in lieu of the schedule described in that paragraph such criteria as the Secretary of Defense and the Secretary of Veterans Affairs may jointly prescribe for purposes of this subsection if the utilization of such criteria will result in a determination of a greater percentage of dis-

ability than would be otherwise determined through the utilization of the schedule.

(b) CONSIDERATION OF ALL MEDICAL CONDITIONS.—In making a determination of the rating of disability of a member of the armed forces for purposes of this chapter, the Secretary concerned shall take into account all medical conditions, whether individually or collectively, that render the member unfit to perform the duties of the member’s office, grade, rank, or rating.

HISTORICAL AND REVISION NOTES
1956 ACT

Revised section	Source (U.S. Code)	Source (Statutes at Large)
1217	[No source].	[No source].

The revised section is inserted to reflect the limited definition of the word “member” in section 102(b) of the Career Compensation Act of 1949 (37 U.S.C. 231(b)).

1958 ACT

Aviation cadets were omitted from chapter 61 because Title IV of the Career Compensation Act of 1949 (formerly 37 U.S.C. 271 et seq.), which was the source law for this chapter, covered only members entitled to basic pay and it was believed that aviation cadets were not so entitled. However, the Comptroller General has ruled that aviation cadets are entitled to basic pay (30 Comp. Gen. 431). Accordingly, aviation cadets were covered by Title IV and should not be excepted from chapter 61.
