§ 2679. Installation-support services: intergovernmental support agreements

(a) IN GENERAL.—(1) Notwithstanding any other provision of law governing the award of Federal Government contracts for goods and services, the Secretary concerned may enter into an intergovernmental support agreement, on a sole source basis, with a State, local, or tribal government to provide, receive, or share installation-support services if the Secretary determines that the agreement will serve the best interests of the department by enhancing mission effectiveness or creating efficiencies or economies of scale, including by reducing costs.

(2) An intergovernmental support agreement under paragraph (1)—

(A) may be for a term not to exceed ten years; and

(B) may use, for installation-support services provided by a State, local, or tribal government, wage grades normally paid by that State, local, or tribal government.

(3) An intergovernmental support agreement under paragraph (1) may only be used when the Secretary concerned or the State, local, or tribal government, as the case may be, providing the installation-support services already provides such services for its own use.

(4) Any contract for the provision of installation-support services awarded by the Federal Government or a State, local, or tribal government pursuant to an intergovernmental support agreement provided in subsection (a) shall be awarded on a competitive basis.

The costs of agreements under this section for any fiscal year may be paid using annual appropriations made available for that year. Funds received by the Secretary as reimbursement for providing installation-support services pursuant to such an agreement shall be credited to the appropriation or account charged with providing installation support.

(d) EFFECT ON OMB CIRCULAR A-76.—The Secretary concerned shall ensure that intergovernmental support agreements authorized by this section are not used to circumvent the requirements of Office of Management and Budget Circular A-76 regarding public-private competitions.

(e) PILOT PROGRAM FOR USE OF COST SAVINGS REALIZED.—(1) Each Secretary concerned shall conduct a pilot program under which the Secretary will make available to the commander of each military installation for which cost savings are realized as a result of an intergovernmental support agreement entered into under this section an amount equal to not less than 25 percent of the amount of such cost savings for that military installation for a fiscal year.

(2) Amounts made available to an installation commander under paragraph (1) shall be used solely to address sustainment restoration and modernization requirements that have been approved by the major subordinate command or equivalent component.

(3) With respect to each military installation for which amounts are made available to the installation commander under paragraph (1), the Secretary concerned shall certify, not less frequently than annually for each fiscal year of the pilot program, to the congressional defense committees the following:
