

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the National Emergencies Act (50 U.S.C. 1601 *et seq.*), and section 301 of title 3, United States Code, I declared a national emergency that requires the use of the Armed Forces of the United States, by Proclamation 7463 of September 14, 2001 [50 U.S.C. 1621 note], because of the terrorist attacks on the World Trade Center and the Pentagon, and because of the continuing and immediate threat to the national security of the United States of further terrorist attacks. To provide additional authority to the Department of Defense to respond to that threat, and in accordance with section 301 of the National Emergencies Act (50 U.S.C. 1631), I hereby order that the emergency construction authority at 10 U.S.C. 2808 is invoked and made available in accordance with its terms to the Secretary of Defense and, at the discretion of the Secretary of Defense, to the Secretaries of the military departments.

GEORGE W. BUSH.

(c) CONDITIONS ON OBLIGATION OF FUNDS.—A contract entered into for a project pursuant to subsection (a) shall include the following provisions:

(1) A statement that the obligation of the United States to make payments under the contract in any fiscal year is subject to appropriations being provided specifically for that fiscal year and specifically for that project.

(2) A commitment to obligate the necessary amount for each fiscal year covered by the contract when and to the extent that funds are appropriated for that project for that fiscal year.

(3) A statement that such a commitment given under the authority of this section does

not constitute an obligation of the United States.

(d) COMPETITIVE PROCEDURES.—Each contract entered into under this section shall be awarded through the use of competitive procedures as provided in chapter 137¹ of this title. In accordance with such procedures, the Secretary concerned shall solicit bids or proposals for a contract for each project that has been authorized by law.
