(I) such offeror is a nontraditional defense contractor (as defined in section 3014 of this title);

(II) the prices to be submitted are prices that were paid for the same goods and services as such covered goods and services; and

(III) the price of such subcontract is not expected to exceed \$5,000,000.

(ii) The submission of prices paid under clause (i) by an offereor¹ with respect to a subcontract shall be deemed to be the submission of cost or pricing data by such offeror with respect to such subcontract as required by subparagraph (A) if a contracting officer of the Department of Defense determines that the prices submitted under such clause are fair and reasonable based on supported cost or pricing data within the last 12 months.

(iii) In this subparagraph, the term “covered goods and services” means, with respect to an offeror for a subcontract (at any tier), the goods and services such offeror would provide under such subcontract.

(e) SUBCONTRACTS NOT AFFECTED BY WAIVER.—A waiver of requirements for submission of certified cost or pricing data that is granted under section 3703(a)(3) of this title in the case of a contract or subcontract does not waive the requirement under subsection (a)(3) for submission of cost or pricing data in the case of subcontracts under that contract or subcontract unless the head of the procuring activity granting the waiver determines that the requirement under that subsection should be waived in the case of such subcontracts and justifies in writing the reasons for the determination.

(c) NONCOMMERCIAL MODIFICATIONS OF COMMERCIAL PRODUCTS.—(1) The exception in subsection (a)(2) does not apply to cost or pricing data on noncommercial modifications of a commercial product that are expected to cost, in the aggregate, more than the amount specified in section 3702(a)(1)(A) of this title, as adjusted from time to time under section 3702(g) of this title, or 5 percent of the total price of the contract (at the time of contract award), whichever is greater.

(2) In this subsection, the term “noncommercial modification”, with respect to a commercial product, means a modification of such product that is not a modification described in section 103(3)(A) of title 41.

(3) Nothing in paragraph (1) shall be construed—

(A) to limit the applicability of the exception in paragraph (1) or (3) of subsection (a) to cost or pricing data on a noncommercial modification of a commercial product; or

(B) to require the submission of cost or pricing data on any aspect of an acquisition of a commercial product other than the cost and pricing of noncommercial modifications of such product.

(d) COMMERCIAL PRODUCT OR COMMERCIAL SERVICE DETERMINATION.—(1) For purposes of applying the exception under subsection (a)(2) to the required submission of certified cost or pricing data, the contracting officer may presume that a prior commercial product or commercial service determination made by a military department, a Defense Agency, or another component of the Department of Defense shall serve as a determination for subsequent procurements of such product or service.

(2) If the contracting officer does not make the presumption described in paragraph (1) and instead chooses to proceed with a procurement of a product or service previously determined to be a commercial product or a commercial service using procedures other than the procedures authorized for the procurement of a commercial product or a commercial service, as the case may be, the contracting officer shall request a review of the commercial product or commercial service determination by the head of the contracting activity.

(3) Not later than 30 days after receiving a request for review of a determination under paragraph (2), the head of a contracting activity shall—

(A) confirm that the prior determination was appropriate and still applicable; or

(B) issue a revised determination with a written explanation of the basis for the revision.

(e) A contracting officer shall consider evidence provided by an offeror of recent purchase prices paid by the Government for the same or similar commercial products or commercial services in establishing price reasonableness on a subsequent purchase if the contracting officer is satisfied that the prices previously paid remain a valid reference for comparison after considering the totality of other relevant factors such as the time elapsed since the prior purchase and any differences in the quantities purchased or applicable terms and conditions.

(f) DETERMINATION BY PRIME CONTRACTOR.—A prime contractor required to submit certified cost or pricing data under section 3702 of this title with respect to a prime contract shall be responsible for determining whether a subcontract under such contract qualifies for an exception under subsection (a)(1) from such requirement.
