

officers of any category in any grade in the Navy, the existence of every grade in the several staff corps and in the Naval Reserve is recognized, and the restriction of these grades to the active list of the line is removed.

The grade of Fleet Admiral is omitted inasmuch as the law authorizing appointments in this grade was limited.

In subsection (a) the words “above the grade of chief warrant officer, W-4” are inserted for clarity.

Subsection (c) is added to make clear the fact that an officer serving in a position, such as chief of bureau, which entitles him to the rank, pay, and allowances of a rear admiral of the upper half ranks rear admirals receiving the pay and allowances of the lower half even though he has not been appointed to the grade of rear admiral or, if so appointed, is in the lower half. A statement of this fact is necessary to give full effect to 5 U.S.C. 441 which provides that chiefs of bureaus of the Navy Department and the Judge Advocate General of the Navy, while so serving, shall have “corresponding rank and shall receive the same pay and allowances * * * as * * * chiefs of bureaus of the War Department and the Judge Advocate General of the Army”. The rank so conferred, corresponding to the Army rank of major general, is rear admiral of the upper half. In §§5133 and 5148 of this title, based on 5 U.S.C. 441, the reference to the Army rank is eliminated and the corresponding Navy rank is substituted. The substitution is made because, as stated in the revision notes on those sections, the creation of the Department of the Air Force and the reorganization of the Department of the Army make it impracticable to continue to relate Navy Department positions to former War Department positions. This treatment of 5 U.S.C. 441 does not, however, completely cover the question of the rank, in relation to other officers in the Navy and other services, of a captain or rear admiral of the lower half who by virtue of his position becomes entitled to the rank, pay, and allowances of a rear admiral of the upper half. Under 34 U.S.C. 241a officers holding *commissions* in the grade of rear admiral rank with major generals if entitled to the pay of the upper half and with brigadier generals if entitled to the pay of the lower half. Under 5 U.S.C. 441 bureau chiefs and the Judge Advocate General rank with major generals regardless of the grade in which they hold commissions and, therefore, also rank all officers of the Navy who are ranked by major generals. This fact, obscured by the substitution of Navy rank in the codification of 5 U.S.C. 441, is set out in subsection (c).

This section is included in subtitle C for completeness and clarity. In duplicates, in part, §§555 and 597 of this title, which cover, respectively, the “permanent regular warrant officer grades” and the “permanent reserve warrant officer grades” in the armed forces. The concept that regular grades differ from reserve grades and that a grade held under a permanent appointment differs from the grade of the same name held under a temporary appointment is foreign to the naval service. In the Navy and the Marine Corps, all officers serving, for example, in the grade of chief warrant officer, W-4, are considered to be serving in the same grade regardless of whether they are Regulars or Reserves and regardless of whether they are temporary or permanent officers holding temporary or permanent appointments in that grade. This section, therefore, lists the four warrant officer grades as applicable to all warrant officers of the naval service.

Reference to the pay grades corresponding to the military grades is omitted as unnecessary for the purpose of this section.

§ 8118. Rank of line and staff corps officers of the Navy and officers of the Marine Corps

Except for an officer entitled to a rank higher than his grade, line and staff corps officers of the Navy serving in the same grade and officers of the Marine Corps serving in the corresponding grade rank among themselves according to their respective dates of rank in grade whether or not they are on an active-duty list.

The word “rank” is substituted for the words “take precedence” throughout the section for uniformity of expression.

In subsection (a) the first sentence is broadened to include officers of the Marine Corps and officers not on a lineal list. Inclusion of the Marine Corps is possible because the sentence reflects the rule referred to by the Attorney General (25 Op. Atty. Gen. 517) as “an unwritten law of the Army and Navy” as to relative rank between officers in different services. Officers not on a lineal list may properly be included since the statement is consistent with the provisions for assigning lineal position to such officers when they become entitled to be placed on a list.
