“(5) If the Moab site is sold after the date on which the Secretary of Energy completes the remedial action under paragraph (1), the seller shall pay to the Secretary of Energy, for deposit in the general fund of the Treasury, the portion of the sale price that the Secretary determines resulted from the enhancement of the value of the Moab site as a result of the remedial action. The enhanced value of the Moab site shall be equal to the difference between—

“(A) the fair market value of the Moab site on the date of the enactment of the Floyd D. Spence National Defense Authorization Act for Fiscal Year 2001 [Oct. 30, 2000], based on information available on that date; and

“(B) the fair market value of the Moab site, as appraised on completion of the remedial action.

“(6)(A) Not later than October 1, 2019, the Secretary of Energy shall complete remediation at the Moab site and removal of the tailings to the Crescent Junction site in Utah.

“(B) In the event the Secretary of Energy is unable to complete remediation at the Moab Site by October 1, 2019, the Secretary shall submit to Congress a plan setting forth the projected completion date and the estimated funding to meet the revised date. “(5) The term ‘Secretary’ means the Secretary of Energy.

“(6) The term ‘appropriate congressional committees’ means the Committee on Armed Services of the Senate and the Committee on Armed Services and the Committee on Commerce [now Committee on Energy and Commerce] of the House of Representatives.

“SEC. 3412. SALE OF NAVAL PETROLEUM RESERVE NUMBERED 1.

“(a) SALE OF RESERVE REQUIRED.—Subject to section 3414, not later than two years after the effective date, the Secretary of Energy shall enter into one or more contracts for the sale of all right, title, and interest of the United States in and to all lands owned or controlled by the United States inside Naval Petroleum Reserve Numbered 1. Chapter 641 [now 869] of title 10, United States Code, shall not apply to the sale of the reserve.

“(b) EQUITY FINALIZATION.—(1) Not later than eight months after the effective date, the Secretary shall finalize equity interests of the known oil and gas zones in Naval Petroleum Reserve Numbered 1 in the manner provided by this subsection.

“(2) The Secretary shall retain the services of an independent petroleum engineer, mutually acceptable to the equity owners, who shall prepare a recommendation on final equity figures. The Secretary may accept the recommendation of the independent petroleum en-

gineer for final equity in each known oil and gas zone and establish final equity interest in Naval Petroleum Reserve Numbered 1 in accordance with the recommendation, or the Secretary may use such other method to establish final equity interest in the reserve as the Secretary considers appropriate.

“(3) If, on the effective date, there is an ongoing equity redetermination dispute between the equity owners under section 9(b) of the unit plan contract, the dispute shall be resolved in the manner provided in the unit plan contract within eight months after the effective date. The resolution shall be considered final for all purposes under this section.

“(c) NOTICE OF SALE.—Not later than two months after the effective date, the Secretary shall publish a notice of intent to sell Naval Petroleum Reserve Numbered 1. The Secretary shall make all technical, geological, and financial information relevant to the sale of the reserve available to all interested and qualified buyers upon request. The Secretary, in consultation with the Administrator of General Services, shall ensure that the sale process is fair and open to all interested and qualified parties.

“(d) ESTABLISHMENT OF MINIMUM SALE PRICE.—(1) Not later than seven months after the effective date, the Secretary shall retain the services of five independent experts in the valuation of oil and gas fields to conduct separate assessments, in a manner consistent with commercial practices, of the value of the interest of the United States in Naval Petroleum Reserve Numbered 1. The independent experts shall complete their assessments within 11 months after the effective date. In making their assessments, the independent experts shall consider (among other factors)—

“(A) all equipment and facilities to be included in the sale;

“(B) the estimated quantity of petroleum and natural gas in the reserve; and

“(C) the net present value of the anticipated revenue stream that the Secretary and the Director of the Office of Management and Budget jointly determine the Treasury would receive from the reserve if the reserve were not sold, adjusted for any anticipated increases in tax revenues that would result if the reserve were sold.

“(2) The independent experts retained under paragraph (1) shall also determine and submit to the Secretary the estimated total amount of the cost of any environmental restoration and remediation necessary at the reserve. The Secretary shall report the estimate to the Director of the Office of Management and Budget, the Secretary of the Treasury, and Congress.

“(3) The Secretary, in consultation with the Director of the Office of Management and Budget, shall set the minimum acceptable price for the reserve. The Secretary may not set the minimum acceptable price below the higher of—

“(2) Not later than 11 months after the effective date, the investment banker or financial adviser retained under paragraph (1) shall complete a draft contract or contracts for the sale of Naval Petroleum Reserve Numbered 1, which shall accompany the solicitation of offers and describe the terms and provisions of the sale of the interest of the United States in the reserve.

“(3) The draft contract or contracts shall identify—

“(A) all equipment and facilities to be included in the sale; and

“(B) any potential claim or liability (including liability for environmental restoration and remediation), and the extent of any such claim or liability, for which the United States is responsible under subsection (g).

“(4) The draft contract or contracts, including the terms and provisions of the sale of the interest of the United States in the reserve, shall be subject to review and approval by the Secretary, the Secretary of the Treasury, and the Director of the Office of Management and Budget. Each of those officials shall complete the review of, and approve or disapprove, the draft contract or contracts not later than 12 months after the effective date.

“(3) The Secretary shall take such action immediately after the effective date as is necessary to obtain from an independent petroleum engineer within 10 months after that date a reserve report prepared in a manner consistent with commercial practices. The Secretary shall use the reserve report in support of the preparation of the solicitation of offers for the reserve.

“(g) FUTURE LIABILITIES.—To effectuate the sale of the interest of the United States in Naval Petroleum Reserve Numbered 1, the Secretary may extend such indemnities and warranties as the Secretary considers reasonable and necessary to protect the purchaser from claims arising from the ownership in the reserve by the United States.

“(h) MAINTAINING PRODUCTION.—Until the sale of Naval Petroleum Reserve Numbered 1 is completed under this section, the Secretary shall continue to produce the reserve at the maximum daily oil or gas rate from a reservoir, which will permit maximum economic development of the reservoir consistent with sound oil field engineering practices in accordance with section 3 of the unit plan contract.

“(i) NONCOMPLIANCE WITH DEADLINES.—At any time during the two-year period beginning on the effective date, if the Secretary determines that the actions necessary to complete the sale of the reserve within that period are not being taken or timely completed, the Secretary shall transmit to the appropriate congressional committees a written notification of that determination together with a plan setting forth the actions that will be taken to ensure that the sale of the reserve will be completed within that period. The Secretary shall consult with the Director of the Office of Management and Budget in preparing the plan for submission to the committees.

“(j) OVERSIGHT.—The Comptroller General shall monitor the actions of the Secretary relating to the sale of the reserve and report to the appropriate congressional committees any findings on such actions that the Comptroller General considers appropriate to report to the committees.

“(k) ACQUISITION OF SERVICES.—The Secretary may enter into contracts for the acquisition of services required under this section under the authority of paragraph (7) of section 3304(a) of title 41, United States Code, except that the notification required under subparagraph (B) of such paragraph for each contract shall be submitted to Congress not less than 7 days before the award of the contract.

“SEC. 3413. EFFECT OF SALE OF RESERVE.

“(a) EFFECT ON EXISTING CONTRACTS.—(1) In the case of any contract, in effect on the effective date, for the purchase of production from any part of the United

States' share of Naval Petroleum Reserve Numbered 1, the sale of the interest of the United States in the reserve shall be subject to the contract for a period of three months after the closing date of the sale or until termination of the contract, whichever occurs first. The term of any contract entered into after the effective date for the purchase of the production shall not exceed the anticipated closing date for the sale of the reserve.

“(2) The Secretary shall exercise the termination procedures provided in the contract between the United States and Bechtel Petroleum Operation, Inc., Contract Number DE-AC01-85FE60520 so that the contract terminates not later than the date of closing of the sale of Naval Petroleum Reserve Numbered 1 under section 3412.

“(3) The Secretary shall exercise the termination procedures provided in the unit plan contract so that the unit plan contract terminates not later than the date of closing of the sale of reserve.

“(b) EFFECT ON ANTITRUST LAWS.—Nothing in this subtitle shall be construed to alter the application of the antitrust laws of the United States to the purchaser or purchasers (as the case may be) of Naval Petroleum Reserve Numbered 1 or to the lands in the reserve subject to sale under section 3412 upon the completion of the sale.

“(c) PRESERVATION OF PRIVATE RIGHT, TITLE, AND INTEREST.—Nothing in this subtitle shall be construed to adversely affect the ownership interest of any other entity having any right, title, and interest in and to lands within the boundaries of Naval Petroleum Reserve Numbered 1 and which are subject to the unit plan contract.

“(d) TRANSFER OF OTHERWISE NONTRANSFERABLE PERMIT.—The Secretary may transfer to the purchaser or purchasers (as the case may be) of Naval Petroleum Reserve Numbered 1 the incidental take permit regarding the reserve issued to the Secretary by the United States Fish and Wildlife Service and in effect on the effective date if the Secretary determines that transfer of the permit is necessary to expedite the sale of the reserve in a manner that maximizes the value of the sale to the United States. The transferred permit shall cover the identical activities, and shall be subject to the same terms and conditions, as apply to the permit at the time of the transfer.

“SEC. 3414. CONDITIONS ON SALE PROCESS.

“(a) NOTICE REGARDING SALE CONDITIONS.—The Secretary may not enter into any contract for the sale of Naval Petroleum Reserve Numbered 1 under section 3412 until the end of the 31-day period beginning on the date on which the Secretary submits to the appropriate congressional committees a written notification—

“(1) describing the conditions of the proposed sale; and

“(2) containing an assessment by the Secretary of whether it is in the best interests of the United States to sell the reserve under such conditions.

“(b) AUTHORITY TO SUSPEND SALE.—(1) The Secretary may suspend the sale of Naval Petroleum Reserve Numbered 1 under section 3412 if the Secretary and the Director of the Office of Management and Budget jointly determine that—

“(A) the sale is proceeding in a manner inconsistent with achievement of a sale price that reflects the full value of the reserve; or

“(B) a course of action other than the immediate sale of the reserve is in the best interests of the United States.

“(2) Immediately after making a determination under paragraph (1) to suspend the sale of Naval Petroleum Reserve Numbered 1, the Secretary shall submit to the appropriate congressional committees a written notification describing the basis for the determination and requesting a reconsideration of the merits of the sale of the reserve.

“(c) EFFECT OF RECONSIDERATION NOTICE.—After the Secretary submits a notification under subsection (b),

the Secretary may not complete the sale of Naval Petroleum Reserve Numbered 1 under section 3412 or any other provision of law unless the sale of the reserve is authorized in an Act of Congress enacted after the date of the submission of the notification.

“SEC. 3415. TREATMENT OF STATE OF CALIFORNIA CLAIM REGARDING RESERVE.

“(a) RESERVATION OF FUNDS.—After the costs incurred in the conduct of the sale of Naval Petroleum Reserve Numbered 1 under section 3412 are deducted, nine percent of the remaining proceeds from the sale of the reserve shall be reserved in a contingent fund in the Treasury for payment to the State of California for the Teachers' Retirement Fund of the State in the event that, and to the extent that, the claims of the State against the United States regarding production and proceeds of sale from Naval Petroleum Reserve Numbered 1 are—

“(1) settled by agreement with the United States under subsection (c); or

“(2) finally resolved in favor of the State by a court of competent jurisdiction, if a settlement agreement is not reached.

“(b) DISPOSITION OF FUNDS.—In such amounts as may be provided in appropriation Acts, amounts in the contingent fund shall be available for paying a claim described in subsection (a). After final disposition of the claims, any unobligated balance in the contingent fund shall be credited to the general fund of the Treasury. If no payment is made from the contingent fund within 10 years after the effective date, amounts in the contingent fund shall be credited to the general fund of the Treasury.

“(c) SETTLEMENT OFFER.—Not later than 30 days after the date of the sale of Naval Petroleum Reserve Numbered 1 under section 3412, the Secretary shall offer to settle all claims of the State of California against the United States with respect to lands in the reserve located in sections 16 and 36 of township 30 south, range 23 east, Mount Diablo Principal Meridian, California, and production or proceeds of sale from the reserve, in order to provide proper compensation for the State's claims. The Secretary shall base the amount of the offered settlement payment from the contingent fund on the fair value for the State's claims, including the mineral estate, not to exceed the amount reserved in the contingent fund.

“(d) RELEASE OF CLAIMS.—Acceptance of the settlement offer made under subsection (c) shall be subject to the condition that all claims against the United States by the State of California for the Teachers' Retirement Fund of the State be released with respect to lands in Naval Petroleum Reserve Numbered 1, including sections 16 and 36 of township 30 south, range 23 east, Mount Diablo Principal Meridian, California, or production or proceeds of sale from the reserve.

“SEC. 3416. STUDY OF FUTURE OF OTHER NAVAL PETROLEUM RESERVES.

“(a) STUDY REQUIRED.—The Secretary of Energy shall conduct a study to determine which of the following options, or combinations of options, regarding the naval petroleum reserves (other than Naval Petroleum Reserve Numbered 1) would maximize the value of the reserves to the United States:

“(1) Retention and operation of the naval petroleum reserves by the Secretary under chapter 641 [now 869] of title 10, United States Code.

“(2) Transfer of all or a part of the naval petroleum reserves to the jurisdiction of another Federal agency for administration under chapter 641 [now 869] of title 10, United States Code.

“(3) Transfer of all or a part of the naval petroleum reserves to the Department of the Interior for leasing in accordance with the Mineral Leasing Act (30 U.S.C. 181 et seq.) and surface management in accordance with the Federal Land Policy and Management Act [of 1976] (43 U.S.C. 1701 et seq.).

“(4) Sale of the interest of the United States in the naval petroleum reserves.

“(b) CONDUCT OF STUDY.—The Secretary shall retain an independent petroleum consultant to conduct the study.

“(c) CONSIDERATIONS UNDER STUDY.—An examination of the value to be derived by the United States from the transfer or sale of the naval petroleum reserves shall include an assessment and estimate of the fair market value of the interest of the United States in the naval petroleum reserves. The assessment and estimate shall be made in a manner consistent with customary property valuation practices in the oil and gas industry.

“(d) REPORT AND RECOMMENDATIONS REGARDING STUDY.—Not later than June 1, 1996, the Secretary shall submit to Congress a report describing the results of the study and containing such recommendations (including proposed legislation) as the Secretary considers necessary to implement the option, or combination of options, identified in the study that would maximize the value of the naval petroleum reserves to the United States.”

§ 8721. Jurisdiction and control

(a) The Secretary shall take possession of all properties inside the naval petroleum reserves that are or may become subject to the control of and use by the United States for national defense purposes, except as otherwise provided in this chapter.

(b) The Secretary has exclusive jurisdiction and control over those lands inside Naval Petroleum Reserves Numbered 1 and 2 that are covered by leases granted under sections 181–184, 185–188, 189–194, 201, 202–209, 211–214, 223, 224–226, 226d, 226e, 227–229a, 241, 251, and 261–263 of title 30, and shall administer those leases.

§ 8722. Administration

(a) The Secretary, directly or by contract, lease, or otherwise, shall explore, prospect, conserve, develop, use, and operate the naval petroleum reserves in his discretion, subject to the provisions of subsection (c) and the other provisions of this chapter; except that no petroleum leases shall be granted at Naval Petroleum Reserves Numbered 1 and 3.

(b) Except as otherwise provided in this chapter, particularly subsection (c), the naval petroleum reserves shall be used and operated for—

(1) the protection, conservation, maintenance, and testing of those reserves; or

(2) the production of petroleum whenever and to the extent that the Secretary, with the approval of the President, finds that such production is needed for national defense purposes and the production is authorized by a joint resolution of Congress.

(c)(1) In administering Naval Petroleum Reserves Numbered 1, 2, and 3, the Secretary is authorized and directed—

(A) to further explore, develop, and operate such reserves;

(B) to produce, during any extension of a period under paragraph (2), such reserves—

(i) at the maximum efficient rate consistent with sound engineering practices; or

(ii) at a lesser rate consistent with sound engineering practices and the protection, conservation, maintenance, and testing of such reserves if the Secretary determines that the minimum price described in section 8730(b)(2) of this title cannot be attained for
