

In subsection (b) the word “transferred” before the words “member of the Fleet Reserve” is omitted as unnecessary, since the categories of such members other than “transferred” have not been administratively used, and authority for them is omitted in this title. The words “and the Fleet Marine Corps Reserve” are added, as the words “Fleet Reserve” are used in a generic sense to cover such members. The words “when not on active duty” are added. When the personnel concerned are on active duty, they are treated in the same manner as others on active duty.
