§ 1706c. Insurance of mortgages

(a) Supplemental system; limitation on amount; termination of authority

To assist in providing adequate housing for families of low and moderate income, particularly in suburban and outlying areas, this section is designed to supplement systems of mortgage insurance under other provisions of this chapter by making feasible the insurance of mortgages covering properties in areas where it

is not practicable to obtain conformity with many of the requirements essential to the insurance of mortgages on housing in built-up urban areas. The Secretary is authorized, upon application by the mortgagee, to insure, as hereinafter provided, any mortgage (as defined in section 1707 of this title) offered to him which is eligible for insurance as hereinafter provided, and, upon such terms as the Secretary may prescribe, to make commitments for the insuring of such mortgages prior to the date of their execution or disbursement thereon: *Provided*, That the aggregate amount of principal obligations of all mortgages insured under this section and outstanding at any one time shall not exceed \$100,000,000, except that with the approval of the President such aggregate amount may be increased at any time or times by additional amounts aggregating not more than \$150,000,000 upon a determination by the President, taking into account the general effect of any such increase upon conditions in the building industry and upon the national economy, that such increase is in the public interest: *And provided further*, That no mortgage shall be insured under this section after August 2, 1954, except pursuant to a commitment to insure issued on or before such date.

(b) Eligibility conditions

To be eligible for insurance under this section, a mortgage shall—

(1) have been made to, and be held by, a mortgagee approved by the Secretary as responsible and able to service the mortgage properly;

(2) involve a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Secretary shall approve) in an amount not to exceed \$5,700, and not to exceed 95 per centum of the appraised value, as of the date the mortgage is accepted for insurance, of a property upon which there is located a dwelling designed principally for a single-family residence, and which is approved for mortgage insurance prior to the beginning of construction: *Provided*, That the mortgagor shall be the owner and occupant of the property at the time of insurance and shall have paid on account of the property at least 5 per centum of the Secretary's estimate of the cost of acquisition in cash or its equivalent, or shall be the builder constructing the dwelling, in which case the principal obligation shall not exceed 85 per centum of the appraised value of the property or \$5,100: *Provided further*, That the Secretary finds that the project with respect to which the mortgage is executed is an acceptable risk, giving consideration to the need for providing adequate housing for families of low and moderate income particularly in suburban and outlying areas: *And provided further*, That, where the mortgagor is the owner and occupant of the property and establishes (to the satisfaction of the Secretary) that his home, which he occupied as an owner or as a tenant, was destroyed or damaged to such an extent that reconstruction is required as a result of a flood, fire, hurricane, earthquake, storm or other catastrophe, which the President, pursuant to sec-
