**§ 1715k. Rehabilitation and neighborhood conservation housing insurance**

**(a) Purpose of section**

The purpose of this section is to aid in the elimination of slums and blighted conditions and the prevention of the deterioration of residential property by supplementing the insurance of mortgages under sections 1709 and 1713 of this title with a system of loan and mortgage insurance designed to assist the financing required for the rehabilitation of existing dwelling accommodations and the construction of new dwelling accommodations where such dwelling accommodations are located in an area referred to in paragraph (1) of subsection (d) of this section.

**(b) Authorization**

The Secretary is authorized, upon application by the mortgagee, to insure, as hereinafter provided, any mortgage (including advances during construction on mortgages covering property of the character described in paragraph (3)(B) of

subsection (d) of this section) which is eligible for insurance as hereinafter provided, and, upon such terms and conditions as he may prescribe, to make commitments for the insurance of such mortgages prior to the date of their execution or disbursement thereon.

**(c) Definitions**

As used in this section, the terms “mortgage”, “first mortgage”, “mortgagee”, “mortgagor”, “maturity date”, and “State” shall have the same meaning as in section 1707 of this title.

**(d) Eligibility for insurance; conditions; limits**

To be eligible for insurance under this section a mortgage shall meet the following conditions:

(1) The mortgaged property shall—

(A) be located in (i) the area of a slum clearance and urban redevelopment project covered by a Federal-aid contract executed or a prior approval granted, pursuant to title I of the Housing Act of 1949 [42 U.S.C. 1450 et seq.] before August 2, 1954, or (ii) an urban renewal area (as defined in title I of the Housing Act of 1949, as amended), or (iii) the area of an urban renewal project assisted under section 111 of the Housing Act of 1949 [42 U.S.C. 1462], or (iv) an area in which a program of concentrated code enforcement activities is being carried out pursuant to section 117 of the Housing Act of 1949 [42 U.S.C. 1468], or (v) an area, designated by the Secretary, where concentrated housing, physical development, and public service activities are being or will be carried out in a coordinated manner, pursuant to a locally developed strategy for neighborhood improvement, conservation, or preservation: *Provided*, That, in the case of an area within the purview of clause (i) or (ii) of this subparagraph, a redevelopment plan or an urban renewal plan (as defined in title I of the Housing Act of 1949, as amended), as the case may be, has been approved for such area by the governing body of the locality involved and by the Secretary of Housing and Urban Development, and the Secretary has determined that such plan conforms to a general plan for the locality as a whole and that there exist the necessary authority and financial capacity to assure the completion of such redevelopment or urban renewal plan: *And provided further*, That, in the case of an area within the purview of clause (iii) of this subparagraph, an urban renewal plan (as required for projects assisted under such section 111 [42 U.S.C. 1462]) has been approved for such area by such governing body and by the Secretary, and the Secretary has determined that such plan conforms to definite local objectives respecting appropriate land uses, improved traffic, public transportation, public utilities, recreational and community facilities, and other public improvements, and that there exist the necessary authority and financial capacity to assure the completion of such urban renewal plan, and

(B) meet such standards and conditions as the Secretary shall prescribe to establish the acceptability of such property for mortgage insurance under this section.

(2) The mortgaged property shall be held by—

(A) a mortgagor approved by the Secretary, and the Secretary may in his discretion require such mortgagor to be regulated or restricted as to rents or sales, charges, capital structure, rate of return and methods of operation, and for such purpose the Secretary may make such contracts with and acquire for not to exceed \$100 stock or interest in any such mortgagor as the Secretary may deem necessary to render effective such restriction or regulations. Such stock or interest shall be paid for out of the General Insurance Fund and shall be redeemed by the mortgagor at par upon the termination of all obligations of the Secretary under the insurance; or

(B) by Federal or State instrumentalities, municipal corporate instrumentalities of one or more States, or limited dividend or redevelopment or housing corporations or other legal entities restricted by or under Federal or State laws or regulations of State banking or insurance departments as to rents, charges, capital structure, rate of return, or methods of operation.

(3) The mortgage shall—

(A)(i) involve a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Secretary shall approve) in an amount not to exceed the applicable maximum principal obligation which may be insured in the area under section 1709(b) of this title; or in the case of a dwelling designed principally for residential use for more than four families (but not exceeding such additional number of family units as the Secretary may prescribe) the applicable maximum principal obligation secured by a four-family residence which may be insured in the area under section 1709(b) of this title plus not to exceed \$9,165 for each additional family unit in excess of four located on such property; and not to exceed an amount equal to the sum of (1) 97 per centum (but, in any case where the dwelling is not approved for mortgage insurance prior to the beginning of construction, unless the construction of the dwelling was completed more than one year prior to the application for mortgage insurance, 90 per centum) of \$25,000 of the Secretary's estimate of replacement cost of the property, as of the date the mortgage is accepted for insurance and (2) 95 per centum of such value in excess of \$25,000: *Provided*, That in the case of properties other than new construction, the foregoing limitations upon the amount of the mortgage shall be based upon the sum of the estimated cost of repair and rehabilitation and the Secretary's estimate of the value of the property before repair and rehabilitation rather than upon the Secretary's estimate of the replacement cost: *Provided further*, That if the mortgagor is a veteran and the mortgage to be insured under this section covers property upon which there is located a dwelling designed principally for a one-family residence, the principal obligation may be in an amount

equal to the sum of (1) 100 per centum of \$25,000 of the Secretary's estimate of replacement cost of the property, as of the date the mortgage is accepted for insurance and (2) 95 per centum of such value in excess of \$25,000. As used herein, the term "veteran" means any person who served on active duty in the Armed Forces of the United States for a period of not less than ninety days (or is certified by the Secretary of Defense as having performed extrahazardous service), and who was discharged or released therefrom under conditions other than dishonorable, except that persons enlisting in the armed forces after September 7, 1980, or entering active duty after October 16, 1981, shall have their eligibility determined in accordance with section 5303A(d) of title 38; and

(ii) in no case involving refinancing have a principal obligation in an amount exceeding the sum of the estimated cost of repair and rehabilitation and the amount (as determined by the Secretary) required to refinance existing indebtedness secured by the property or project, plus any existing indebtedness incurred in connection with improving, repairing, or rehabilitating the property; or

(B)(i) Repealed. Pub. L. 93-383, title III, § 304(d), Aug. 22, 1974, 88 Stat. 678.

(ii) not exceed 90 per centum of the amount which the Secretary estimates will be the replacement cost of the property or project when the proposed improvements are completed (the replacement cost of the property or project may include the land, the proposed physical improvements, utilities within the boundaries of the property or project, architect's fees, taxes, and interest during construction, and other miscellaneous charges incident to construction and approved by the Secretary, and shall include an allowance for builder's and sponsor's profit and risk of 10 per centum of all of the foregoing items except the land unless the Secretary, after certification that such allowance is unreasonable, shall by regulation prescribe a lesser percentage): *Provided*, That in the case of properties other than new construction, the foregoing limitations upon the amount of the mortgage shall be based upon the sum of the estimated cost of repair and rehabilitation and the Secretary's estimate of the value of the property before repair and rehabilitation rather than upon the Secretary's estimate of the replacement cost: *Provided further*, That the mortgage may involve the financing of the purchase of property which has been rehabilitated by a local public agency with Federal assistance pursuant to section 110(c)(8) of the Housing Act of 1949 [42 U.S.C. 1460(c)(8)], and, in such case the foregoing limitations upon the amount of the mortgage shall be based upon the appraised value of the property as of the date the mortgage is accepted for insurance;

(iii)(I) not exceed, for such part of the property or project as may be attributable to dwelling use (excluding exterior land improvements as defined by the Secretary),

\$38,025 per family unit without a bedroom, \$42,120 per family unit with one bedroom, \$50,310 per family unit with two bedrooms, \$62,010 per family unit with three bedrooms, and \$70,200 per family unit with four or more bedrooms; except that as to projects to consist of elevator-type structures the Secretary may, in his discretion, increase the dollar amount limitations per family unit to not to exceed \$43,875 per family unit without a bedroom, \$49,140 per family unit with one bedroom, \$60,255 per family unit with two bedrooms, \$75,465 per family unit with three bedrooms, and \$85,328 per family unit with four or more bedrooms, as the case may be, to compensate for the higher costs incident to the construction of elevator-type structures of sound standards of construction and design; and (II) with respect to rehabilitation projects involving not more than five family units, the Secretary may by regulation increase by 25 per centum any of the dollar amount limitations in subparagraph (B)(iii)(I) (as such limitations may have been adjusted in accordance with section 1712a of this title) which are applicable to units with two, three, or four or more bedrooms; (III) the Secretary may, by regulation, increase the dollar amount limitations contained in subparagraph (B)(iii)(I) (as such limitations may have been adjusted in accordance with section 1712a of this title) by not to exceed 170 percent in any geographical area where the Secretary finds that cost levels so require and by not to exceed 170 percent, or 215 percent in high cost areas, where the Secretary determines it necessary on a project-by-project basis, but in no case may any such increase exceed 90 percent where the Secretary determines that a mortgage purchased or to be purchased by the Government National Mortgage Association in implementing its special assistance functions under section 1720<sup>1</sup> of this title (as such section existed immediately before November 30, 1983) is involved; (IV) That nothing contained in this<sup>2</sup> subparagraph (B)(iii)(I) shall preclude the insurance of mortgages covering existing multifamily dwellings to be rehabilitated or reconstructed for the purposes set forth in subsection (a) of this section; (V) the Secretary may further increase any of the dollar limitations which would otherwise apply to such projects by not to exceed 20 per centum if such increase is necessary to account for the increased cost of the project due to the installation therein of a solar energy system (as defined in subparagraph (3) of the last paragraph of section 1703(a) of this title) or residential energy conservation measures (as defined in section 8211(11)(A) through (G) and (I) of title 42)<sup>1</sup> in cases where the Secretary determines that such measures are in addition to those required under the minimum property standards and will be cost-effective over the life of the measure; and

(iv) include such nondwelling facilities as the Secretary deems desirable and con-

sistent with the urban renewal plan or, where appropriate, with the locally developed strategy for neighborhood improvement, conservation or preservation: *Provided*, That the project shall be predominantly residential and any nondwelling facility included in the mortgage shall be found by the Secretary to contribute to the economic feasibility of the project, and the Secretary shall give due consideration to the possible effect of the project on other business enterprises in the community.

(4) The mortgage shall provide for complete amortization by periodic payments (unless otherwise approved by the Secretary) within such terms as the Secretary may prescribe, but as to mortgages coming within the provisions of paragraph (3)(A) of this subsection not to exceed the maximum maturity prescribed by the provisions of section 1709(b)(3) of this title. The mortgage shall bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee and contain such terms and provisions with respect to the application of the mortgagor's periodic payment to amortization of the principal of the mortgage, insurance, repairs, alterations, payment of taxes, default reserves, delinquency charges, foreclosure proceedings, anticipation of maturity, additional and secondary liens, and other matters as the Secretary may in the Secretary's discretion prescribe.

**(e) Release of mortgagor or part of property**

The Secretary may at any time, under such terms and conditions as he may prescribe, consent to the release of the mortgagor from his liability under the mortgage or the credit instrument secured thereby, or consent to the release of parts of the mortgaged property from the lien of the mortgage.

**(f) Entitlement of mortgagee to benefits; payment in cash or debentures; acquisition of mortgages; applicability of other provisions**

The mortgagee shall be entitled to receive the benefits of the insurance as hereinafter provided—

(1) as to mortgages meeting the requirements of paragraph (3)(A) of subsection (d) of this section as provided in section 1710(a) of this title with respect to mortgages insured under section 1709 of this title, and the provisions of subsections (b), (c), (d), (e), (f), (g), (h),<sup>1</sup> (j), and (k)<sup>1</sup> of section 1710 of this title shall be applicable to such mortgages insured under this section, except that all references therein to the Mutual Mortgage Insurance Fund or the Fund shall be construed to refer to the General Insurance Fund and all references therein to section 1709 of this title shall be construed to refer to this section;

(2) as to mortgages meeting the requirements of paragraph (3)(B) of subsection (d) of this section, as provided in section 1713(g) of this title with respect to mortgages insured under said section 1713, and the provisions of subsections (h), (i), (j), (k), and (l) of section 1713 of this title shall be applicable to such mortgages insured under this section, and all references therein to the Housing Insurance

Fund or the Housing Fund shall be construed to refer to the General Insurance Fund; or

(3) as to mortgages meeting the requirements of this section that are insured or initially endorsed for insurance on or after June 30, 1961, notwithstanding the provisions of paragraphs (1) and (2) of this subsection, the Secretary in his discretion, in accordance with such regulations as he may prescribe, may make payments pursuant to such paragraphs in cash or in debentures (as provided in the mortgage insurance contract), or may acquire a mortgage loan that is in default and the security therefor upon payment to the mortgagee in cash or in debentures (as provided in the mortgage insurance contract) of a total amount equal to the unpaid principal balance of the loan plus any accrued interest and any advances approved by the Secretary and made previously by the mortgagee under the provisions of the mortgage. After the acquisition of the mortgage by the Secretary the mortgagee shall have no further rights, liabilities, or obligations with respect to the loan or the security for the loan. The appropriate provisions of sections 1710 and 1713 of this title relating to the rights, liabilities, and obligations of a mortgagee shall apply with respect to the Secretary when he has acquired an insured mortgage under this paragraph, in accordance with and subject to regulations (modifying such provisions to the extent necessary to render their application for such purposes appropriate and effective) which shall be prescribed by the Secretary, except that as applied to mortgages so acquired (A) all references in section 1710 of this title to the Mutual Mortgage Insurance Fund or the Fund shall be construed to refer to the General Insurance Fund, and (B) all references in section 1710 of this title to section 1709 of this title shall be construed to refer to this section. If the insurance payment is made in cash, there shall be added to such payment an amount equivalent to the interest which the debentures would have earned, computed to a date to be established pursuant to regulations issued by the Secretary.

**(h) Home improvement loans; eligibility; conditions; refinancing; premium charge; defaults; debentures; exception; limitation**

(1) To assist further in the conservation, improvement, repair, and rehabilitation of property located in the area of an urban renewal project or in an area in which a program of concentrated code enforcement activities is being carried out pursuant to section 117 of the Housing Act of 1949 [42 U.S.C. 1468], as provided in paragraph (1) of subsection (d) of this section, the Secretary is authorized upon such terms and conditions as he may prescribe to make commitments to insure and to insure home improvement loans (including advances during construction or improvement) made by financial institutions on and after June 30, 1961. As used in this subsection—

(A) the term "home improvement loan" means a loan, advance of credit, or purchase of

an obligation representing a loan or advance of credit made—

(i) for the purpose of financing the improvement of an existing structure (or in connection with an existing structure) which was constructed not less than ten years prior to the making of such loan, advance of credit, or purchase, and which is used or will be used primarily for residential purposes: *Provided*, That a home improvement loan shall include a loan, advance, or purchase with respect to the improvement of a structure which was constructed less than ten years prior to the making of such loan, advance, or purchase if the proceeds are or will be used primarily for major structural improvements, or to correct defects which were not known at the time of the completion of the structure or which were caused by fire, flood, windstorm, or other casualty; or

(ii) for the purpose of enabling the borrower to pay that part of the cost of the construction or installation of sidewalks, curbs, gutters, street paving, street lights, sewers, or other public improvements, adjacent to or in the vicinity of property owned by him and used primarily for residential purposes, which is assessed against him or for which he is otherwise legally liable as the owner of such property;

(B) the term "improvement" means conservation, repair, restoration, rehabilitation, conversion, alteration, enlargement, or remodeling; and

(C) the term "financial institution" means a lender approved by the Secretary as eligible for insurance under section 1703 of this title or a mortgagee approved under section 1709(b)(1) of this title.

(2) To be eligible for insurance under this subsection, a home improvement loan shall—

(i) not exceed the Secretary's estimate of the cost of improvement, or \$12,000 per family unit, whichever is the lesser, and be limited as required by paragraph (11): *Provided*, That the Secretary may, by regulation, increase such amount by not to exceed 45 per centum in any geographical area where he finds that cost levels so require;

(ii) be limited to an amount which when added to any outstanding indebtedness related to the property (as determined by the Secretary) creates a total outstanding indebtedness which does not exceed the limits provided in subsection (d)(3) for properties (of the same type) other than new construction;

(iii) bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee;

(iv) have a maturity satisfactory to the Secretary, but not to exceed twenty years from the beginning of amortization of the loan;

(v) comply with such other terms, conditions, and restrictions as the Secretary may prescribe; and

(vi) represent the obligation of a borrower who is the owner of the property improved, or a lessee of the property under a lease for not less than 99 years which is renewable or under a lease having an expiration date in excess of

10 years later than the maturity date of the loan.

(3) Any home improvement loan insured under this subsection may be refinanced and extended in accordance with such terms and conditions as the Secretary may prescribe, but in no event for an additional amount or term in excess of the maximum provided for in this subsection.

(4) Repealed. Pub. L. 89-117, title XI, § 1108(h)(3), Aug. 10, 1965, 79 Stat. 505.

(5) The Secretary is authorized to fix a premium charge for the insurance of home improvement loans under this subsection but in the case of any such loan such charge shall not be less than an amount equivalent to one-half of 1 per centum per annum nor more than an amount equivalent to 1 per centum per annum of the amount of the principal obligation of the loan outstanding at any time, without taking into account delinquent payments or prepayments. Such premium charges shall be payable by the financial institution either in cash or in debentures (at par plus accrued interest) issued by the Secretary as obligations of the General Insurance Fund, in such manner as may be prescribed by the Secretary, and the Secretary may require the payment of one or more such premium charges at the time the loan is insured, at such discount rate as he may prescribe not in excess of the interest rate specified in the loan. If the Secretary finds upon presentation of a loan for insurance and the tender of the initial premium charge or charges so required that the loan complies with the provisions of this subsection, such loan may be accepted for insurance by endorsement or otherwise as the Secretary may prescribe. In the event the principal obligation of any loan accepted for insurance under this subsection is paid in full prior to the maturity date, the Secretary is authorized to refund to the financial institution for the account of the borrower all, or such portions as he shall determine to be equitable, of the current unearned premium charges theretofore paid.

(6) In cases of defaults on loans insured under this subsection, upon receiving notice of default, the Secretary, in accordance with such regulations as he may prescribe, may acquire the loan and any security therefor upon payment to the financial institution in cash or in debentures (as provided in the loan insurance contract) of a total amount equal to the unpaid principal balance of the loan, plus any accrued interest, any advances approved by the Secretary made previously by the financial institution under the provisions of the loan instruments, and reimbursement for such collection costs, court costs, and attorney fees as may be approved by the Secretary. If the insurance payment is made in cash, there shall be added to such payment an amount equivalent to the interest which the debentures would have earned, computed to a date to be established pursuant to regulations issued by the Secretary.

(7) Debentures issued under this subsection shall be executed in the name of the General Insurance Fund as obligor, shall be negotiable, and, if in book entry form, transferable, in the manner described by the Secretary in regulations, and shall be dated as of the date the loan is assigned to the Secretary and shall bear inter-

est from that date. They shall bear interest at a rate established by the Secretary pursuant to section 1715o of this title, payable semiannually on the 1st day of January and the 1st day of July of each year, and shall mature ten years after their date of issuance. They shall be exempt from taxation as provided in section 1713(i) of this title with respect to debentures issued under that section. They shall be paid out of the General Insurance Fund which shall be primarily liable therefor and they shall be fully and unconditionally guaranteed as to principal and interest by the United States, and, in the case of debentures issued in certificated registered form, the guaranty shall be expressed on the face of the debentures. In the event the General Insurance Fund fails to pay upon demand, when due, the principal of or interest on any debentures so guaranteed, the Secretary of the Treasury shall pay to the holders the amount thereof which is authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, and thereupon, to the extent of the amounts so paid, the Secretary of the Treasury shall succeed to all the rights of the holders of such debentures. Debentures issued under this subsection shall be in such form and amounts; shall be subject to such terms and conditions; and shall include such provisions for redemption, if any, as may be prescribed by the Secretary of Housing and Urban Development, with the approval of the Secretary of the Treasury; and may be in book entry or certificated registered form, or such other form as the Secretary of Housing and Urban Development may prescribe in regulations.

(8) The provisions of subsections (c), (d), and (h) of section 1703 of this title shall apply to home improvement loans insured under this subsection, and for the purposes of this subsection references in subsections (c), (d), and (h) of section 1703 of this title to "this section" or "this subchapter" shall be construed to refer to this subsection.

(9)(A) Notwithstanding any other provisions of this chapter, no home improvement loan executed in connection with the improvement of a structure for use as rental accommodations for five or more families shall be insured under this subsection unless the borrower has agreed (i) to certify, upon completion of the improvement and prior to final endorsement of the loan, either that the actual cost of improvement equaled or exceeded the proceeds of the home improvement loan, or the amount by which the proceeds of the loan exceed the actual cost, as the case may be, and (ii) to pay forthwith to the financial institution, for application to the reduction of the principal of the loan, the amount, if any, certified to be in excess of the actual cost of improvement. Upon the Secretary's approval of the borrower's certification as required under this paragraph, the certification shall be final and incontestable, except for fraud or material misrepresentation on the part of the borrower.

(B) As used in subparagraph (A), the term "actual cost" means the cost to the borrower of the improvement, including the amounts paid for labor, materials, construction contracts, off-site public utilities, streets, organization and legal expenses, such allocations of general overhead

items as are acceptable to the Secretary, and other items of expense approved by the Secretary, plus a reasonable allowance for builder's profit if the borrower is also the builder, as defined by the Secretary, and excluding the amount of any kickbacks, rebates, or trade discounts received in connection with the improvement.

(10) Notwithstanding any other provision of this chapter, the Secretary is authorized and empowered (i) to make expenditures and advances out of funds made available by this chapter to preserve and protect his interest in any security for, or the lien or priority of the lien securing, any loan or other indebtedness owing to, insured by, or acquired by the Secretary or by the United States under this subsection, or section 1703 or 1709(k) of this title; and (ii) to bid for and to purchase at any foreclosure or other sale or otherwise acquire property pledged, mortgaged, conveyed, attached, or levied upon to secure the payment of any loan or other indebtedness owing to or acquired by the Secretary or by the United States under this subsection or section 1703 or 1709(k) of this title. The authority conferred by this paragraph may be exercised as provided in the last sentence of section 1710(g) of this title.

(11) Notwithstanding any other provision of this chapter, no home improvement loan made in whole or in part for the purpose specified in clause (A)(ii) of the second sentence of paragraph (1) shall be insured under this subsection if such loan (or the portion thereof which is attributable to such purpose), when added to the aggregate principal balance of any outstanding loans insured under this subsection or section 1709(k) of this title which were made to the same borrower for the purpose so specified (or the portion of such aggregate balance which is attributable to such purpose), would exceed \$10,000 or such additional amount as the Secretary has by regulation prescribed in any geographical area where he finds cost levels so require pursuant to the authority vested in him by the proviso in paragraph (2)(i) of this subsection.
