§ 2294. Payments on behalf of public bodies

(a) Notwithstanding any other provision of this chapter, the purchase by the Bank of the obligations of any local public body or agency within the United States shall be made upon such terms and conditions as may be necessary to avoid an increase in borrowing costs to such local public body or agency as a result of the purchase by the Bank of its obligations. The head of the Federal agency guaranteeing such obligations, in consultation with the Secretary of the Treasury, shall estimate the borrowing costs that would be incurred by the local public body or agency if its obligations were not sold to the Bank.

(b) The Federal agency guaranteeing obligations purchased by the Bank may contract to make periodic payments to the Bank which shall be sufficient to offset the costs to the Bank of purchasing obligations of local public bodies or agencies upon terms and conditions as prescribed in this section rather than as prescribed by section 2285 of this title. Such contracts may be made in advance of appropriations therefor, and appropriations for making payments under such contracts are hereby authorized.

§ 2294a. Contracts for periodic payments to offset costs of purchase of obligations of local public housing agencies

In addition to any authority provided before October 1, 1981, the Secretary of Housing and Urban Development may, on and after October 1, 1981, enter into contracts for periodic payments to the Federal Financing Bank to offset the costs to the Bank of purchasing obligations (as described in the first sentence of section 2294(b) of this title) issued by local public housing agencies for purposes of financing public housing projects authorized by section 1437c(c) of title 42. Notwithstanding any other provision of law, such contracts may be entered into only to the extent approved in appropriation Acts, and the aggregate amount which may be obligated over the duration of such contracts may not exceed \$400,000,000. There are hereby authorized to be appropriated any amounts necessary to provide for such payments. The authority to enter into contracts under this subsection shall be in lieu of any authority (except for authority provided specifically to the Secretary before October 1, 1981) of the Secretary to enter into contracts for such purposes under section 2294(b) of this title.
