##### AMENDMENTS

1991—Subsec. (a). Pub. L. 102-242 substituted “section 1828(o) of this title and such restrictions and requirements as the Comptroller of the Currency may prescribe by regulation or order” for “such terms, conditions, and limitations as may be prescribed by the Comptroller of the Currency by order, rule, or regulation”.

1982—Subsec. (a). Pub. L. 97-320 amended subsec. (a) generally. Prior to amendment subsec. (a) read as follows:

“(1) Any national banking association may make real estate loans, secured by liens upon unimproved real estate, upon improved real estate, including improved farmland and improved business and residential properties, and upon real estate to be improved by a building or buildings to be constructed or in the process of construction, in an amount which when added to the amount unpaid upon prior mortgages, liens, encumbrances, if any, upon such real estate does not exceed the respective proportions of appraised value as provided in this section. A loan secured by real estate within the meaning of this section shall be in the form of an obligation or obligations secured by a mortgage, trust deed, or other instrument, which shall constitute a lien on real estate in fee or, under such rules and regulations as may be prescribed by the Comptroller of the Currency, on a leasehold under a lease which does not expire for at least ten years beyond the maturity date of the loan, and any national banking association may purchase or sell any obligations so secured in whole or in part. The amount of any such loan hereafter made shall not exceed 66⅔ per centum of the appraised value if such real estate is unimproved, 75 per centum of the appraised value if such real estate is improved by off-site improvements such as streets, water, sewers, or other utilities, 75 per centum of the appraised value if such real estate is in the process of being improved by a building or buildings to be constructed or in the process of construction, or 90 per centum of the appraised value if such real estate is improved by a building or buildings. If any such loan exceeds 75 per centum of the appraised value of the real estate or if the real estate is improved with a one- to four-family dwelling, installment payments shall be required which are sufficient to amortize the entire principal of the loan within a period of not more than thirty years.

“(2) The limitations and restrictions set forth in paragraph (1) shall not prevent the renewal or extension of loans heretofore made and shall not apply to real estate loans (A) which are insured under the provisions of the National Housing Act [12 U.S.C. 1701 et seq.], (B) which are insured by the Secretary of Agriculture pursuant to title I of the Bankhead-Jones Farm Tenant Act, or the Act of August 28, 1937, as amended, or title V of the Housing Act of 1949, as amended, [42 U.S.C. 1471 et seq.], or (C) which are guaranteed by the Secretary of Housing and Urban Development, for the payment of the obligations of which the full faith and credit of the United States is pledged, and such limitations and restrictions shall not apply to real estate loans which are fully guaranteed or insured by a State, or any agency or instrumentality thereof, or by a State authority for the payment of the obligations of which
