These funds may be combined with financing by the Export-Import Bank of the United States or private commercial financing in order to offer, or arrange for, financing for the exportation of United States goods and services which is substantially as concessional as foreign financing for which there is reasonable proof that such foreign financing is being offered to, or arranged for, a bona fide foreign competitor for a United States export sale.

(1) Funds which are used to carry out a tied aid credit program authorized by subsections (a) and (b) shall be offered only to finance United States exports which can reasonably be expected to contribute to the advancement of the development objectives of the importing country or countries, and shall be consistent with the economic, security, and political criteria used to establish country allocations of Economic Support Funds.

(2) The Director of the Trade and Development Agency is authorized to establish a fund, as necessary, for carrying out a tied aid credit financing program as described in this section.

(d) Use of Economic Support Funds

Funds available to carry out chapter 4 of part II of the Foreign Assistance Act of 1961 [22 U.S.C. 2346 et seq.] may be used by the Director of the Trade and Development Agency, with the concurrence of the Secretary of State (as provided under section 531 of the Foreign Assistance Act of 1961 [22 U.S.C. 2346]), for the purposes for which funds made available under this subsection are authorized to be used in section 635q of this title and this section.
