

Said section has been divided. The proviso is incorporated in section 182 of this title. The other part is incorporated in this section.

The last sentence of this section is new as a statute; it makes statutory what has been the practice of years, and is similar to the third sentence of title 34, U.S.C., 1946 ed., §1057, applicable to graduates of the Naval Academy. 81st Congress, House Report No. 557.

#### HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., §15d (Apr. 16, 1937, ch. 107, §3, 50 Stat. 67; May 2, 1942, ch. 273, 56 Stat. 265).

The last sentence is new and is inserted to permit adjustment of the work load and leave schedule of Academy faculty members due to the peculiarity of the academic schedule.

The last sentence of this section is new, being included in order to allow for adjusting the working time and leave of civilian instructors in conformity with the academic terms at the Academy. The work load of an instructor varies greatly, and flexibility in administration of a faculty is therefore essential. The leave provided for civil service employees does not fit the needs of an instruction staff, and this has been a source of difficulty in the past. This new provision would permit leave during the summer and between academic terms without deduction from pay, and, it is contemplated, at no other time.

Changes were made in phraseology. 81st Congress, House Report No. 557.

bered § 1942, Pub. L. 115-282, title I, § 110(b), Dec. 4, 2018, 132 Stat. 4212.)

#### HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., §§ 15b, 15c (Apr. 16, 1937, ch. 107, § 1, 2, 50 Stat. 66; May 2, 1942, ch. 273, 56 Stat. 265).

Section 15b of title 14, U.S.C., 1946 ed., has been divided. Part of the provisions of the first sentence is placed in this section, while other provisions are placed in section 188 of this title.

Section 15c of title 14, U.S.C., 1946 ed., has been divided. The last sentence is incorporated in this section, while the other provisions are placed in section 189 of this title.

The composition of the teaching staff at the Academy is changed materially on the recommendation of the Academic Board and the Advisory Committee. The scope of duty of members of the staff is enlarged to include whatever the Commandant prescribes.

Title 14, U.S.C., 1946 ed., § 15b provides for five professors as heads or assistant heads of departments at the Academy. The Academic Board of the Academy and the Advisory Committee, after extensive study have recommended the change, as provided in this section, to three professors and twelve others on the permanent teaching staff, with designations to conform generally with the designations and grades of faculty members at other universities. The librarian is given faculty status because of the role of the library as the center of the modern university; this is in conformity with the practice of other higher educational institutions. It is believed that the increased number of permanent commissioned instructors is justified and desirable in view of the expansion of the Cadet Corps as the full effect of the return to a four-year course is felt. It is probable that, in the next few years, the number of cadets will approximate 450. The average number in the past two years has been about 300. This new set-up for the permanent commissioned teaching staff will permit desirable exchanges of professors with leading universities, and occasional sabbatical leaves in order to better the faculty generally. It is pointed out that this increase in permanent instructors does not increase the authorized number of officers in the Coast Guard, as they are all included in the limitation provided in section 42 of this title. If a teaching position at the Academy is not provided for permanently it will require the assignment of an additional regular officer, so it is apparent that the changes proposed in this section do not increase the size of the Service, or the expense, but represent a long-range plan to better the Academy as a leading educational institution within the present, recognized, standards for a proper university faculty. The last sentence retains the command status of the professors as provided in existing law but enlarges the field in which they may perform duty, in order to make it possible to give them interim assignments other than at the Academy, thus broadening their knowledge of the Service while still advantageously utilizing their services. 81st Congress, House Report No. 557.

##### AMENDMENTS

2018—Pub. L. 115-282 renumbered section 187 of this title as this section.

1960—Pub. L. 86-474 substituted “shall consist of professors, associate professors, assistant professors and instructors, in such numbers as the needs of the Service require” for “shall consist of not more than three professors who may serve as heads of departments, and not more than twelve associate professors, assistant professors, and commissioned instructors, one of whom shall be the librarian”.

#### § 1943. Appointment of permanent commissioned teaching staff

The President may appoint in the Coast Guard, by and with the advice and consent of

the Senate, the professors, associate professors, assistant professors, and instructors who are to serve on the permanent commissioned teaching staff of the Academy. An original appointment to the permanent commissioned teaching staff, unless the appointee has served as a civilian member of the teaching staff, regular commissioned officer, temporary commissioned officer, or reserve commissioned officer in the Coast Guard, shall be a temporary appointment until the appointee has satisfactorily completed a probationary term of four years of service; thereafter he may be regularly appointed and his rank shall date from the date of his temporary appointment in the grade in which permanently appointed.

(Aug. 4, 1949, ch. 393, 63 Stat. 509, § 188; Pub. L. 86-474, § 1(11), May 14, 1960, 74 Stat. 145; Pub. L. 94-546, § 1(15), Oct. 18, 1976, 90 Stat. 2520; renumbered § 1943, Pub. L. 115-282, title I, § 110(b), Dec. 4, 2018, 132 Stat. 4212.)

#### HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., § 15b (Apr. 16, 1937, ch. 107, § 1, 50 Stat. 66; May 2, 1942, ch. 273, 56 Stat. 265).

Said section has been divided. That part of the first sentence which provides for the composition of the teaching staff is incorporated in section 187 of this title. The other provisions are incorporated in this section, except for the proviso which has been omitted as no longer needed.

This section incorporates the following changes because of the new plan for the permanent teaching staff: the President is authorized to appoint a candidate to any of the grades prescribed; and the probationary term, applicable unless the candidate has served in the Coast Guard as prescribed in this section, is increased from two to four years. Authorization for appointment in any grade is deemed desirable in order to permit the acquisition of outstanding instructors for the staff. It is believed that the former two-year period was too short to fully evaluate the capabilities of a temporary appointee. 81st Congress, House Report No. 557.
