HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., §15f (Apr. 16, 1937, ch. 107, §5, 50 Stat. 67).

The provision prohibiting the retirement of a professor because of physical disability with less than 15

years' service is changed to have application only during the temporary appointment of a professor.

This section provides for the retirement of associate professors, assistant professors, and commissioned instructors in addition to professors. It is believed that the provision of existing law requiring 15 years' service before becoming eligible for retirement, discriminated against this group of officers as no other group was discriminated against, and should be eliminated. It was changed so that these officers would be ineligible for retirement during their probationary term only.

Changes were made in phraseology. 81st Congress, House Report No. 557.
