

(c) In determining a member's years of active service for the purpose of computing separation pay under this section, each full month of service that is in addition to the number of full years of service creditable to the member is counted as one-twelfth of a year and any remaining fractional part of a month is disregarded.

However, there shall be deducted from each of his retirement payments so much thereof as is based on the service for which he has received separation pay under this section, until the total deductions equal the amount of such separation pay.
