Pub. L. 100-709, § 4, Nov. 23, 1988, 102 Stat. 4733, provided that: “The Board of Governors of the Federal Reserve System shall develop and prepare a pamphlet for distribution to consumers which contains—

“(1) a general description of open end consumer credit plans secured by the consumer's principal dwelling and the terms and conditions under which such loans are generally extended; and

“(2) a discussion of the potential advantages and disadvantages of such plans, including how to compare among home equity plans and between home equity and closed end credit plans.”

§ 1638. Transactions other than under an open end credit plan

(a) Required disclosures by creditor

For each consumer credit transaction other than under an open end credit plan, the creditor shall disclose each of the following items, to the extent applicable:

(1) The identity of the creditor required to make disclosure.

(2)(A) The “amount financed”, using that term, which shall be the amount of credit of which the consumer has actual use. This amount shall be computed as follows, but the computations need not be disclosed and shall not be disclosed with the disclosures conspicuously segregated in accordance with subsection (b)(1):

(i) take the principal amount of the loan or the cash price less downpayment and trade-in;

(ii) add any charges which are not part of the finance charge or of the principal amount of the loan and which are financed by the consumer, including the cost of any items excluded from the finance charge pursuant to section 1605 of this title; and

(iii) subtract any charges which are part of the finance charge but which will be paid by the consumer before or at the time of the consummation of the transaction, or have been withheld from the proceeds of the credit.

(B) In conjunction with the disclosure of the amount financed, a creditor shall provide a statement of the consumer's right to obtain, upon a written request, a written itemization of the amount financed. The statement shall include spaces for a “yes” and “no” indication to be initialed by the consumer to indicate whether the consumer wants a written itemization of the amount financed. Upon receiving an affirmative indication, the creditor shall provide, at the time other disclosures are required to be furnished, a written itemization of the amount financed. For the purposes of this subparagraph, “itemization of the amount financed” means a disclosure of the following items, to the extent applicable:

(i) the amount that is or will be paid directly to the consumer;

(ii) the amount that is or will be credited to the consumer's account to discharge obligations owed to the creditor;

(iii) each amount that is or will be paid to third persons by the creditor on the consumer's behalf, together with an identification of or reference to the third person; and

(iv) the total amount of any charges described in the preceding subparagraph (A)(iii).

(3) The “finance charge”, not itemized, using that term.

(4) The finance charge expressed as an “annual percentage rate”, using that term. This shall not be required if the amount financed does not exceed \$75 and the finance charge does not exceed \$5, or if the amount financed exceeds \$75 and the finance charge does not exceed \$7.50.

(5) The sum of the amount financed and the finance charge, which shall be termed the “total of payments”.

(6) The number, amount, and due dates or period of payments scheduled to repay the total of payments.

(7) In a sale of property or services in which the seller is the creditor required to disclose pursuant to section 1631(b) of this title, the “total sale price”, using that term, which shall be the total of the cash price of the property or services, additional charges, and the finance charge.

(8) Descriptive explanations of the terms “amount financed”, “finance charge”, “annual percentage rate”, “total of payments”, and “total sale price” as specified by the Bureau. The descriptive explanation of “total

sale price” shall include reference to the amount of the downpayment.

(9) Where the credit is secured, a statement that a security interest has been taken in (A) the property which is purchased as part of the credit transaction, or (B) property not purchased as part of the credit transaction identified by item or type.

(10) Any dollar charge or percentage amount which may be imposed by a creditor solely on account of a late payment, other than a deferral or extension charge.

(11) A statement indicating whether or not the consumer is entitled to a rebate of any finance charge upon refinancing or prepayment in full pursuant to acceleration or otherwise, if the obligation involves a precomputed finance charge. A statement indicating whether or not a penalty will be imposed in those same circumstances if the obligation involves a finance charge computed from time to time by application of a rate to the unpaid principal balance.

(12) A statement that the consumer should refer to the appropriate contract document for any information such document provides about nonpayment, default, the right to accelerate the maturity of the debt, and prepayment rebates and penalties.

(13) In any residential mortgage transaction, a statement indicating whether a subsequent purchaser or assignee of the consumer may assume the debt obligation on its original terms and conditions.

(14) In the case of any variable interest rate residential mortgage transaction, in disclosures provided at application as prescribed by the Bureau for a variable rate transaction secured by the consumer's principal dwelling, at the option of the creditor, a statement that the periodic payments may increase or decrease substantially, and the maximum interest rate and payment for a \$10,000 loan originated at a recent interest rate, as determined by the Bureau, assuming the maximum periodic increases in rates and payments under the program, or a historical example illustrating the effects of interest rate changes implemented according to the loan program.

(15) In the case of a consumer credit transaction that is secured by the principal dwelling of the consumer, in which the extension of credit may exceed the fair market value of the dwelling, a clear and conspicuous statement that—

(A) the interest on the portion of the credit extension that is greater than the fair market value of the dwelling is not tax deductible for Federal income tax purposes; and

(B) the consumer should consult a tax adviser for further information regarding the deductibility of interest and charges.

(16) In the case of a variable rate residential mortgage loan for which an escrow or impound account will be established for the payment of all applicable taxes, insurance, and assessments—

(A) the amount of initial monthly payment due under the loan for the payment of principal and interest, and the amount of

such initial monthly payment including the monthly payment deposited in the account for the payment of all applicable taxes, insurance, and assessments; and

(B) the amount of the fully indexed monthly payment due under the loan for the payment of principal and interest, and the amount of such fully indexed monthly payment including the monthly payment deposited in the account for the payment of all applicable taxes, insurance, and assessments.

(17) In the case of a residential mortgage loan, the aggregate amount of settlement charges for all settlement services provided in connection with the loan, the amount of charges that are included in the loan and the amount of such charges the borrower must pay at closing, the approximate amount of the wholesale rate of funds in connection with the loan, and the aggregate amount of other fees or required payments in connection with the loan.

(18) In the case of a residential mortgage loan, the aggregate amount of fees paid to the mortgage originator in connection with the loan, the amount of such fees paid directly by the consumer, and any additional amount received by the originator from the creditor.

(19) In the case of a residential mortgage loan, the total amount of interest that the consumer will pay over the life of the loan as a percentage of the principal of the loan. Such amount shall be computed assuming the consumer makes each monthly payment in full and on-time, and does not make any over-payments.

(b) Form and timing of disclosures; residential mortgage transaction requirements

(1) Except as otherwise provided in this part, the disclosures required under subsection (a) shall be made before the credit is extended. Except for the disclosures required by subsection (a)(1) of this section, all disclosures required under subsection (a) and any disclosure provided for in subsection (b), (c), or (d) of section 1605 of this title shall be conspicuously segregated from all other terms, data, or information provided in connection with a transaction, including any computations or itemization.

(2)(A) Except as provided in subparagraph (G), in the case of any extension of credit that is secured by the dwelling of a consumer, which is also subject to the Real Estate Settlement Procedures Act [12 U.S.C. 2601 et seq.], good faith estimates of the disclosures required under subsection (a) shall be made in accordance with regulations of the Bureau under section 1631(c) of this title and shall be delivered or placed in the mail not later than three business days after the creditor receives the consumer's written application, which shall be at least 7 business days before consummation of the transaction.

(B) In the case of an extension of credit that is secured by the dwelling of a consumer, the disclosures provided under subparagraph (A),¹

¹ So in original. The comma probably should not appear.

shall be in addition to the other disclosures required by subsection (a), and shall—

(i) state in conspicuous type size and format, the following: “You are not required to complete this agreement merely because you have received these disclosures or signed a loan application.”; and

(ii) be provided in the form of final disclosures at the time of consummation of the transaction, in the form and manner prescribed by this section.

(C) In the case of an extension of credit that is secured by the dwelling of a consumer, under which the annual rate of interest is variable, or with respect to which the regular payments may otherwise be variable, in addition to the other disclosures required by subsection (a), the disclosures provided under this subsection shall do the following:

(i) Label the payment schedule as follows: “Payment Schedule: Payments Will Vary Based on Interest Rate Changes”.

(ii) State in conspicuous type size and format examples of adjustments to the regular required payment on the extension of credit based on the change in the interest rates specified by the contract for such extension of credit. Among the examples required to be provided under this clause is an example that reflects the maximum payment amount of the regular required payments on the extension of credit, based on the maximum interest rate allowed under the contract, in accordance with the rules of the Bureau. Prior to issuing any rules pursuant to this clause, the Bureau shall conduct consumer testing to determine the appropriate format for providing the disclosures required under this subparagraph to consumers so that such disclosures can be easily understood, including the fact that the initial regular payments are for a specific time period that will end on a certain date, that payments will adjust afterwards potentially to a higher amount, and that there is no guarantee that the borrower will be able to refinance to a lower amount.

(D) In any case in which the disclosure statement under subparagraph (A) contains an annual percentage rate of interest that is no longer accurate, as determined under section 1606(c) of this title, the creditor shall furnish an additional, corrected statement to the borrower, not later than 3 business days before the date of consummation of the transaction.

(E) The consumer shall receive the disclosures required under this paragraph before paying any fee to the creditor or other person in connection with the consumer’s application for an extension of credit that is secured by the dwelling of a consumer. If the disclosures are mailed to the consumer, the consumer is considered to have received them 3 business days after they are mailed. A creditor or other person may impose a fee for obtaining the consumer’s credit report before the consumer has received the disclosures under this paragraph, provided the fee is bona fide and reasonable in amount.

(F) WAIVER OF TIMELINESS OF DISCLOSURES.—To expedite consummation of a transaction, if the consumer determines that the extension of cred-

it is needed to meet a bona fide personal financial emergency, the consumer may waive or modify the timing requirements for disclosures under subparagraph (A), provided that—

(i) the term “bona fide personal emergency” may be further defined in regulations issued by the Bureau;

(ii) the consumer provides to the creditor a dated, written statement describing the emergency and specifically waiving or modifying those timing requirements, which statement shall bear the signature of all consumers entitled to receive the disclosures required by this paragraph; and

(iii) the creditor provides to the consumers at or before the time of such waiver or modification, the final disclosures required by paragraph (1).

(G)(i) In the case of an extension of credit relating to a plan described in section 101(53D) of title 11—

(I) the requirements of subparagraphs (A) through (E) shall not apply; and

(II) a good faith estimate of the disclosures required under subsection (a) shall be made in accordance with regulations of the Bureau under section 1631(c) of this title before such credit is extended, or shall be delivered or placed in the mail not later than 3 business days after the date on which the creditor receives the written application of the consumer for such credit, whichever is earlier.

(ii) If a disclosure statement furnished within 3 business days of the written application (as provided under clause (i)(II)) contains an annual percentage rate which is subsequently rendered inaccurate, within the meaning of section 1606(c) of this title, the creditor shall furnish another disclosure statement at the time of settlement or consummation of the transaction.

(3) In the case of a credit transaction described in paragraph (15) of subsection (a), disclosures required by that paragraph shall be made to the consumer at the time of application for such extension of credit.

(4) REPAYMENT ANALYSIS REQUIRED TO INCLUDE ESCROW PAYMENTS.—

(A) IN GENERAL.—In the case of any consumer credit transaction secured by a first mortgage or lien on the principal dwelling of the consumer, other than a consumer credit transaction under an open end credit plan or a reverse mortgage, for which an impound, trust, or other type of account has been or will be established in connection with the transaction for the payment of property taxes, hazard and flood (if any) insurance premiums, or other periodic payments or premiums with respect to the property, the information required to be provided under subsection (a) with respect to the number, amount, and due dates or period of payments scheduled to repay the total of payments shall take into account the amount of any monthly payment to such account for each such repayment in accordance with section 10(a)(2) of the Real Estate Settlement Procedures Act of 1974 [12 U.S.C. 2609(a)(2)].

(B) ASSESSMENT VALUE.—The amount taken into account under subparagraph (A) for the

payment of property taxes, hazard and flood (if any) insurance premiums, or other periodic payments or premiums with respect to the property shall reflect the taxable assessed value of the real property securing the transaction after the consummation of the transaction, including the value of any improvements on the property or to be constructed on the property (whether or not such construction will be financed from the proceeds of the transaction), if known, and the replacement costs of the property for hazard insurance, in the initial year after the transaction.

(c) Timing of disclosures on unsolicited mailed or telephone purchase orders or loan requests

(1) If a creditor receives a purchase order by mail or telephone without personal solicitation, and the cash price and the total sale price and the terms of financing, including the annual percentage rate, are set forth in the creditor's catalog or other printed material distributed to the public, then the disclosures required under subsection (a) may be made at any time not later than the date the first payment is due.

(2) If a creditor receives a request for a loan by mail or telephone without personal solicitation and the terms of financing, including the annual percentage rate for representative amounts of credit, are set forth in the creditor's printed material distributed to the public, or in the contract of loan or other printed material delivered to the obligor, then the disclosures required under subsection (a) may be made at any time not later than the date the first payment is due.

(d) Timing of disclosure in cases of an addition of a deferred payment price to an existing outstanding balance

If a consumer credit sale is one of a series of consumer credit sales transactions made pursuant to an agreement providing for the addition of the deferred payment price of that sale to an existing outstanding balance, and the person to whom the credit is extended has approved in writing both the annual percentage rate or rates and the method of computing the finance charge or charges, and the creditor retains no security interest in any property as to which he has received payments aggregating the amount of the sales price including any finance charges attributable thereto, then the disclosure required under subsection (a) for the particular sale may be made at any time not later than the date the first payment for that sale is due. For the purposes of this subsection, in the case of items purchased on different dates, the first purchased shall be deemed first paid for, and in the case of items purchased on the same date, the lowest price shall be deemed first paid for.

(e) Terms and disclosure with respect to private education loans

(1) Disclosures required in private education loan applications and solicitations

In any application for a private education loan, or a solicitation for a private education loan without requiring an application, the private educational lender shall disclose to the borrower, clearly and conspicuously—

(O) that, as provided in paragraph (6)—

(i) the borrower shall have the right to accept the terms of the loan and consummate the transaction at any time within 30 calendar days (or such longer period as the private educational lender may provide) following the date on which the application for the private education loan is approved and the borrower receives the disclosure documents required under this subsection for the loan; and

(P) such other information as the Bureau shall prescribe, by rule, as necessary or appropriate for consumers to make informed borrowing decisions.

(3) Self-certification of information

(A) In general

Before a private educational lender may consummate a private education loan with respect to a student attending an institution of higher education, the lender shall obtain from the applicant for the private education loan the form developed by the Secretary of Education under section 155 of the Higher Education Act of 1965 [20 U.S.C. 1019d], signed by the applicant, in written or electronic form.

(4) Disclosures at the time of private education loan consummation

Contemporaneously with the consummation of a private education loan, a private educational lender shall make to the borrower each of the disclosures described in—

(A) In general

With respect to a private education loan, the borrower shall have the right to accept the terms of the loan and consummate the transaction at any time within 30 calendar days (or such longer period as the private educational lender may provide) following the date on which the application for the private education loan is approved and the borrower receives the disclosure documents required under this subsection for the loan, and the rates and terms of the loan may not be changed by the private educational lender during that period.

(B) Prohibition on changes

Except for changes based on adjustments to the index used for a loan, the rates and terms of the loan may not be changed by the private educational lender prior to the earlier of—
