### § 77eee. Securities required to be registered under Securities Act

#### (a) Information required

Subject to the provisions of section 77ddd of this title, a registration statement relating to a security shall include the following information and documents, as though such inclusion were required by the provisions of section 7 of the Securities Act of 1933 [15 U.S.C. 77g]—

(1) such information and documents as the Commission may by rules and regulations prescribe in order to enable the Commission to determine whether any person designated to act as trustee under the indenture under which such security has been or is to be issued is eligible to act as such under subsection (a) of section 77jjj of this title; and

(2) an analysis of any provisions of such indenture with respect to (A) the definition of what shall constitute a default under such indenture, and the withholding of notice to the indenture security holders of any such default, (B) the authentication and delivery of the indenture securities and the application of the proceeds thereof, (C) the release or the release and substitution of any property subject to the lien of the indenture, (D) the satisfaction and discharge of the indenture, and (E) the evidence required to be furnished by the obligor upon the indenture securities to the trustee as to compliance with the conditions and covenants provided for in such indenture.

The information and documents required by paragraph (1) of this subsection with respect to the person designated to act as indenture trustee shall be contained in a separate part of such registration statement, which part shall be signed by such person. Such part of the registration statement shall be deemed to be a document filed pursuant to this subchapter, and the provisions of sections 11, 12, 17, and 24 of the Securities Act of 1933 [15 U.S.C. 77k, 77l, 77q, 77x] shall not apply to statements therein or omissions therefrom.

#### (b) Refusal of registration statement

(1) Except as may be permitted by paragraph (2) of this subsection, the Commission shall issue an order prior to the effective date of registration refusing to permit such a registration statement to become effective, if it finds that—

(A) the security to which such registration statement relates has not been or is not to be issued under an indenture; or

(B) any person designated as trustee under such indenture is not eligible to act as such under subsection (a) of section 77jjj of this title;

but no such order shall be issued except after notice and opportunity for hearing within the periods and in the manner required with respect to refusal orders pursuant to section 8(b) of the Securities Act of 1933 [15 U.S.C. 77h(b)]. If and when the Commission deems that the objections on which such order was based have been met, the Commission shall enter an order rescinding such refusal order, and the registration shall become effective at the time provided in section 8(a) of the Securities Act of 1933 [15 U.S.C. 77h(a)], or upon the date of such rescission, whichever shall be the later.

(2) In the case of securities registered under the Securities Act of 1933 [15 U.S.C. 77a et seq.], which securities are eligible to be issued, offered, or sold on a delayed basis by or on behalf of the registrant, the Commission shall not be required to issue an order pursuant to paragraph (1) of subsection (b) of this section for failure to designate a trustee eligible to act under subsection (a) of section 77jjj of this title if, in accordance with such rules and regulations as may be prescribed by the Commission, the issuer of such securities files an application for the purpose of determining such trustee's eligibility under subsection (a) of section 77jjj of this title. The Commission shall issue an order prior to the effective date of such application refusing to
