

(E) The Office of Marine and Aviation Operations.

(b) Hydrologic research fellowship program

(1) Establishment

The Administrator shall establish a hydrologic research fellowship program (in this section referred to as the “program”) for qualified individuals.

(2) Qualified individual

For purposes of this section, a qualified individual is an individual who is—

(A) a citizen of the United States; and

(B) enrolled in a research-based graduate program, at an institution of higher education, in a field that advances the research priorities developed by the Assistant Administrator under paragraph (7), such as—

(i) hydrology;

(ii) earth sciences;

(iii) atmospheric sciences;

(iv) computer sciences;

(v) engineering;

(vi) environmental sciences;

(vii) geosciences;

(viii) urban planning; or

(ix) related social sciences.

(3) Award guidelines

Fellowships under the program shall be awarded pursuant to guidelines established by the Assistant Administrator.

(4) Selection preference

In selecting qualified individuals for participation in the program, the Assistant Administrator shall give preference to applicants from historically Black colleges and universities and minority-serving institutions.

(5) Placement

The program shall support the placement of qualified individuals in positions within the executive branch of the Federal Government where such individuals can address and advance the research priorities developed by the Assistant Administrator under paragraph (7).

(6) Fellowship term

A fellowship under the program shall be for a period of up to 2 years.

(7) Fellowship research priorities

The Assistant Administrator, in consultation with representatives from the NOAA line offices, the United States Geological Survey, the Federal Emergency Management Agency, and the Army Corps of Engineers, as appropriate, shall develop and publish priorities for the conduct of research by fellows, which may include the following:

(A) Advance the collaborative development of a flexible community-based water resources modeling system.

(B) Apply artificial intelligence and machine learning capabilities to advance existing hydrologic modeling capabilities.

(C) Support the evolution and integration of hydrologic modeling within an Earth Systems Modeling Framework.

(D) Improve visualizations of hydrologic model outputs.

(E) Advance the state of coupled freshwater and salt water modeling and forecasting capabilities.

(F) Advance understanding and process representation of water quality parameters.

(G) Advance the assimilation of in-situ and remotely sensed observations and data.

(H) Support the integration of social science to advance decision support services.

(I) Develop methods to study groundwater sustainability and estimate the efficiency of recharge management.

(c) Direct hiring

(1) Authority

During fiscal year 2022 and any fiscal year thereafter, the head of any Federal agency may appoint, without regard to the provisions of subchapter I of chapter 33 of title 5, other than sections 3303 and 3328 of that title, to a position with the Federal agency a recipient of a fellowship under the program who—

(A) earned a degree from a program described in subsection (b)(2)(B);

(B) successfully fulfilled the requirements of the fellowship within the executive branch of the Federal Government; and

(C) meets qualification standards established by the Office of Personnel Management.

(2) Exercise of authority

The direct hire authority provided by this subsection shall be exercised with respect to an individual described in paragraph (1) not later than 2 years after the date on which the individual completed the fellowship under the program.

(Pub. L. 117–316, §14, Dec. 27, 2022, 136 Stat. 4415.)

§ 9710. Identification and support of consistent, Federal set of forward-looking, long-term meteorological information

(a) Definitions

In this section:

(1) Extreme weather

The term “extreme weather” includes observed or anticipated severe and unseasonable atmospheric conditions, including drought, heavy precipitation, hurricanes, tornadoes and other windstorms (including derechos), large hail, extreme heat, extreme cold, flooding, sustained temperatures or precipitation that deviate substantially from historical averages, and any other weather event that the Administrator determines qualifies as extreme weather.

(2) Long-term

The term “long-term” shall have such meaning as the Director of the National Institute of Standards and Technology, in consultation with the Administrator, considers appropriate for purposes of this section.

(3) Other environmental trends

The term “other environmental trends” means wildfires, coastal flooding, inland flooding, land subsidence, rising sea levels, and any other challenges relating to changes in envi-

ronmental systems over time that the Administrator determines qualify as environmental challenges other than extreme weather.

(b) Identification and support of consistent, Federal set of forward-looking, long-term meteorological information

The Administrator shall identify, and support research that enables, a consistent, Federal set of forward-looking, long-term meteorological information that models future extreme weather events, other environmental trends, projections, and up-to-date observations, including mesoscale information as determined appropriate by the Administrator.

(Pub. L. 117-316, §15, Dec. 27, 2022, 136 Stat. 4417.)

§ 9711. Gap analysis on availability of snow-related data to assess and predict flood and flood impacts

(a) In general

The Administrator, in consultation with the Department of Agriculture, the Department of the Interior, and the Army Corps of Engineers, shall conduct an analysis of gaps in the availability of snow-related data to assess and predict floods and flood impacts, including data on the following:

- (1) Snow water equivalent.
- (2) Snow depth.
- (3) Snowpack temperature.
- (4) Snow and mixed-phase precipitation.
- (5) Snow melt.
- (6) Rain-snow line.

(b) Report

Not later than 180 days after December 27, 2022, the Administrator shall submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Science, Space, and Technology of the House of Representatives a report on—

- (1) the findings of the gap analysis required by subsection (a); and
- (2) opportunities for additional collaboration among Federal agencies to collect snow-related data to better assess and predict floods and flood impacts.

(Pub. L. 117-316, §16, Dec. 27, 2022, 136 Stat. 4417.)

§ 9712. Availability to the public of flood-related data

(a) In general

The Administrator shall make flood-related data available to the public on the website of the National Oceanic and Atmospheric Administration.

(b) Cost

The Administrator may make the data under subsection (a) freely accessible or available at a cost that does not exceed the cost of preparing the data.

(Pub. L. 117-316, §17, Dec. 27, 2022, 136 Stat. 4418.)

CHAPTER 122—TRAVEL AND TOURISM

Sec.	
9801.	Defined term.
9802.	Purposes.

Sec.	
9803.	Responsibilities of the Assistant Secretary of Commerce for Travel and Tourism.
9804.	Travel and tourism strategy.
9805.	Data on domestic travel and tourism.

§ 9801. Defined term

In this title,¹ the term “COVID-19 public health emergency”—

- (1) means the public health emergency first declared on January 31, 2020, by the Secretary of Health and Human Services under section 247d of title 42 with respect to COVID-19; and
- (2) includes any renewal of such declaration pursuant to such section 247d of title 42.

(Pub. L. 117-328, div. BB, title VI, §600, Dec. 29, 2022, 136 Stat. 5566.)

Editorial Notes

REFERENCES IN TEXT

This title, referred to in text, is title VI of div. BB of Pub. L. 117-328, Dec. 29, 2022, 136 Stat. 5566. Section 600 and subtitle A (§§601-609) of title VI enacted this chapter, amended section 1546 of this title, enacted provisions set out as notes under this section and section 9802 of this title, amended provisions set out as a note under section 2171 of Title 19, Customs Duties, and amended Reorg. Plan No. 3 of 1979, set out in the Appendix to Title 5, Government Organization and Employees. Subtitle B (§611) of title VI is not classified to the Code. For complete classification of title VI to the Code, see Tables.

Statutory Notes and Related Subsidiaries

SHORT TITLE OF 2022 AMENDMENT

Pub. L. 117-328, div. BB, title VI, §601, Dec. 29, 2022, 136 Stat. 5566, provided that: “This subtitle [subtitle A (§§601-609) of title VI of div. BB of Pub. L. 117-328, enacting sections 9802 to 9805 of this title, amending section 1546 of this title, enacting provisions set out as notes under this section and section 9802 of this title, amending provisions set out as notes under section 2171 of Title 19, Customs Duties, and amended Reorg. Plan No. 3 of 1979, set out in the Appendix to Title 5, Government Organization and Employees] may be cited as the ‘Visit America Act’.”

COMPLETION OF PROCEEDING

Pub. L. 117-328, div. BB, title VI, §609, Dec. 29, 2022, 136 Stat. 5570, provided that: “If the Secretary of Commerce, before the date of the enactment of this Act [Dec. 29, 2022], has taken any action that, in whole or in part, implements this title [see References in Text note above] or the amendments made by this title, the Secretary is not required to revisit such action to the extent such action is consistent with this title and the amendments made by this title.”

§ 9802. Purposes

The purposes of this subtitle are—

- (1) to support the travel and tourism industry, which produces economic impacts that are vital to our national economy; and
- (2) to establish national goals for international visitors to the United States, including—
 - (A) recommendations for achieving such goals and timelines for implementing such recommendations;
 - (B) coordination between Federal and State agencies;
