This chapter, referred to in subsec. (b)(3)(A)(ii)(I), was in the original “this Act” which was translated as reading “this title”, meaning title III of Pub. L. 89-454 which is classified generally to this chapter, to reflect the probable intent of Congress.

AMENDMENTS

2005—Pub. L. 109-58 amended section catchline and text generally, substituting provisions relating to notice, closure of record, and deadline for decision for provisions relating to notice, deadline for decision, and application of section.

§ 1466. Appeals relating to offshore mineral development

For any Federal administrative agency proceeding that is an appeal or review under section 319 of the Coastal Zone Management Act of 1972 (16 U.S.C. 1465) related to any Federal authorization for the permitting, approval, or other authorization of an energy project, the lead Federal permitting agency for the project shall, with the cooperation of Federal and State administrative agencies, maintain a consolidated record of all decisions made or actions taken by the lead agency or by another Federal or State administrative agency or officer. Such record shall be the initial record for appeals or reviews under that Act, provided that the record may be supplemented as expressly provided pursuant to section 319 of that Act.

§ 1467. Establishment of the Digital Coast

(a) Establishment

(1) In general

The Secretary shall establish a program for the provision of an enabling platform that integrates geospatial data, decision-support tools, training, and best practices to address coastal management issues and needs. Under the program, the Secretary shall strive to enhance resilient communities, ecosystem values, and coastal economic growth and development by helping communities address their issues, needs, and challenges through cost-effective and participatory solutions.

(2) Designation

The program established under paragraph (1) shall be known as the “Digital Coast” (in this section referred to as the “program”).

(b) Program requirements

In carrying out the program, the Secretary shall ensure that the program provides data integration, tool development, training, documentation, dissemination, and archive by—

(1) making data and resulting integrated products developed under this section readily accessible via the Digital Coast internet website of the National Oceanic and Atmospheric Administration, the GeoPlatform.gov and data.gov internet websites, and such other information distribution technologies as the Secretary considers appropriate;

(2) developing decision-support tools that use and display resulting integrated data and provide training on use of such tools;

(3) documenting such data to Federal Geographic Data Committee standards; and

(4) archiving all raw data acquired under this Act at the appropriate National Oceanic and Atmospheric Administration data center or such other Federal data center as the Secretary considers appropriate.

(c) Coordination

The Secretary shall coordinate the activities carried out under the program to optimize data collection, sharing, and integration, and to minimize duplication by—

(1) consulting with coastal managers and decision makers concerning coastal issues, and sharing information and best practices, as the Secretary considers appropriate, with—

(A) coastal States;

(B) local governments; and

(C) representatives of academia, the private sector, and nongovernmental organizations;

(2) consulting with other Federal agencies, including interagency committees, on relevant Federal activities, including activities carried out under the Ocean and Coastal Mapping Integration Act (33 U.S.C. 3501 et seq.), the Coastal Zone Management Act of 1972 (16 U.S.C. 1451 et seq.), the Integrated Coastal and Ocean Observation System Act of 2009 (33 U.S.C. 3601 et seq.), and the Hydrographic Services Improvement Act of 1998 (33 U.S.C. 892 et seq.);

(3) participating, pursuant to section 216 of the E-Government Act of 2002 (Public Law
