AMENDMENTS

2018—Pub. L. 115-141 substituted “Secretary” for “Secretary of Agriculture”.

§ 1604. National Forest System land and resource management plans

(a) Development, maintenance, and revision by Secretary as part of program; coordination

As a part of the Program provided for by section 1602 of this title, the Secretary shall develop, maintain, and, as appropriate, revise land and resource management plans for units of the National Forest System, coordinated with the land and resource management planning processes of State and local governments and other Federal agencies.

(b) Criteria

In the development and maintenance of land management plans for use on units of the National Forest System, the Secretary shall use a systematic interdisciplinary approach to achieve integrated consideration of physical, biological, economic, and other sciences.

(c) Incorporation of standards and guidelines by Secretary; time of completion; progress reports; existing management plans

The Secretary shall begin to incorporate the standards and guidelines required by this section in plans for units of the National Forest System as soon as practicable after October 22, 1976, and shall attempt to complete such incorporation for all such units by no later than September 30, 1985. The Secretary shall report to the Congress on the progress of such incorporation in the annual report required by section 1606(c) of this title. Until such time as a unit of the National Forest System is managed under plans developed in accordance with this subchapter, the management of such unit may continue under existing land and resource management plans.

(d) Public participation and consultation

(1) In general

The Secretary shall provide for public participation in the development, review, and revision of land management plans including, but not limited to, making the plans or revisions available to the public at convenient locations in the vicinity of the affected unit for a period of at least three months before final adoption, during which period the Secretary shall publicize and hold public meetings or comparable processes at locations that foster public participation in the review of such plans or revisions.

(2) No additional consultation required after approval of land management plans

(A) In general

Except as provided in subparagraph (B), notwithstanding any other provision of law, the Secretary shall not be required to engage in consultation under this section or any other provision of law (including section 7 of Public Law 93-205 (16 U.S.C. 1536) and section 402.16 of title 50, Code of Federal
