

directed to cooperate with the Secretary in his development of such plan and to make such studies as the Secretary may request on a cost reimbursable basis.

(D) In preparing the comprehensive management plan required by this subsection, the Secretary shall consider technical information and other pertinent data assembled or produced by field studies or investigations conducted separately or jointly by the technical and administrative personnel of the Federal and State agencies involved in order to insure the permanent conservation of wildlife within the area added to the park by this section. Except in emergencies, rules and regulations pertaining to the management of wildlife within the area added to the park by this section shall be put into effect only after consultation with the State of California.

(f) Authorization of appropriations

There are hereby authorized to be appropriated such sums as may be necessary for the acquisition of land and interests therein described in this section.

(g) Omitted

(h) Skiing prohibition

The Congress recognizes that the Mineral King Valley area has outstanding potential for certain year-round recreational opportunities, but the development of permanent facilities for downhill skiing within the area would be inconsistent with the preservation and enhancement of its ecological values.
