SUBCHAPTER CXII—GRAND ISLAND NATIONAL RECREATION AREA

§ 460aaa. Establishment

In order to preserve and protect for present and future generations the outstanding resources and values of Grand Island in Lake Superior, Michigan, and for the purposes of providing for the conservation, protection, and enhancement of its scenery, recreation, fish and wildlife, vegetation and historical and cultural resources, there is hereby established the Grand Island National Recreation Area (hereafter in this subchapter referred to as the “national recreation area”). These resources and values include, but are not limited to, cliffs, caves, beaches, forested appearance, natural biological diversity, and features of early settlement.

§ 460aaa-1. Boundaries

The national recreation area shall comprise all of the Grand Island in Lake Superior, Michigan, and all associated rocks, pinnacles, and islands and islets within one-quarter mile of the shore of Grand Island. The boundaries of the Hiawatha National Forest are hereby extended to include all of the lands within the national recreation area. All such extended boundaries shall be deemed boundaries in existence as of January 1, 1965, for the purposes of sections 100506(c) and 200306 of title 54. All federally owned lands within the national recreation area on May 17, 1990, are hereby components of the National Forest System and shall be administered by the Secretary of Agriculture as provided in this subchapter.

CODIFICATION

In text, “sections 100506(c) and 200306 of title 54” substituted for “section 7 of the Land and Water Conservation Fund Act of 1965 (16 U.S.C. 460/-9)” on authority of Pub. L. 113-287, § 6(e), Dec. 19, 2014, 128 Stat. 3272, which Act enacted Title 54, National Park Service and Related Programs.

§ 460aaa-2. Administration

(a) Administration

Subject to valid existing rights, the Secretary of Agriculture (hereafter in this subchapter referred to as the “Secretary”) shall administer the national recreation area in accordance with the laws, rules, and regulations applicable to the National Forest System in furtherance of the purposes for which the national recreation area was established.

(b) Special management requirements

The national recreation area also shall be administered according to the following special management requirements:

(1) Subject to such terms and conditions as may be prescribed by the Secretary, including the protection of threatened and endangered

species and the protection of other natural, cultural, and scenic values, owners of privately owned land and homes within the national recreation area shall be afforded access across National Forest System lands.

(2) Consistent with section 460aaa-6 of this title, and the purposes of this subchapter, the Secretary shall provide for and maintain traditional public access, including vehicular roads for general recreational activities such as camping, hiking, hunting, fishing, and trapping.

(3) The Secretary shall permit the use of snowmobiles on Federal lands in the national recreation area in accordance with the rules and regulations of the National Forest System and consistent with the management plan developed pursuant to section 460aaa-6 of this title. Such use shall be regulated to protect the resources of the national recreation area in a way that minimizes the degradation of these resources.

(4) Timber management shall be utilized only as a tool to enhance public recreation, scenic quality, game and nongame wildlife species, and the protection and enhancement of threatened, endangered, or sensitive species. Trees damaged or downed due to fire, insects, disease, or blowdown may be utilized, salvaged, or removed from the recreation area as authorized by the Secretary to further the purposes of the national recreation area.

(5) The Secretary shall, after acquiring fee title to at least 10,000 acres of land on Grand Island, provide reasonable water transportation from the mainland to Grand Island. Transportation may be provided through concession, permit, or other means, and a reasonable charge may be imposed. Transportation shall be subject to reasonable regulation by the Secretary and shall not be required when the Secretary deems it to be unsafe because of factors such as weather and water conditions.

(6) The Secretary shall provide through concession, permit, or other means docking and lodge facilities consistent with the management plan developed pursuant to section 460aaa-6 of this title.

(7) The Secretary shall take reasonable actions to provide for public health and safety and for the protection of the national recreation area in the event of fire or infestation of insects or disease.

(8) Under the authority of the Act of March 4, 1915, as amended (16 U.S.C. 497), the Secretary shall, as a condition of acquisition, issue occupancy and use permits for any privately owned home as of the date of Federal acquisition of the land within the national recreation area on which the home is located. Any such permit shall be issued for an initial period of 20 years and shall be renewed thereafter for successive 20-year periods so long as the permittee is in compliance with the purposes of this subchapter, the terms of the permit, and other applicable rules and regulations. Any such permit shall be issued in accordance with the laws, rules, and regulations of the Secretary pertaining to the National Forest System, except that such permit shall be subject to the following special provisions:
