

appropriate officials of the State of Michigan, shall take steps to notify area residents as to the nature of actions taken, and the location of zones designated and periods established, under subsection (a).

(c) Consultation

Except in emergencies, any regulations of the Secretary pursuant to this section shall be put into effect after consultation with the fish and wildlife agency of the State of Michigan.

(Pub. L. 101-292, §5, May 17, 1990, 104 Stat. 188.)

§ 460aaa-5. Minerals

Subject to valid existing rights, the lands within the national recreation area are hereby withdrawn from location, entry, and patent under the United States mining laws and from disposition under all laws pertaining to mineral leasing including all laws pertaining to geothermal leasing. Also subject to valid existing rights, the Secretary shall not allow any mineral development on federally owned land within the national recreation area, except that common varieties of mineral materials, such as stone, and gravel, may be utilized only as authorized by the Secretary to the extent necessary for construction and maintenance of roads and facilities within the national recreation area.

(Pub. L. 101-292, §6, May 17, 1990, 104 Stat. 188.)

§ 460aaa-6. Management plan

(a) Development

After the Secretary acquires fee title to at least 10,000 acres of land on Grand Island, the Secretary, within 30 months, shall develop with public involvement a comprehensive management plan for the national recreation area which implements the provisions of this subchapter.

(b) Special issues to be included

The comprehensive management plan shall include, but not be limited to, the following issues:

(1) Public recreation, including consideration of a range of appropriate recreational opportunities consistent with the rustic, natural, and historic character of the island, including, but not limited to, a system of trails and campsites in conjunction with the lodge referred to in paragraph (2) of this section.¹

(2) The feasibility of a concessionaire constructed, operated, and maintained rustic lodge and educational facility on no more than 55 acres located so as not to impair or alter existing scenic views or the existing tree line and forested appearance of Grand Island from any point within the boundaries of Pictured Rocks National Lakeshore. The plan shall address the economics of constructing, operating, and maintaining such a facility by a concessionaire or other entity; access by roads and waters; utilities; waste water treatment, garbage disposal, and other associated environmental impacts; management operations including construction, operation and maintenance;

and the potential for permitted uses by government agencies, profit and nonprofit organizations, or individuals.

(3) Prescriptions concerning any management and harvest of timber, subject to section 460aaa-2(b)(4) of this title.

(4) General design criteria for new facilities or the improvement of existing facilities that are compatible with the rustic, natural, and historic character of the island and their topographic and geological location, and that do not impair scenic views from the Pictured Rocks National Lakeshore.

(5) Water transportation from the mainland to the national recreation area by a concessionaire or other entity.

(6) The feasibility of concessionaire constructed, operated, and maintained docking facilities in the national recreation area and on the mainland.

(7) An inventory and assessment of existing traditional roads, the level of road use, access needs, and any vehicular regulation and management needed to protect the resources of the national recreation area while, at the same time, providing reasonable access to private property.

(c) Consultation

In preparing the comprehensive management plan, the Secretary shall consult with the appropriate State and local government officials, provide for full public participation, and consider the views of all interested parties, organizations, and individuals.

(Pub. L. 101-292, §7, May 17, 1990, 104 Stat. 188.)

§ 460aaa-7. Grand Island Advisory Commission

(a) Establishment

Subject to appointments as provided in subsection (b), there is established a Grand Island Advisory Commission (hereafter in this subchapter referred to as the "Commission") comprised of 12 members for the purpose of advising the Secretary on the preparation of the management plan which is provided for in section 460aaa-6 of this title.

(b) Appointment

(1) Commission members shall be appointed by the Secretary as follows:

(A) Three non-voting members, who shall be employees of the Forest Service including the Forest Supervisor of the Hiawatha National Forest.

(B) One member who shall be a resident of Munising, Michigan, who is not a Forest Service employee.

(C) Two members who shall be recreational users of Grand Island who are not Forest Service employees.

(D) One member from nominations made by the Alger County Board of Commissioners who is a member of such board.

(E) One member from nominations made by the Alger County Economic Development Corporation who is a member of such corporation.

(F) One member from nominations made by the Grand Island Association who is a member of such association.

(G) One member from nominations made by the private landowners of Grand Island who is a private landowner on Grand Island.

¹ So in original. Probably should be "subsection."
