

strict Office of the Bureau of Land Management and the State Office of the Bureau of Land Management, Reno, Nevada.

“(c) CONFORMING AMENDMENT.—[Amended section 460ccc-1 of this title.]

“SEC. 106. GENERAL PROVISIONS.

“(a) REVIEW OF APPRAISAL.—Not later than 90 days after the date of the enactment of this Act [Nov. 6, 2002], the Secretary shall complete a review of the appraisal entitled, ‘Complete Self-Contained Appraisal Red Rock Exchange, Las Vegas, Nevada’, completed on or about June 3, 2002. The difference in appraisal values shall be reimbursed to the Secretary by the Corporation in accordance with the Southern Nevada Public Lands [Land] Management Act of 1998.

“(b) VALID EXISTING RIGHTS.—The land exchange under this Act shall be subject to valid existing rights. Each party to which property is conveyed under this Act shall succeed to the rights and obligations of the conveying party with respect to any lease, right-of-way, permit, or other valid existing right to which the property is subject.

“(c) TECHNICAL CORRECTIONS.—Nothing in this Act prohibits the parties to the conveyances under this Act from agreeing to the correction of technical errors or omissions in the Red Rock Map.

“(d) WITHDRAWAL OF AFFECTED LANDS.—To the extent not already accomplished under law or administrative action, the Secretary shall withdraw from operation of the public land and mining laws, subject to valid existing rights—

“(1) those Federal lands acquired by the United States under this Act; and

“(2) those Federal lands already owned by the United States on the date of enactment of this Act but included within the Red Rock National Conservation Area boundaries by this Act.”

[For definitions of terms used in title I of Pub. L. 107-282, set out above, see section 3 of Pub. L. 107-282, set out as a note under section 460qqq-1 of this title.]

§ 460ccc-5. Withdrawal; exchange of lands

(a) Except as specifically authorized in this subchapter, and subject to valid existing rights, all Federal lands within the conservation area and all lands and interests therein which are acquired by the United States after November 16, 1990, for inclusion in the conservation area are withdrawn from all forms of entry, appropriation, or disposal under the public land laws, from location, entry, and patent under the mining laws, and from operation under the mineral leasing and geothermal leasing laws, and all amendments thereto.

(b) The Secretary may transfer to the owner of the Old Nevada recreation facility the approximately 20 acres of Federal lands within the conservation area which, on March 1, 1994, were used to provide parking for visitors to such facility, in exchange for lands of equal or greater value within the conservation area acceptable to the Secretary.

AMENDMENTS

1994—Pub. L. 103-450 designated existing provisions as subsec. (a) and added subsec. (b).

§ 460ccc-6. Cooperative agreements

In order to encourage unified and cost-effective management and interpretation of natural

and cultural resources in the conservation area, the Secretary is authorized and encouraged to enter into cooperative agreements with other Federal, State, and local agencies and nonprofit entities providing for the management and interpretation of natural and cultural resources in the conservation area.

(Pub. L. 101-621, §8, Nov. 16, 1990, 104 Stat. 3345.)

§ 460ccc-7. Coordinated management

The Secretary shall coordinate the management of the conservation area with that of surrounding State and Federal lands in such a manner as best to meet the present and future needs of the American people.

(Pub. L. 101-621, §9, Nov. 16, 1990, 104 Stat. 3345.)

§ 460ccc-8. Water

(a) Reservation of rights

Within the conservation area designated by this subchapter, there is hereby reserved a quantity of water sufficient to fulfill the purposes for which the conservation area is established.

(b) Priority date of reservation

The priority date of the water rights reserved in paragraph¹ (a) shall be November 16, 1990, except that as related to rights associated with lands added to the conservation area after November 16, 1990, the priority date shall be the date of enactment of the Act adding such lands to the conservation area.

(c) Protection of rights

The Secretary shall take all steps necessary to protect the water rights reserved by this section, including the filing of a claim for quantification of such rights in any appropriate water adjudication in the courts of the State of Nevada in which the United States is or may be joined and which is conducted in accordance with section 666 of title 43.

(d) Effect on previously secured rights

The Federal water rights reserved by this subchapter shall be in addition to any water rights which may have been previously secured by the United States for purposes other than for the conservation area.

(e) Scope and construction of rights

The Federal water rights reserved by this subchapter are specific to the conservation area designated by this subchapter. Nothing in this subchapter shall be construed as establishing a precedent with regard to any future designations, nor shall it constitute an interpretation of any other Act or any designation.

SUBCHAPTER CXV—GILA BOX RIPARIAN
NATIONAL CONSERVATION AREA

§ 460ddd. Establishment

(a) In general

In order to conserve, protect, and enhance the riparian and associated areas described in subsection (b) and the aquatic, wildlife, archeological, paleontological, scientific, cultural, recreational, educational, scenic, and other resources and values of such areas, there is hereby established the Gila Box Riparian National Conservation Area (hereafter in this subchapter referred to as the “conservation area”).

(b) Areas included

The conservation area shall consist of the public lands generally depicted on a map entitled “Gila Box Riparian National Conservation Area” dated February 1990, and comprising approximately 20,900 acres.

(c) Map

As soon as practicable after November 28, 1990, a map and legal description of the conservation area shall be filed by the Secretary with the Committee on Natural Resources of the United States House of Representatives and the Committee on Energy and Natural Resources of the United States Senate. Such map shall have the same force and effect as if included in this section. Copies of such map shall be on file and available for public inspection in the Office of the Director of the Bureau of Land Management, Department of the Interior, and in the appropriate office of the Bureau of Land Management in Arizona.

(d) Management of conservation area

(1) The Secretary shall manage the conservation area in a manner that conserves, protects and enhances its resources and values, including the resources and values specified in subsection (a), pursuant to the Federal Land Policy and Management Act of 1976 [43 U.S.C. 1701 et seq.] and other applicable law, including this subchapter.

(2) The Secretary shall allow only such uses of the conservation area as the Secretary finds will

further the purposes for which the conservation area is established. Except where needed for administrative purposes or to respond to an emergency, use of motorized vehicles in the conservation area shall be permitted only on roads specifically designated for such use as part of the management plan prepared pursuant to subsection (g).

(e) Withdrawal

Subject to valid existing rights, all Federal lands within the conservation area are hereby withdrawn from all forms of entry, appropriation, or disposal under the public land laws; from location, entry, and patent under the United States mining laws; and from disposition under all laws pertaining to mineral and geothermal leasing, and all amendments thereto.

(f) Water

(1) Congress hereby reserves a quantity of water sufficient to fulfill the purposes, as specified in subsection (a), for which the conservation area is established. The priority date of this reserved right shall be November 28, 1990.

(2) The Secretary and all other officers of the United States shall take all steps necessary to protect the right reserved by paragraph (1), including the filing by the Secretary of a claim for the quantification of such right in any present or future appropriate stream adjudication in the courts of the State of Arizona in which the United States is or may be joined and which is conducted in accordance with section 666 of title 43.

(3) Nothing in this subchapter shall be construed as a relinquishment or reduction of any water rights reserved or appropriated by the United States in the State of Arizona on or before November 28, 1990.

(4) The Federal rights reserved by this subchapter are specific to the conservation area located in the State of Arizona designated by this subchapter. Nothing in this subchapter related to reserved Federal water rights shall be construed as establishing a precedent with regard to any future designations, nor shall it constitute an interpretation of any other Act or any designation made pursuant thereto.

(5) Nothing in this subchapter shall be construed to impair or conflict with the implementation of the authorization contained in section 1524(f) of title 43.

(g) Management plan

(1) No later than two years after November 28, 1990, the Secretary shall develop a comprehensive plan for the long-term management of the conservation area (hereinafter in this subchapter referred to as the “management plan”) in order to fulfill the purposes for which the conservation area is established. The management plan shall be developed with full public participation and shall include provisions designed to assure protection of the resources and values (including the resources and values specified in subsection (a)) of the conservation area.

(2) The management plan shall include a discussion of the desirability of the inclusion in the conservation area of additional lands, including the lands not in Federal ownership that are contiguous to the boundary of the conservation
