AMENDMENTS

1986—Pub. L. 99-583 inserted provisions relating to the map referred to in section 460u-3 of this title.

§ 460u-17. Lands within area I-E used for solid waste disposal

(a) Commitment to reclaim land at no expense to Federal Government

The Secretary may not acquire such lands within the western section of area I-E, as designated on map numbered 626-91007, which have been used for solid waste disposal until he has received a commitment, in accordance with a plan acceptable to him, to reclaim such lands at no expense to the Federal Government.

(b) Cooperation with State of Indiana or subdivision thereof to develop area

With respect to the property identified as area I-E on map numbered 626-91007, the Secretary may enter into a cooperative agreement whereby the State of Indiana or any political subdivision thereof may undertake to develop, manage, and interpret such area in a manner consistent with the purposes of this subchapter.

(Pub. L. 89-761, §17, formerly §18, as added and renumbered Pub. L. 94-549, §1(8), (9), Oct. 18, 1976, 90 Stat. 2531, 2533.)

§ 460u-18. Study of areas III-A, III-C, and II-A; report to Congressional committees

(a) By July 1, 1977, the Secretary shall prepare and transmit to the Committees on Interior and Insular Affairs of the United States Congress a study of areas III-A, III-C, and II-A, as designated on map numbered 626-91007. The Secretary shall make reasonable provision for the timely participation of the State of Indiana, local public officials, affected property owners, and the general public in the formulation of said

study, including, but not limited to, the opportunity to testify at a public hearing. The record of such hearing shall accompany said study. With respect to areas III-A and III-C, the study shall (a) address the desirability of acquisition of any or all of the area from the standpoint of resource management, protection, and public access; (b) develop alternatives for the control of beach erosion if desirable, including recommendations, if control is necessary, of assessing the costs of such control against those agencies responsible for such erosion; (c) consider and propose options to guarantee public access to and use of the beach area, including the location of necessary facilities for transportation, health, and safety; (d) detail the recreational potential of the area and all available alternatives for achieving such potential; (e) review the environmental impact upon the Park resulting from the potential development and improvement of said areas; and (f) assess the cost to the United States from both the acquisition of said areas together with the potential savings from the retention of rights of use and occupancy and from the retention of the boundaries of the Park, as designated on map numbered 626-91007, including the costs of additional administrative responsibilities necessary for the management of the Park, including the maintenance of public services in the town of Beverly Shores, Indiana. With respect to area II-A, the Secretary shall study and report concerning the following objectives: (a) preservation of the remaining dunes, wetlands, native vegetation, and animal life within the area; (b) preservation and restoration of the watersheds of Cowles Bog and its associated wetlands; (c) appropriate public access to and use of lands within the area; (d) protection of the area and the adjacent Park from degradation caused by all forms of construction, pollution, or other adverse impacts including, but not limited to, the discharge of wastes and any excessive subsurface migration of water; and (e) the economic consequences to the utility and its customers of acquisition of such area.

(b)(1) The Secretary shall enter into a memorandum of agreement with the Northern Indiana Public Service Company (referred to as “NIPSCO”) that shall provide for the following with respect to the area referred to as Unit II-A on the map described in section 460u of this title (referred to as the “Greenbelt”):

(A) NIPSCO shall provide the National Park Service with access for resource management and interpretation through the Greenbelt and across the dike for purposes of a public hiking trail.

(B) The National Park Service shall have rights of access for resource management and interpretation of the Greenbelt area.

(C) NIPSCO shall preserve the Greenbelt in its natural state. If NIPSCO utilizes the Greenbelt temporarily for a project involving pollution mitigation or construction on its adjacent facilities, it shall restore the project area to its natural state.

(D) If NIPSCO proposes a different use for the Greenbelt, NIPSCO shall notify the National Park Service, the Committee on Energy and Natural Resources of the Senate and the Committee on Interior and Insular Affairs of

§ 460u-20. Paul H. Douglas Ecological and Recreational Unit and Center for Environmental Education

(a) Dedication of Park

The Indiana Dunes National Park is hereby dedicated to the memory of Paul H. Douglas in grateful recognition of his leadership in the effort to protect, preserve, and enhance the natural, scientific, historic, and recreational value of the Park for the use, enjoyment, and edification of present and future generations.

(b) Establishment

To further accomplish the purposes of subsection (a) of this section, the Secretary of the Interior shall designate the west unit of the Park as the “Paul H. Douglas Ecological and Recreational Unit” and shall, subject to appropriations being granted, design and construct a suitable structure or designate an existing structure within the Park to be known as the “Paul H. Douglas Center for Environmental Education” which shall provide facilities designed primarily to familiarize students and other visitors with, among other things: (1) the natural history of the Park and its association with the natural history of the Great Lakes region; (2) the evolution of human activities in the area; and (3) the historical features which led to the establishment of the Park by the Congress of the United States.

(c) Preparation of informative materials

To inform the public of the contributions of Paul H. Douglas to the creation of the Park, the Secretary of the Interior shall provide such signs, markers, maps, interpretive materials, literature, and programs as he deems appropriate.
