

planting, seed sowing, and forest improvement work, as the Secretary of Agriculture may direct. The Secretary of Agriculture is authorized, upon application of the Secretary of the Interior, to furnish seedlings and/or young trees for replanting of burned-over areas in any national park.

(c)¹ Any portion of the balance at the end of a fiscal year in the special fund established pursuant to this section that the Secretary of Agriculture determines to be in excess of the cost of doing work described in subsection (a) (as well as any portion of the balance in the special fund that the Secretary determined, before October 1, 2004, to be excess of the cost of doing work described in subsection (a), but which has not been transferred by that date) shall be transferred to miscellaneous receipts, National Forest Fund, as a National Forest receipt, but only if the Secretary also determines that—

(1) the excess amounts will not be needed for emergency wildfire suppression during the fiscal year in which the transfer would be made; and

(2) the amount to be transferred to miscellaneous receipts, National Forest Fund, exceeds the outstanding balance of unreimbursed funds transferred from the special fund in prior fiscal years for wildfire suppression.

AMENDMENTS

2005—Subsec. (a). Pub. L. 109-54 added cl. (5).

2004—Pub. L. 108-447, § 318(1), which directed the amendment of this section “by striking ‘The Secretary of Agriculture may, when in his’ and inserting ‘(a) The Secretary of Agriculture may, when in his or her’;

‘(b) Amounts deposited under subsection (a)’”, was partially executed by designating existing text as subsec. (a) and substituting “The Secretary of Agriculture may, when in his or her” for “The Secretary of Agriculture may, when in his”. However, the provisions relating to subsec. (b) were not inserted, because of missing directory language.

Subsec. (a). Pub. L. 108-447, § 318(2), substituted “may direct. The Secretary of Agriculture” for “may direct: *Provided*, That any portion of any deposit found to be in excess of the cost of doing said work shall, upon the determination that it is so in excess, be transferred to miscellaneous receipts, forest reserve fund, as a national-forest receipt of the fiscal year in which such transfer is made: *Provided further*, That the Secretary of Agriculture”.

Subsec. (c). Pub. L. 108-447, § 318(3), added subsec. (c). 1976—Pub. L. 94-588 struck out “or” before “(3)” and substituted “, or (4) protecting and improving the future productivity of the renewable resources of the forest land on such sale area, including sale area improvement operations, maintenance and construction, reforestation and wildlife habitat management” for “; *Provided*, That the total amount so required to be deposited by any purchaser shall not exceed, on an acreage basis, the average cost of planting (including the production or purchase of young trees) other comparable national-forest lands during the previous three years”.

§ 576c. Supplemental National Forest Reforestation Fund; establishment; duration; authorization of appropriations

Notwithstanding any other provision of law, the Secretary of Agriculture shall establish a “Supplemental National Forest Reforestation Fund”, and transfer to that fund beginning with the fiscal year, commencing July 1, 1972, and ending on September 30, 1987, such amounts as may be appropriated therefor. There is hereby authorized to be appropriated for such purpose for each of the fiscal years during such period the sum of \$65,000,000.

(Pub. L. 92-421, § 1, Sept. 18, 1972, 86 Stat. 678; Pub. L. 94-273, § 2(9), Apr. 21, 1976, 90 Stat. 375.)

AMENDMENTS

1976—Pub. L. 94-273 substituted “September” for “June”.

§ 576d. Expenditure of Supplemental National Forest Reforestation Fund moneys; availability of moneys from other sources unaffected

Moneys transferred to the National Forest Reforestation Fund under the provisions of sections 576c to 576e¹ of this title shall be available to the Secretary of Agriculture, for expenditure upon appropriation, for the purpose of supplementing programs of tree planting and seeding of national forest lands determined by the Secretary to be in need of reforestation. Such moneys shall be available until expended, and shall be provided without prejudice to appropriations or funds available from other sources for the same purposes, including those available pursuant to section 576b of this title.

§ 577b. Preserving water level of lakes and streams of public lands in northern Minnesota; reservoirs; water power

In order to preserve the shore lines, rapids, waterfalls, beaches, and other natural features of the region in an unmodified state of nature, no further alteration of the natural water level of any lake or stream within or bordering upon the designated area shall be authorized by any permit, license, lease, or other authorization granted by any official or commission of the United States, which will result in flooding lands of the United States within or immediately adjacent to the Superior National Forest, unless and until specific authority for granting such permit, license, lease, or other authorization shall have first been obtained by special Act from the Congress of the United States covering each such project: *Provided*, That nothing in this section shall be construed as interfering with the duties of the International Joint Commission created pursuant to the convention concerning the boundary waters between the United States and Canada and concluded between the United States and Great Britain on January 11, 1909, and action taken or to be taken in accordance with provisions of the convention, protocol, and agreement between the United States and Canada, which were signed at Washington on February 24, 1925, for the purpose of regulating the levels of the Lake of the Woods: *Provided*, That with the written approval and consent of the Forest Service of the Department of Agriculture, reservoirs not exceeding one hundred acres in area may be constructed and maintained for the transportation of logs or in connection with authorized recreational uses of national-forest lands, and maximum water levels not higher than the normal high-water mark may be maintained temporarily where essential strictly for logging purposes, in the streams between lakes by the construction and operation of small temporary dams: *Provided, however*, That nothing herein shall be construed to prevent the Secretary of Agriculture from listing for homestead entry under the provisions of the Act of June 11, 1906 (34 Stat. 233), any of the above-described lands found by him to be chiefly valuable for agriculture and not needed for public purposes: *Provided further*, That the provisions of this section shall not apply to any proposed development for water-power purposes for which an application for license was pending under the terms of the Federal Power Act [16 U.S.C. 791a et seq.] on or before January 1, 1928.
