

(iv) contingencies for response to and recovery from emergencies and disasters; and

(B) may contain a discussion of—

(i) the status of efforts to improve coral reef ecosystem management cooperation and integration between Federal reef managers and covered reef managers, including the identification of existing research and monitoring activities that can be leveraged for coral reef status and trends assessments within the jurisdiction of the manager;

(ii) a current adaptive management framework to inform research, monitoring, and assessment needs;

(iii) tools, strategies, and partnerships necessary to identify, monitor, and address pollution and water quality impacts to coral reef ecosystems within the jurisdiction of the manager; and

(iv) a data management plan to ensure data, assessments, and accompanying information are appropriately preserved, curated, publicly accessible, and broadly reusable.

(c) Technical assistance

The Administrator and the Task Force shall make reasonable efforts to provide technical assistance upon request by a Federal reef manager or covered reef manager developing a coral reef action plan under this section.

(d) Publication

The Administrator shall publish each coral reef action plan prepared and submitted to the Task Force under this section on the public website of the Coral Reef Conservation Program of the National Oceanic and Atmospheric Administration.

PRIOR PROVISIONS

A prior section 6404, Pub. L. 106-562, title II, §205, Dec. 23, 2000, 114 Stat. 2803, related to creation of a coral reef conservation fund, prior to repeal by Pub. L. 117-263, div. J, title C, §10001(a), Dec. 23, 2022, 136 Stat. 3931.

§ 6405. Coral reef stewardship partnerships

(a) In general

To further community-based stewardship of coral reefs, coral reef stewardship partnerships for Federal and non-Federal coral reefs may be established in accordance with this section.

(b) Standards and procedures

The Administrator shall develop and adopt—

(1) standards for identifying individual coral reefs and ecologically significant units of coral reefs; and

(2) processes for adjudicating multiple applicants for stewardship of the same coral reef or ecologically significant unit of a reef to ensure no geographic overlap in representation among stewardship partnerships authorized by this section.

(c) Membership for Federal coral reefs

A coral reef stewardship partnership that has identified, as the subject of its stewardship activities, a coral reef or ecologically significant unit of a coral reef that is fully or partially under the management jurisdiction of any Federal agency specified in section 6402(c) of this title shall, at a minimum, include the following:

(1) That Federal agency, a representative of which shall serve as chairperson of the coral reef stewardship partnership.

(2) A State or county's resource management agency to the extent that such partnership covers a reef within such States or county's jurisdiction.

(3) A coral reef research center designated under section 6411(b) of this title.

(4) A nongovernmental organization.

(5) A covered Native entity culturally affiliated with the subject reef or ecologically significant unit, if any.

(6) Such other members as the partnership considers appropriate, such as interested stakeholder groups and covered Native entities.

(d) Membership for non-Federal coral reefs

(1) In general

A coral reef stewardship partnership that has identified, as the subject of its stewardship activities, a coral reef or ecologically significant component of a coral reef that is not under the management jurisdiction of any Federal agency specified in section 6402(c) of this title shall, at a minimum, include the following:

(A) A State or county's resource management agency or a covered Native entity, a representative of which shall serve as the chairperson of the coral reef stewardship partnership.

(B) A coral reef research center designated under section 6411(b) of this title.

(C) A nongovernmental organization.

(D) Such other members as the partnership considers appropriate, such as interested stakeholder groups.

(2) Additional members

(A) In general

Subject to subparagraph (B), a coral reef stewardship partnership described in paragraph (1) may also include representatives of one or more Federal agencies.

(B) Requests; approval

A representative of a Federal agency described in subparagraph (A) may become a member of a coral reef stewardship partnership described in paragraph (1) if—

(i) the representative submits a request to become a member to the chairperson of

the partnership referred to in paragraph (1)(A); and

(ii) the chairperson consents to the request.

(e) Nonapplicability of Federal Advisory Committee Act

The Federal Advisory Committee Act (5 U.S.C. App.)¹ shall not apply to coral reef stewardship partnerships under this section.

§ 6406. Block grants

(a) In general

In each fiscal year beginning in fiscal year 2023 and subject to the availability of appropriations, the Administrator shall provide block grants of financial assistance of not less than \$500,000 to each covered State to support management and restoration activities and further the implementation of coral reef action plans in effect under section 6404 of this title by covered States and non-Federal coral reef stewardship partnerships in accordance with this section. The Administrator shall review each covered State's application for block grant funding to ensure that applications are consistent with applicable action plans and the National Coral Reef Resilience Strategy.

(b) Responsibilities of the Administrator

The Administrator is responsible for—

(1) providing guidance on the proper documentation of expenditures authorized under this chapter;

(2) issuing annual solicitations to covered States for awards under this section; and

(3) determining the appropriate allocation of additional amounts among covered States in accordance with this section.

(c) Responsibilities of covered States

Each covered State is responsible for documenting and reporting—

(1) such State's use of Federal funds received under this chapter; and

(2) such expenditures of non-Federal funds made in furtherance of coral reef management and restoration as the Administrator determines appropriate.

(d) Cooperative agreements

Subject to the availability of appropriations, the Administrator may seek to enter into a cooperative agreement with a covered State to fund coral reef conservation and restoration activities in waters managed under the jurisdiction of such covered State that are consistent with the National Coral Reef Resilience Strategy and any applicable action plan under section 6404 of this title.

(e) All Islands Committee

The Administrator may enter into a cooperative agreement with the All Islands Committee of the Task Force to provide support for its activities.
