

**§ 90b-1. Exchange of property; cash equalization payments**

In exercising his authority to acquire property by exchange, the Secretary may accept title to any non-Federal property within the boundaries of the park and recreation areas and in exchange therefor he may convey to the grantor of such property any federally owned property under his jurisdiction in the State of Washington which he classifies as suitable for exchange or other disposal. The values of the properties so exchanged either shall be approximately equal, or if they are not approximately equal the values shall be equalized by the payment of cash to the grantor or to the Secretary as the circumstances require.

**§ 90b-2. Owner's retention of right of use and occupancy for agricultural, residential, or commercial purposes for life or term of years; transfer or assignment of right; termination of use and occupancy for a contrary use and upon payment of sum for unexpired right**

Any owner of property acquired by the Secretary which on the date of acquisition is used for agricultural or single-family residential purposes, or for commercial purposes which he finds are compatible with the use and development of the park or the recreation areas, may, as a condition of such acquisition, retain the right of use and occupancy of the property for the same purposes for which it was used on such date, for a period ending at the death of the owner or the death of his spouse, whichever occurs later, or for a fixed term of not to exceed twenty-five years, whichever the owner may elect. Any right so retained may during its existence be transferred or assigned. Any right so retained may be terminated by the Secretary at any time after the date upon which any use of the property occurs which he finds is a use other than one which existed on the date of acquisition. In the event the Secretary terminates a right of use and occupancy under this section, he shall pay to the owner of the right the fair market value of the portion of said right which remains unexpired on the date of termination.

NORTH CASCADES NATIONAL PARK SERVICE COMPLEX  
FISH STOCKING

Pub. L. 113-137, July 25, 2014, 128 Stat. 1741, provided that:

“SECTION 1. SHORT TITLE.

“This Act may be cited as the ‘North Cascades National Park Service Complex Fish Stocking Act’.

“SEC. 2. DEFINITIONS.

“In this Act:

“(1) NORTH CASCADES NATIONAL PARK SERVICE COMPLEX.—The term ‘North Cascades National Park Service Complex’ means collectively the North Cascades National Park, Ross Lake National Recreation Area, and Lake Chelan National Recreation Area.

“(2) PLAN.—The term ‘plan’ means the document entitled ‘North Cascades National Park Service Complex Mountain Lakes Fishery Management Plan and Environmental Impact Statement’ and dated June 2008.

“(3) SECRETARY.—The term ‘Secretary’ means the Secretary of the Interior.

“SEC. 3. STOCKING OF CERTAIN LAKES IN THE NORTH CASCADES NATIONAL PARK SERVICE COMPLEX.

“(a) IN GENERAL.—Subject to subsection (b), the Secretary shall authorize the stocking of fish in lakes in the North Cascades National Park Service Complex.

“(b) CONDITIONS.—

“(1) IN GENERAL.—The Secretary is authorized to allow stocking of fish in not more than 42 of the 91 lakes in the North Cascades National Park Service Complex that have historically been stocked with fish.

“(2) NATIVE NONREPRODUCING FISH.—The Secretary shall only stock fish that are—

“(A) native to the slope of the Cascade Range on which the lake to be stocked is located; and

“(B) nonreproducing, as identified in management alternative B of the plan.

“(3) CONSIDERATIONS.—In making fish stocking decisions under this Act, the Secretary shall consider relevant scientific information, including the plan and information gathered under subsection (c).

“(4) REQUIRED COORDINATION.—The Secretary shall coordinate the stocking of fish under this Act with the State of Washington.

“(c) RESEARCH AND MONITORING.—The Secretary shall—

“(1) continue a program of research and monitoring of the impacts of fish stocking on the resources of the applicable unit of the North Cascades National Park Service Complex; and

“(2) beginning on the date that is 5 years after the date of enactment of this Act [July 25, 2014] and every 5 years thereafter, submit to the Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives a report that describes the results of the research and monitoring under paragraph (1).”

**§ 90c-1. Administration of recreation areas****(a) Statement of purposes; utilization of authorities for administration of national park system and for conservation and management of natural resources**

The Secretary shall administer the recreation areas in a manner which in his judgment will best provide for (1) public outdoor recreation benefits and (2) conservation of scenic, scientific, historic, and other values contributing to public enjoyment. Within that portion of the Lake Chelan National Recreation Area which is not designated as wilderness, such management, utilization, and disposal of renewable natural resources and the continuation of existing uses and developments as will promote, or are compatible with, or do not significantly impair public recreation and conservation of the scenic, scientific, historic, or other values contributing to public enjoyment, are authorized. In administering the recreation areas, the Secretary may utilize such statutory authorities pertaining to the administration of the national park system, and such statutory authorities otherwise available to him for the conservation and management of natural resources as he deems appropriate for recreation and preservation purposes and for resource development compatible therewith. Within the Ross Lake National Recreation Area the removal and disposal of trees within power line rights-of-way are authorized as necessary to protect transmission lines, towers, and equipment;<sup>1</sup> *Provided*, That to the extent practicable, such removal and disposal of trees shall be conducted in such a manner as to protect scenic viewsheds.

**(b) Lands withdrawn from location, entry, and patent under mining laws; removal of minerals**

The lands within the recreation areas, subject to valid existing rights, are hereby withdrawn from all forms of appropriation or disposal under the public land laws, including location, entry, and patent under the United States mining laws, and disposition under the United States mineral leasing laws: *Provided, however*, That within that portion of the Lake Chelan National Recreation Area which is not designated as wilderness, sand, rock and gravel may be made available for sale to the residents of Stehekin for local use so long as such sale and disposal does not have significant adverse effects on the administration of the Lake Chelan National Recreation Area.

**(c) Receipts, disposition**

All receipts derived from permits and leases issued on lands or interests in lands within the recreation areas under the Mineral Leasing Act of February 25, 1920, as amended [30 U.S.C. 181 et seq.], or the Acquired Lands Mineral Leasing Act of August 7, 1947 [30 U.S.C. 351 et seq.], shall be disposed of as provided in the applicable Act; and receipts from the disposition of nonleasable minerals within the recreation areas shall be disposed of in the same manner as moneys received from the sale of public lands.

<sup>1</sup> So in original.

**(d) Hunting and fishing**

The Secretary shall permit hunting and fishing on lands and waters under his jurisdiction within the boundaries of the recreation areas in accordance with applicable laws of the United States and of the State of Washington, except that the Secretary may designate zones where, and establish periods when, no hunting or fishing shall be permitted for reasons of public safety, administration, fish and wildlife management, or public use and enjoyment. Except in emergencies, any regulations of the Secretary pursuant to this section shall be put into effect only after consultation with the Department of Game of the State of Washington.

**(e) Road construction or use restrictions**

The Secretary shall not permit the construction or use of any road within the park which would provide vehicular access from the North Cross State Highway to the Stehekin Road. Neither shall he permit the construction or use of any permanent road which would provide vehicular access between May Creek and Hozomeen along the east side of Ross Lake.
