

“(3) the power of the United States over immigration and naturalization permits the exclusion from the United States of persons belonging to international terrorist organizations;

“(6) some foreign terrorist organizations, acting through affiliated groups or individuals, raise significant funds within the United States, or use the United States as a conduit for the receipt of funds raised in other nations; and

“(7) foreign organizations that engage in terrorist activity are so tainted by their criminal conduct that any contribution to such an organization facilitates that conduct.

“(b) PURPOSE.—The purpose of this subtitle [subtitle A (§§301–303) of title III of Pub. L. 104–132, enacting this section and section 1189 of Title 8, Aliens and Nationality] is to provide the Federal Government the fullest possible basis, consistent with the Constitution, to prevent persons within the United States, or subject to the jurisdiction of the United States, from providing material support or resources to foreign organizations that engage in terrorist activities.”
