§ 4114. Return of transferred offenders

(a) Upon a final decision by the courts of the United States that the transfer of the offender to the United States was not in accordance with the treaty or the laws of the United States and ordering the offender released from serving the sentence in the United States the offender may be returned to the country from which he was transferred to complete the sentence if the country in which the sentence was imposed requests his return. The Attorney General shall notify the appropriate authority of the country which imposed the sentence, within ten days, of a final decision of a court of the United States ordering the offender released. The notification shall specify the time within which the sentencing country must request the return of the offender which shall be no longer than thirty days.

(b) Upon receiving a request from the sentencing country that the offender ordered released be returned for the completion of his sentence, the Attorney General may file a complaint for the return of the offender with any justice or judge of the United States or any authorized magistrate judge within whose jurisdiction the offender is found. The complaint shall be upon oath and supported by affidavits establishing that the offender was convicted and sentenced by the courts of the country to which his return is requested; the offender was transferred to the United States for the execution of his sentence; the offender was ordered released by a court of the United States before he had completed his sentence because the transfer of the offender was not in accordance with the treaty or the laws of the United States; and that the sentencing country has requested that he be returned for the completion of the sentence. There shall be attached to the complaint a copy of the sentence of the sentencing court and of the decision of the court which ordered the offender released.

A summons or a warrant shall be issued by the justice, judge or magistrate judge ordering the offender to appear or to be brought before the issuing authority. If the justice, judge, or magistrate judge finds that the person before him is the offender described in the complaint and that the facts alleged in the complaint are true, he shall issue a warrant for commitment of the offender to the custody of the Attorney General until surrender shall be made. The findings and a copy of all the testimony taken before him and of all documents introduced before him shall be transmitted to the Secretary of State, that a Return Warrant may issue upon the requisition of the proper authorities of the sentencing country, for the surrender of offender.

(c) A complaint referred to in subsection (b) must be filed within sixty days from the date on which the decision ordering the release of the offender becomes final.

(d) An offender returned under this section shall be subject to the jurisdiction of the country to which he is returned for all purposes.

(e) The return of an offender shall be conditioned upon the offender being given credit to-

ward service of the sentence for the time spent in the custody of or under the supervision of the United States.

(f) Sections 3186, 3188 through 3191, and 3195 of this title shall be applicable to the return of an offender under this section. However, an offender returned under this section shall not be deemed to have been extradited for any purpose.

(g) An offender whose return is sought pursuant to this section may be admitted to bail or be released on his own recognizance at any stage of the proceedings.

Federal Prison Industries, Inc. (together with its Board of Directors), and its functions transferred to De-

partment of Justice to be administered under general direction and supervision of Attorney General, by Reorg. Plan No. II of 1939, §3(a), eff. July 1, 1939, 4 F.R. 2731, 53 Stat. 1431, set out in the Appendix to Title 5, Government Organization and Employees. See, also, Reorg. Plan No. 2 of 1950, §1, eff. § 4122. Administration of Federal Prison Industries

(a) Federal Prison Industries shall determine in what manner and to what extent industrial operations shall be carried on in Federal penal and correctional institutions for the production of commodities for consumption in such institutions or for sale to the departments or agencies of the United States, but not for sale to the public in competition with private enterprise.

(b)(1) Its board of directors shall provide employment for the greatest number of those inmates in the United States penal and correctional institutions who are eligible to work as is reasonably possible, diversify, so far as practicable, prison industrial operations and so operate the prison shops that no single private industry shall be forced to bear an undue burden of competition from the products of the prison workshops, and to reduce to a minimum competition with private industry or free labor.

(2) Federal Prison Industries shall conduct its operations so as to produce products on an economic basis, but shall avoid capturing more than a reasonable share of the market among Federal departments, agencies, and institutions for any specific product. Federal Prison Industries shall concentrate on providing to the Federal Government only those products which permit employment of the greatest number of those inmates who are eligible to work as is reasonably possible.

(3) Federal Prison Industries shall diversify its products so that its sales are distributed among its industries as broadly as possible.

(4) Any decision by Federal Prison Industries to produce a new product or to significantly expand the production of an existing product shall be made by the board of directors of the corporation. Before the board of directors makes a final decision, the corporation shall do the following:

(A) The corporation shall prepare a detailed written analysis of the probable impact on industry and free labor of the plans for new production or expanded production. In such written analysis the corporation shall, at a minimum, identify and consider—

(i) the number of vendors currently meeting the requirements of the Federal Government for the product;

(ii) the proportion of the Federal Government market for the product currently served by small businesses, small disadvantaged businesses, or businesses operating in labor surplus areas;

(iii) the size of the Federal Government and non-Federal Government markets for the product;

(iv) the projected growth in the Federal Government demand for the product; and

(v) the projected ability of the Federal Government market to sustain both Federal Prison Industries and private vendors.
