

APPLICATION OF SUBSECTION (c)(1)

Subsection (c)(1) of this section to be applied and administered as if subparagraphs (A), (B), and (C) were not in effect, see section 406(a)(1) of Pub. L. 114-27, set out in an Effective and Termination Dates of 2015 Revival note preceding section 2271 of this title.

§ 2292. Weekly amounts**(a) Formula**

Subject to subsections (b) and (c), the trade readjustment allowance payable to an adversely affected worker for a week of total unemployment shall be an amount equal to the most recent weekly benefit amount of the unemployment insurance payable to the worker for a week of total unemployment preceding the worker's first exhaustion of unemployment insurance (as determined for purposes of section 2291(a)(3)(B) of this title) reduced (but not below zero) by—

- (1) any training allowance deductible under subsection (c); and
- (2) income that is deductible from unemployment insurance under the disqualifying income provisions of the applicable State law or Federal unemployment insurance law.

(b) Adversely affected workers who are undergoing training

Any adversely affected worker who is entitled to trade readjustment allowances and who is undergoing training approved by the Secretary shall receive for each week in which he is undergoing any such training, a trade readjustment allowance in an amount (computed for such week) equal to the amount computed under subsection (a) or (if greater) the amount of any weekly allowance for such training to which he would be entitled under any other Federal law for the training of workers, if he applied for such allowance. Such trade readjustment allowance shall be paid in lieu of any training allowance to which the worker would be entitled under such other Federal law.

(c) Deduction from total number of weeks of allowance entitlement

If a training allowance under any Federal law other than this chapter is paid to an adversely affected worker for any week of unemployment with respect to which he would be entitled (determined without regard to any disqualification under section 2291(b) of this title) to a trade readjustment allowance if he applied for such allowance, each such week shall be deducted from the total number of weeks of trade readjustment allowance otherwise payable to him under section 2293(a) of this title when he applies for a trade readjustment allowance and is determined to be entitled to such allowance. If such training allowance paid to such worker for any week of unemployment is less than the amount of the trade readjustment allowance to which he would be entitled if he applied for such allowance, he shall receive, when he applies for a trade readjustment allowance and is determined to be entitled to such allowance, a trade readjustment allowance for such week equal to such difference.
