**§ 2296. Training****(a) Approval of training; limitation on expenditures; reasonable expectation of employment; payment of costs; approved training programs; nonduplication of payments from other sources; disapproval of certain programs; exhaustion of unemployment benefits; promulgation of regulations**

(1) If the Secretary determines that—

(C) The provisions of this paragraph shall not apply to, or take into account, any funds provided under any other provision of Federal law which are used for any purpose other than the direct payment of the costs incurred in training a particular adversely affected worker, even if such use has the effect of indirectly paying or reducing any portion of the costs involved in training the adversely affected worker.
