(3) Inadequate representation

If the Secretary concerned, after inquiry instituted on his own motion or at the request of any private person, Federal agency, or State agency having an interest therein, has reason to believe that the participation by the organization member in the proceedings of a private international standards organization will not result in the adequate representation of United States interests that are, or may be, affected by the activities of such organization (particularly with regard to the potential impact of any such activity on the international trade of the United States), the Secretary concerned shall immediately notify the organization member concerned. (B) there is no organization member of the private international standards organization;

the Secretary concerned shall make appropriate arrangements to provide for the adequate representation of United States inter-

ests. In cases where subparagraph (A) applies, such provision shall be made by the Secretary concerned through the appropriate organization member if the private international standards organization involved requires representation by that member.
