§ 1070b-1. Amount and duration of grants

(a) Amount of grant

(1) Except as provided in paragraph (3), from the funds received by it for such purpose under this subpart, an institution which awards a supplemental grant to a student for an academic year under this subpart shall, for each year, pay to that student an amount not to exceed the lesser of (A) the amount determined by the institution, in accordance with the provisions of part F of this subchapter, to be needed by that student to enable the student to pursue a course of study at the institution or in a program of study abroad that is approved for credit by the institution at which the student is enrolled, or (B) \$4,000.

The amount of grant to be awarded in such cases may exceed the maximum amount of \$4,000 by as much as \$400 if reasonable study abroad costs exceed the cost of attendance at the home institution.

(b) Period for receipt of grants; continuing eligibility

(1) The period during which a student may receive supplemental grants shall be the period required for the completion of the first undergraduate baccalaureate course of study being pursued by that student.
