This part, referred to in subsec. (b), was in the original "this chapter" and was translated as reading "this part" to reflect the probable intent of Congress because title III of Pub. L. 98-377, which comprises this subchapter, does not contain chapters.

§ 3993. Amendment to State application**(a) Application**

A State shall be eligible to receive a grant under this part if—

- (1) the State submits to the Secretary as part of its application under section 209¹ such information and assurances as the Secretary may require at such time as the Secretary shall establish; and
- (2) the Secretary approves such application.

(b) Application requirements

The Secretary shall require each application to include—

- (1) a description of the State's procedures relating to the use of funds from grants received under this part, including the approval process for local applications;
- (2) an assurance that not more than 1 percent of the amount received shall be used for administrative expenses; and
- (3) an assurance that the State will, to the extent possible, assist local school districts in economically depressed areas to obtain matching funds from business concerns.

Section 209, referred to in subsec. (a)(1), is section 209 of Pub. L. 98-377, title II, Aug. 11, 1984, 98 Stat. 1279, which was classified to section 3969 of this title prior to repeal by Pub. L. 100-297, title II, §2303, Apr. 28, 1988, 102 Stat. 324.

§ 3994. Eligible programs**(a) In general**

A State may use funds from grants received in any fiscal year under this part for elementary and secondary programs described in this section. The State educational agency shall administer such funds, which shall be awarded to such programs on a competitive basis.

(b) Use of funds

Funds from grants received under this part may be used for the following:

(1) Improvement of elementary and secondary resources

Such funds may be used for acquisition of equipment, instructional and reference materials, and partnership in education programs designed to—

- (A) improve instruction in mathematics and science education at the elementary and secondary level;
- (B) improve laboratory facilities, classroom and library resources in elementary and secondary mathematics and science education; and
- (C) attract matching dollars and in kind contributions of equipment, learning resources or shared time from business concerns, libraries, museums, nonprofit private organizations, professional mathematics and scientific associations, and appropriate State agencies.

(2) Advanced placement programs

(A) Such funds may be used for advanced placement programs operated by local educational agencies that are designed to allow qualified secondary students to attend college preparatory schools, colleges, or universities on a part-time or full-time basis with respect to science and mathematics instruction.

(B) A local educational agency that receives funds from a grant under this part for an advanced placement program described in subparagraph (A) shall allocate to such program a percentage of funds received from the State on a per student basis according to—

- (i) the number of students participating in the program; and
- (ii) the instruction time such students receive under the program.

§ 3995. Local applications**(a) Eligibility**

An applicant that desires to receive a grant under this part shall submit an application to the State educational agency, at such time, and in such manner, as the State may require. Such application may take the form of an amendment to an assessment submitted by the local educational agency under section 210,¹ if appropriate.

(b) Requirements for application

The State shall require each application to include—

- (1) a description of the activities for which assistance under this part is sought;
- (2) assurances that not more than 5 percent of the amount received by the applicant in any fiscal year shall be expended on administrative expenses;
- (3) if the funds are to be used for improvement of elementary and secondary resources as described in subsection (b)(1)—

- (A) an estimate of the amount to be spent on equipment, facilities improvement, li-
