

limit or otherwise affect any State, tribal, or local taxation of tobacco products.

**(2) Preemption of certain State and local requirements**

**(A) In general**

No State or political subdivision of a State may establish or continue in effect with respect to a tobacco product any requirement which is different from, or in addition to, any requirement under the provisions of this subchapter relating to tobacco product standards, premarket review, adulteration, misbranding, labeling, registration, good manufacturing standards, or modified risk tobacco products.

**(B) Exception**

Subparagraph (A) does not apply to requirements relating to the sale, distribution, possession, information reporting to the State, exposure to, access to, the advertising and promotion of, or use of, tobacco products by individuals of any age, or relating to fire safety standards for tobacco products. Information disclosed to a State under subparagraph (A) that is exempt from disclosure under section 552(b)(4) of title 5 shall be treated as a trade secret and confidential information by the State.

**(b) Rule of construction regarding product liability**

No provision of this subchapter relating to a tobacco product shall be construed to modify or otherwise affect any action or the liability of any person under the product liability law of any State.

(June 25, 1938, ch. 675, §916, as added Pub. L. 111-31, div. A, title I, §101(b)(3), June 22, 2009, 123 Stat. 1823.)

**§ 387q. Tobacco Products Scientific Advisory Committee**

**(a) Establishment**

Not later than 6 months after June 22, 2009, the Secretary shall establish a 12-member advisory committee, to be known as the Tobacco Products Scientific Advisory Committee (in this section referred to as the “Advisory Committee”).

**(b) Membership**

**(1) In general**

**(A) Members**

The Secretary shall appoint as members of the Tobacco Products Scientific Advisory Committee individuals who are technically qualified by training and experience in medicine, medical ethics, science, or technology involving the manufacture, evaluation, or use of tobacco products, who are of appropriately diversified professional backgrounds. The committee shall be composed of—

- (i) 7 individuals who are physicians, dentists, scientists, or health care professionals practicing in the area of oncology, pulmonology, cardiology, toxicology, pharmacology, addiction, or any other relevant specialty;

- (ii) 1 individual who is an officer or employee of a State or local government or of the Federal Government;

- (iii) 1 individual as a representative of the general public;

- (iv) 1 individual as a representative of the interests of the tobacco manufacturing industry;

- (v) 1 individual as a representative of the interests of the small business tobacco manufacturing industry, which position may be filled on a rotating, sequential basis by representatives of different small business tobacco manufacturers based on areas of expertise relevant to the topics being considered by the Advisory Committee; and

- (vi) 1 individual as a representative of the interests of the tobacco growers.

**(B) Nonvoting members**

The members of the committee appointed under clauses (iv), (v), and (vi) of subparagraph (A) shall serve as consultants to those described in clauses (i) through (iii) of subparagraph (A) and shall be nonvoting representatives.

**(C) Conflicts of interest**

No members of the committee, other than members appointed pursuant to clauses (iv), (v), and (vi) of subparagraph (A) shall, during the member’s tenure on the committee or for the 18-month period prior to becoming such a member, receive any salary, grants, or other payments or support from any business that manufactures, distributes, markets, or sells cigarettes or other tobacco products.

**(2) Limitation**

The Secretary may not appoint to the Advisory Committee any individual who is in the regular full-time employ of the Food and Drug Administration or any agency responsible for the enforcement of this chapter. The Secretary may appoint Federal officials as ex officio members.

**(3) Chairperson**

The Secretary shall designate 1 of the members appointed under clauses (i), (ii), and (iii) of paragraph (1)(A) to serve as chairperson.

**(c) Duties**

The Tobacco Products Scientific Advisory Committee shall provide advice, information, and recommendations to the Secretary—

- (1) as provided in this subchapter;

- (2) on the effects of the alteration of the nicotine yields from tobacco products;

- (3) on whether there is a threshold level below which nicotine yields do not produce dependence on the tobacco product involved; and

- (4) on its review of other safety, dependence, or health issues relating to tobacco products as requested by the Secretary.

**(d) Compensation; support; chapter 10 of title 5**

**(1) Compensation and travel**

Members of the Advisory Committee who are not officers or employees of the United States, while attending conferences or meet-

ings of the committee or otherwise engaged in its business, shall be entitled to receive compensation at rates to be fixed by the Secretary, which may not exceed the daily equivalent of the rate in effect under the Senior Executive Schedule under section 5382 of title 5, for each day (including travel time) they are so engaged; and while so serving away from their homes or regular places of business each member may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by section 5703 of title 5 for persons in the Government service employed intermittently.

**(2) Administrative support**

The Secretary shall furnish the Advisory Committee clerical and other assistance.

**(3) Nonapplication of chapter 10 of title 5**

Section 1013 of title 5 does not apply to the Advisory Committee.

**(e) Proceedings of advisory panels and committees**

The Advisory Committee shall make and maintain a transcript of any proceeding of the panel or committee. Each such panel and committee shall delete from any transcript made under this subsection information which is exempt from disclosure under section 552(b) of title 5.

(June 25, 1938, ch. 675, §917, as added Pub. L. 111-31, div. A, title I, §101(b)(3), June 22, 2009, 123 Stat. 1824; amended Pub. L. 117-286, §4(a)(160), Dec. 27, 2022, 136 Stat. 4323.)

MODIFICATION OF DEADLINES FOR SECRETARIAL ACTION

With respect to any time periods specified in an amendment by div. A of Pub. L. 111-31 that begin on June 22, 2009, within which the Secretary of Health and Human Services is required to carry out and complete specified activities, with certain limitations, the calculation of such time periods shall commence on the first day of the first fiscal quarter following the initial 2 consecutive fiscal quarters of fiscal year 2010 for which the Secretary has collected fees under section 387s of this title, and the Secretary may extend or reduce the duration of one or more such time periods, except that no such period shall be extended for more than 90 days, see section 6 of Pub. L. 111-31, set out as a note under section 387 of this title.

**§ 387r. Drug products used to treat tobacco dependence**

**(a) In general**

The Secretary shall—

(1) at the request of the applicant, consider designating products for smoking cessation, including nicotine replacement products as fast track research and approval products within the meaning of section 356 of this title;

(2) consider approving the extended use of nicotine replacement products (such as nicotine patches, nicotine gum, and nicotine lozenges) for the treatment of tobacco dependence; and

(3) review and consider the evidence for additional indications for nicotine replacement products, such as for craving relief or relapse prevention.

**(b) Report on innovative products**

**(1) In general**

Not later than 3 years after June 22, 2009, the Secretary, after consultation with recognized scientific, medical, and public health experts (including both Federal agencies and non-governmental entities, the Institute of Medicine of the National Academy of Sciences, and the Society for Research on Nicotine and Tobacco), shall submit to the Congress a report that examines how best to regulate, promote, and encourage the development of innovative products and treatments (including nicotine-based and non-nicotine-based products and treatments) to better achieve, in a manner that best protects and promotes the public health—

(A) total abstinence from tobacco use;

(B) reductions in consumption of tobacco; and

(C) reductions in the harm associated with continued tobacco use.

**(2) Recommendations**

The report under paragraph (1) shall include the recommendations of the Secretary on how the Food and Drug Administration should coordinate and facilitate the exchange of information on such innovative products and treatments among relevant offices and centers within the Administration and within the National Institutes of Health, the Centers for Disease Control and Prevention, and other relevant agencies.
