

(C) strive to generate a partnership mentality among all participants, including public and private funders, host governments, local protected areas authorities, and private and nongovernmental organization partners;

(D) prioritize investments in communities with low levels of economic development to the greatest extent practicable and appropriate; and

(E) consider the eligible partner country's planned and dedicated resources to the proposed project and the eligible entity's ability to successfully implement the project.

(2) Grant criteria

Foundation grants—

(A) shall fund eligible projects that enhance the management of well-defined primarily protected or conserved areas and the systems of such conservation areas in eligible countries;

(B) should support adequate baseline funding for eligible projects in eligible countries to be sustained for not less than 10 years;

(C) should, during the grant period, demonstrate progress in achieving clearly defined key performance indicators (as defined in the grant agreement), which may include—

(i) the protection of biological diversity;

(ii) the protection of native flora and habitats, such as trees, forests, wetlands, grasslands, mangroves, coral reefs, and sea grass;

(iii) community-based economic growth indicators, such as improved land tenure, increases in beneficiaries participating in related economic growth activities, and sufficient income from conservation activities being directed to communities in project areas;

(iv) improved management of the primarily protected or conserved area covered by the project, as documented through the submission of strategic plans or annual reports to the Foundation; and

(v) the identification of additional revenue sources or sustainable financing mechanisms to meet the recurring costs of management of the primarily protected or conserved areas; and

(D) shall be terminated if the Board determines that the project is not—

(i) meeting applicable requirements under this chapter; or

(ii) making progress in achieving the key performance indicators defined in the grant agreement.

§ 10607. Prohibition of support for certain governments

(a) In general

The Foundation may not provide support for any government, or any entity owned or controlled by a government, if the Secretary has determined that such government—

(1) has repeatedly provided support for acts of international terrorism, as determined under—

(A) section 4813(c)(1)(A)(i) of title 50;

(B) section 2371(a) of this title;

(C) section 2780(d) of this title; or

(D) any other relevant provision of law;

(2) has been identified pursuant to section 2151n(a) or 2304(a)(2) of this title or any other relevant provision of law; or

(3) has failed the “control of corruption” indicator, as determined by the Millennium Challenge Corporation, within any of the preceding 3 years of the intended grant.

(b) Prohibition of support for sanctioned persons

The Foundation may not engage in any dealing prohibited under United States sanctions laws or regulations, including dealings with persons on the list of specially designated persons and blocked persons maintained by the Office of Foreign Assets Control of the Department of the Treasury, except to the extent otherwise authorized by the Secretary or by the Secretary of the Treasury.

(c) Prohibition of support for activities subject to sanctions

The Foundation shall require any person receiving support to certify that such person, and any entity owned or controlled by such person, is in compliance with all United States sanctions laws and regulations.

§ 10608. Annual report

Not later than 360 days after December 23, 2024, and annually thereafter while the Foundation continues to operate, the Executive Director of the Foundation shall submit a report to the appropriate congressional committees that describes—

(1) the goals of the Foundation;

(2) the programs, projects, and activities supported by the Foundation;

(3) private and governmental contributions to the Foundation; and

(4) the standardized criteria utilized to determine the programs and activities supported by the Foundation, including baselines, targets, desired outcomes, measurable goals, and extent to which those goals are being achieved for each project.
